Resoling of old tyres of all Government Departments during 1953-54—*Rate Contract.*

Reference:—Your quotation received in response to our Enquiry No. 11564.

Gentlemen,

No. S.P.C. 31252-53. I write to request you to be so good as to enter order for the resoling of old tyres described in the undermentioned schedule at the prices specified therein. Please arrange to execute the work on indents received from such of the departmental officers as may require the materials and in such quantities as may be required by them from time to time, all indents being complied with within a fortnight from the date of receipt.

The contract will be deemed to be limited to the number of tyres actually got resoled by the Departments.

This contract will be in force for a period of one year from the date of this order. The resoling work will have to be executed throughout the said period, at the prices accepted herein.

Please note that resoling work shall strictly conform to the conditions laid down hereunder :—

(1) Casing should not be damaged while processing.
(2) Full depth of live rubber should be kept up.
(3) Correct alignment should be maintained, *i.e.*, should be perfectly circular without occasioning any unusual strain on the king pin and bearings.
(4) The minimum performance should be 10,000 miles.
(5) In case of failure, reconditioning should be done at the expense of the company.
(6) Payments to the extent of 50 per cent will be made on delivery and the balance will be paid after a successful performance of 5,000 miles.
(7) All charges for transport of tyres bothways will have to be borne by the company.
(8) All tyres while in the company's possession or in transit are at the company's risk.
(9) No enhancement of prices over the accepted rates will be allowed during the contract period.

Failure to execute the work in time or in accordance with the quality ordered will entail cancellation of the contract and getting work done elsewhere debiting the extra cost, if any, incurred by Government to you. In such an event the Stores Purchase Committee also reserve the right to levy a penalty, as and by way of liquidated damages of 3 per cent of the value of the order.

The bills of cost should be sent in duplicate to the indenting officers who will arrange payment. You should now arrange to enter into an agreement with the Secretary, Stores Purchase Committee, on a Mysore Government Court Fee Stamp paper of the value of ten annas and deposit a sum of Rs. 1,000 as security for the due fulfilment of the contract, within two weeks from the date of receipt of this order, failing which, the order will be cancelled. A draft form of agreement is enclosed.

Monthly statements in the Form 'A', 'B' given below for the supplies made against the contract should be forwarded to this office, in triplicate, so as to reach this office at least by the 10th of every month. Nil statements should also be submitted, if no supplies are made during the particular month.

Please acknowledge receipt of this communication. The above indent number should be quoted in all correspondence relating to this order.

Yours faithfully,

I. P. MALLAPPA,
Secretary.

Sale of Minor Forest Produce for the Year 1953-54.

No. C 8—53-54. It is hereby notified for general information that the exclusive right of collecting the Minor Forest Produce of the Farm such as Tamarind, and seeds of Hongey and Hippey for the year 1953-54, will be sold by public auction at the Farm premises on Thursday the 15th October 1953, by the Superintendent of the Farm or any other officer deputed by him in two lots, one lot on the Eastern Section of the Farm at 9 A.M. at Gondahally Post, and another lot on the Western Section of the Farm at 2 P.M. at Dasenahally Post.

1. Each bidder should, before he is permitted to bid, deposit with the sale conducting officer, a sum of Rs. 100, only in cash as earnest money. The deposit of unsuccessful bidders will be returned after the close of the sale. The successful bidder shall immediately after the close of the sale pay one-fourth of the total sale amount less deposit amount already given, together with the Local and other cesses and sales-tax on the full sale amount. In default the deposit will be forfeited and the right resold. The resale shall be at the risk of the defaulting purchaser who shall be liable to make good the loss, that may result to Government, but shall have no claim to any surplus accruing therefrom. Such losses shall be recoverable as arrears of land revenue.

2. The sale is subject to confirmation by the Director of Animal Husbandry Services in Mysore, Bangalore, who reserves himself, the right of accepting or rejecting any bid without assigning any reason therefor and his decision will be final.

3. Within 7 days from the date of intimation of confirmation of the sale, the successful bidder shall pay the remaining sale amount in full and execute an agreement on a stamped paper of proper value procured at his own cost for the due fulfilment of the condition of the contract.

In default to pay the amount or execute the agreement the amount already paid by him will be forfeited, the contract concelled and the right resold, the forfeited being liable for any deficit of the original sale amount. He shall have no claim to any surplus accruing from such resale, but shall be liable for the loss arising therefrom which will be recovered as arrears of land revenue.

4. Each bidder should see the trees before auction and satisfy himself and any complaints received thereafter regarding the produce will not be entertained.

5. The contractor should make his own arragement for the proper guarding of the trees immediately his offer is accepted and no complaints in case of theft etc., will be entertained and no compensation whatsoever will be paid thereof.

6. Any damage done to Government property should be made good by him.

7. The contract should not be sublet or transferred.

8. Withdrawal of bid or lodging dispute of any kind will not be entertained, when once the bid is offered in the open auction.

9. The dicision of the Director of Animal Husbandry Services is final in all matters of disputes and legally binding on the bidder.

10. Permission will be granted for the collection of Hippey produce of 1953-54, during the summer season of 1954, when it will be available for collection.

PUBLIC ADVERTISEMENTS

OFFICE OF THE PRINCIPAL INFORMATION OFFICER TO THE GOVERNMENT OF MYSORE, OLD PUBLIC OFFICES, BANGALORE.

Press Note.

The attention of the public who use Steam Boilers for their industry, is drawn to Sections 6 and 7 of the Indian Boilers Act (V of 1923) which require that no Boiler should be used unless it has been registered and certified for use, as per the provisions of the above Act and Rules thereunder.

For this purpose, a certificate from an 'Inspecting Authority' under Regulation 4 (c) of the Indian Boilers Regulations, 1950 and in the prescribed form II, as regards the soundness of the Boiler must compulsorily be furnished to the Chief Inspector of Boilers, either before or along with the application for registration, by producing the following documents, in respect of the Boiler as per the provisions of Regulations 4 (d) (i) to (iii) thereof.

(*a*) A certificate in form (iii) of Manufacture and Test signed by the Maker of the Boiler.

(*b*) Detailed drawings or prints to scale thereof.

(*c*) Steel Maker's and Construction Certificates.

There have been instances wherein Boilers are presented for registration without the above documents. But under Section 14 (2) of the Boilers Act, the Inspector of Boilers shall refuse to examine such boilers for registration.

With a view to avoid inconvenience to themselves in such a contingency and also to avoid much delay and controversy at a later date in this connection, such of the members of the public as are in the market for Steam Boilers, are hereby advised, in their own interest, to consult the Chief Inspector of Boilers in Mysore, Bangalore, before they place orders with foreign countries, for costly Boilers.

BUILDINGS DIVISION, BANGALORE.

Notification dated 22nd Septmber 1953.

Tenders will be received in the Office of the Executive Engineer, Buildings Division, Bangalore, up to 3 P.M. on 27th October 1953, for the following work :—

Name of work	Amount of estimate	Earnest money
	Rs.	Rs.
Constructing a Primary School at Wilson Garden Extension, Bangalore.	22,93	1,200

1. Each tender must be accompanied by a duplicate chellan for having deposited the earnest money noted

against the work into the Reserve Bank of India, Bangalore to the credit of "P. W. Deposits—2 Advances, Revenue Deposits" in default of which the tender will be rejected.

2. Only on acceptance of one of the tenders, the earnest money of the rejected tenders will be returned.

3. Copies of the contract documents, schedule and drawings may be seen at the Office of the Executive Engineer, Buildings Division, Bangalore, on all working days between 11 A.M. and 5 P.M.

4. The tenderer need only mention the rates for each item of work of the abstract estimate both in words and in figures, at which he is willing to undertake the work without which the tender will be rejected. The total cost of each item of work together with the grand total of each work should also be noted in the tender.

5. Tenders submitted in other than the prescribed form will be rejected, the prescribed form being available at the Division Office on payment of Re. 0-4-0 per copy.

6. The detailed clauses defining the conditions of the tender can be seen at the Office of the Executive Engineer, Buildings Division, Bangalore.

7. Items not provided for in the estimate will be paid for as per schedule of rates or as per data worked out, if not provided for in the schedule of rates during the time of execution.

8. The sealed tenders received for the above work will be opened in the presence of such of those tenderers who will be present at that time.

9. If the work is not completed and handed over within the specified period, a fine of Rs. 50 will be levied for every fortnight's delay.

10. The final acceptance or recommendation for acceptance will rest with the Chief Engineer, Bangalore. The successful contractor should bind himself to abide by the departmental rules in force and execute the necessary *mutchalika* on receipt of intimation of acceptance of his tender, failing which, his earnest money will be forfeited.

11. Under no circumstances will a father and his son or other close relations be allowed to tender for the same contract as separate competitors. A breach of this condition will render the tenders of both the parties liable for rejection.

12. The submission of a tender by a contractor implies that he has read this notice and the conditions of the contract and has made himself aware of the scope and specifications of the work to be done and of the schedule of rates, etc.

13. In all matters of disputes about rates, measurements, quantity and quality of work, etc., and in all other disputes of any kind, the decision of the Chief Engineer for Roads and Buildings in Mysore, Bangalore, will be final and legally binding.

14. The rates quoted shall hold good if the tender is accepted within six months from the date of tender and shall thereafter be binding for the execution of the entire work.

15. The contractors will please note that the conditions will in no case be relaxed.

16. Those who cannot abide by the conditions need not tender.

17. The work should be completed within *six months* from the date of issue of work order.

18. Tendered contractor has to pay compensation to the disabled workmen working under him for any injury caused during the execution of this work, failing which, the amount will be deducted from the bills and paid to the injured.

19. Sales-tax will be recovered at the prescribed rate on all works bills.

20. The tenderer should produce the Income-tax Clearance Certificate from the Income-tax Commissioner along with the tender without which the tender will not be considered.

21. Sales-Tax clearance certificate should also be enclosed along with the tender in the prescribed form as per Government Order No. Fl. 4267-4416—S.T. 32-53-2, dated 20th August 1953, failing which the tender will be rejected.

TUMKUR DIVISION.

Tender Notification dated 15th September 1953.

Sealed tenders will be received in the Office of the Executive Engineer, Tumkur Division, Tumkur, up to 4 P.M. on 19th October 1953, for the undermentioned work:—

Name of work	Amount of estimate Rs.	Earnest money Rs.	Last date for receiving tenders.
Constructing New Type Middle School at Nitrahally, Madhugiri Taluk.	14,000	700	19-10-53

1. Tenders in the prescribed form obtainable from the office of the Executive Engineer, Tumkur Division, on payment of four annas (Re. 0-4-0) should be addressed to the Executive Engineer, Tumkur Division, in a sealed cover. The name of the work and the full address of the contractor should be written on the cover. The Chellan Number may also be noted on the cover.

2. Each tender should be accompanied by a treasury chellan for having credited the earnest money under Revenue Deposits. After tenders are disposed off the treasury chellan accompanying the tenders of unsuccessful tenderers, will be returned to them by the Public Works Department with an endorsement signed by the Divisional Officer to the effect that the tender is rejected and the amount of the chellan may be repaid to the party concerned. No dues from the Department or cheques will be accepted.

3. Individual rate should be quoted for each item of work. Tenders on percentage basis will not be valid.

4. For items not provided in the estimate and for L.S. items schedule of rates will be paid, or as per data worked out during the execution of the work.

5. The estimate and plan can be seen by the contractors, during the working days between 11 A.M. and 5 P.M.

6. Rates quoted will hold good till the work is completed. The rates quoted by the contractor will be considered as inclusive of Sales-tax. No separate claims for Sales-tax will be considered. The contractor should furnish In come-tax certificate with the tender or before the execution of agreement at the latest, failing which, the tender will be cancelled and forfeited.

7. No conditional clauses will be accepted.

8. The tenders will be opened by the Executive Engineer, in the presence of such tenderers who wish to be present on 19th October 1953, at the Executive Engineer's Office at Tumkur. The final acceptance of the tender will rest with the Superintending Engineer, who does not bind himself to accept the lowest or any tender, or to assign any reason whatever for the rejection of any.

9. The name of the successful tenderer will be posted on the notice board in the Executive Engineer's Office after the tenders are settled. Within eight days of the acceptance of the tender, the successful tenderer will be required to execute an agreement in the departmental schedule contract form. Failure to comply with this condition, the earnest money of this contractor will be forfeited and the tender will be disposed of otherwise.

4290 K. V. SIDDABASAVIAH, *Ex. Engr.*

UPPER CAUVERY DIVISION, KRISHNARAJANAGAR.

Notification dated 7th September 1953.

Sealed tenders duly signed by the contractors will be received in the Office of the Executive Engineer, Upper Cauvery Division, Krishnarajanagar, up to 4 P.M. on 5th October 1953, for the following items of works in connection with Improvements to Water Supply to Hole-Narsipur Town.

(Estimate: Rs. 1,07,120 sanctioned in 3rd March 1953).

Constructing an R.C.C. Tank of 50,000 gallons capacity on 40' staging.	33,000	1,000	June, 1954	4,500

1 The contractor shall quote for each individual item of work both in words and figures in the estimates and the rates quoted shall hold good till the works are completed. The rates quoted should include provision for payments of sales-tax, royalty or any tax due to Government.

2 The tender will hold good till the acceptance or otherwise by the competent authorities.

3 For lumpsum provision or for non-tendered item the rates will be paid as per current minimum schedule in the case of scheduled items and rate with ten per cent profit (10 per cent) for items which do not find place in the schedule.

4 No conditional clause will be accepted.

5 No cheques will be accepted for earnest money and no request for the adjustment of amount due by the Government can be entertained.

6 Tenders will not be considered unless they are in the prescribed form, which will be supplied on payment of Re. 1 at the Office of the Executive Engineer, Upper Cauvery Division, Krishnarajanagar.

7 The successful contractor shall bind himself to abide by the departmental rules and specifications in force and shall execute the necessary mutchalika within seven days from the date of intimation of acceptance of his tender, failing which, his tender will be cancelled unconditionally and his earnest money will be forfeited.

8 Each tender should be accompanied by a treasury chellan for Rs. 1,000 as earnest money paid to the treasury to the credit of "Revenue Deposits—P.W.D."

9 The final acceptance of the tender will rest with the Chief Engineer of Mysore, Bangalore. The estimate and plan will be available for perusal of intending tenderers and any further particulars required will be had at the Office of the Executive Engineer, Upper Cauvery Division, Krishnarajanagar, on all working days during office hours.

10 The department is not bound to accept the lowest or any tender or to assign any reason whatsoever for the rejection of any.

11 The cost as per current rate of cement and steel or value at the controlled rates at the time of execution will be recovered from the bills in case they are supplied departmentally. The materials can be had from the nearest departmental stores. An additional ten per cent on cost of the materials supplied from the department will be charged as centage.

12 Reserve and earnest money deposits will be repaid only at the time of settlement of final bill.

13 Tendered contractors have to pay compensation to the disabled workmen working under them for any injury or death caused or occurred during the execution of this work, failing which the amount will be deducted from the bills and paid to the injured or to the legal heirs of the deceased.

14 The term "specification" mentioned either in the schedule or in the estimate in the notified items would mean "Specific" items of work to be done according to the instructions of the Public Works Department with reference to design, calculations, etc., furnished during execution and no higher rates than tendered ones will be paid.

15 The department does not undertake the responsibility to supply lorries to the contractor.

16 Quantities given in the notification and schedule are approximate and are liable to alterations. No extra rates will be allowed for such alterations.

17 The works should not be sublet.

18 The contractor will have to make his own arrangements for water required for the works, scaffolding materials, conveying of materials, approach road to quarries. No extra amount will be paid for any of the above items.

Notification dated 26th September 1953.

It has come to the notice of the undersigned that some of the candidates who were deputed by this department to several Veterinary Colleges in India for studies as State Stipendiaries have neither reported themselves to this office after successfully completing their studies nor have they submitted their applications for getting their names enlisted in the Office of the Public Service Commission in Mysore, Bangalore, for appointment in this department. It is also learnt that some of the State Stipendiaries have accepted appointments outside the State without the knowledge and permission of this department. This attitude on their part is highly objectionable and contrary to the terms of the agreement bonds executed by them which binds them to serve the department for a period of at least 5 years.

They are therefore hereby informed that they should report themselves to this office forthwith, intimate their correct present addresses and those of their sureties and submit their applications to the Secretary, Public Service Commission, Bangalore, in response to notification calling for applications for the posts of Veterinary Inspectors in this department published by him in the *Mysore Gazette* from time to time. They are further informed that failure on their part to abide by the above instructions will necessitate this office to taken such action as may be necessary for the recovery of amounts spent on their education, besides their losing their chances for being appointed in this department.

MISCELLANEOUS DEPARTMENTS

OFFICE OF THE COMPILER, *MYSORE GAZETTE*, BANGALORE.

NOTICE.

1. The *Mysore Gazette* is published at Bangalore every Thursday. Matter for publication in the Gazette is often sent late to the Press. This involves considerable inconvenience to the Press and expense to Government. All matters intended for publication in Parts I, II, III, IV, V, VI and VII should therefore reach this office not later than *Monday Evening*, and that for Part II not later than *Tuesday Evening* for the following Thursday's issue of the Gazette. All matters received later than these days will be kept by for insertion in the following issue of the Gazette. (G. O. No. P. 988-1040—P. & S. 12-30-2, dated 26th July 1930.)

2. (i) Spare copies of notifications, etc., are often asked for long after their publication, when the matter has been broken up, necessitating its re-setting and thereby causing inconvenience to the Press and waste of money. When spare copies are wanted, a note to that effect stating the number of copies should be made at foot of such manuscript.

(ii) Indents for less than 100 spare copies should not be sent to the Press, subject to the exceptions contained in G. O. No. G. 14330-95—P. & S. 5-19-9, dated 23rd December 1919, in regard to notices calling for tenders for the purchase of stores or for the execution of works. When a few copies only are required, they may be made available by the use of carbon sheets simultaneously with the preparation of a copy for the Gazette, as laid down in the above Government Order. (Letter No. G. 10382—P. & S. 9-37-2, dated 30th June 1938, received from the Secretary to Government, Development Department.)

(iii) When indents for an unusually large number of spare copies are sent, such instances will be brought to the notice of Government, as per letter No. G. 10382—P. & S. 99-37-2, dated 30th June 1938, received from the Secretary to Government, Development Department.

3. Matter sent for insertion in the Gazette will be published *only once* and the abstract in two issues. (G. O. No. G. 2915-6—P. & S. 44-25-2, dated 13th September 1926).

4. Applications for the supply of the Gazette on *Public Service* should be made to the Chief Secretary to the Government of Mysore.

5. As per G. O. No. E. 1892-1902—P. & S. 12-23-13, dated 8th December 1923, and G. O. No. 5139-95—P. & S. 52-30-1, dated 12th November 1930, the English or the Kanarese portion of the *Mysore Gazette*, consisting only of the five Parts, *viz.*, I, II, III Section 1, III Section 3, IV and V taken together or an entire copy of the English or Kanarese Gazette containing all the parts will be supplied only to Patels, Nad-Patels, Shanbhogs and Sheikdars within the State at *half* rates on production of a certificate from the Amildar of the taluk to the effect that such applicant is *bona fide* on duty at the time or that he is on leave for a period not exceeding three years. Such subscribers will please note that the Gazette cannot be had *in separate parts* at concession rates under any other conditions and that they have to pay the full subscription for the part or parts required.

6. As Government Treasuries in Mysore are authorized to receive and credit Gazette subscriptions as well as publication charges remitted by Courts or private parties, all such money should be sent to Treasuries and only Treasury receipts forwarded to this office. No money orders or cash will be received by the undersigned except from parties outside the State.

7. Much inconvenience is caused to this office by subscribers omitting to give their full and correct addresses and writing illegibly on the money order coupons. They are requested to insert invariably the name of the Post Office to which their copy should be sent.

8. Communications on post cards or on paper less than quarter sheet of foolscap will not receive attention; and no communication should be sent on Government Service by private parties.

9. An efficient system of check and counter-check is maintained over the despatch of Gazette copies forwarded through post. Duplicates cannot be supplied in any case of non-delivery.

10. Complaints regarding non-receipt of the Gazette should be forwarded to the undersigned within a week after the date on which it is due.

11. (*a*) The rates of annual subscription to the Gazette *for subscribers within the Mysore State* which are payable in advance are as follows :—

OFFICE OF THE SECRETARY, STORES PURCHASE COMMITTEE, "UNITED INDIA BUILDING", BANGALORE.

Dated 29th September 1953.

To

The firms dealing in the Construction of Bus Bodies.

Gentlemen,

Enquiry No. 11888.

Reference:—Construction of Bus Bodies for the 50 chassis of different types in the Mysore Government Road Transport Department.

No. S.P.C. 34612-31. Please intimate, on or before the *12th October 1953*, your best price and the time you require for the construction of bus bodies for the types of chassis, as per specifications stated in the attached schedule subject to the following conditions :—

1. Quotations received after the due date will not be considered under any circumstances.
2. The blue print showing the general design of construction, seating arrangement, position of doors, luggage carrier, etc., should be prepared by the tenderers and submitted along with the quotation giving brief specifications of the materials to be used, etc.
3. The Mysore Government Road Transport Department always reserve the right to make any alterations in the design or specifications and the bodies should be constructed with such modifications as approved by the Department.
4. Successful tenderer should deposit a cash security of Rs. 5,000 and execute a bond on a "Ten anna Mysore Government Stamp Paper" for due fulfilment of the contract.
5. Quotations with firm prices are preferred.
6. Quotations should be submitted in duplicate.
7. No enhancement in prices will be allowed after the acceptance of the tender.
8. Quotations will be opened at 2 P.M. on the next working day after the closing date of the enquiry.
9. The quotations should be superscribed "Quotations for the construction of Bus Bodies required by the Mysore Government Road Transport Department" with the above enquiry number.

Yours faithfully,

SCHEDULE.

		Quantity
1.	Construction of Bus Bodies on "Commer" 195" W.B. full forward control, heavy duty diesel passenger chassis, as per specification enclosed herewith.	15 Nos.
2.	Construction of bus bodies on "Dodge" 87—P6 Model, 190" W.B. full forward control diesel bus chassis, as per the specification enclosed herewith ...	13 Nos.
3.	Construction of bus bodies on "Desoto" 87—P6 Model, 190" W.B. full forward control diesel bus chassis, as per specification enclosed herewith. ...	12 Nos.
4.	Construction of bus bodies on "Studebaker" 2R17B—195" W.B. chassis with flat face cowl, as per specification enclosed herewith.	10 Nos.

The broad specifications according to which the bodies are desired to be constructed are follows :—

1. *Body Construction.*—Should be purely of all metal type using pressed or rolled sections of mild steel or light alloy for the members and the shell has to be covered with hard aluminium sheets of not less than 18 guage in thickness. The construction should be in such a way as to facilitate easy removal of pannels for repairs.

The dimensions should conform to the Mysore Motor Vehicles Act, with 45 per cent overhang 7'—6" body width and interior height not less than 5'—6". The pannels should be fixed to the members with screws and self-locking nuts. The body should be skirted down to a height of 24" from the ground level.

2. *Flobr.*—The floor should be either of good seasoned wood of not less than ¾" thickness or of thick metal sheets suitably pressed to make it rigid. Suitable protective under coats should be given for them and the top of the floor should be covered over with rubberised sheets or other suitable materials to prevent dust getting in through the joints in flooring, and provided with wearing strips.

3. *Roof.*—To be boarded over with hard board pannels of good seasoned wood and covered over with 18 guage G.I. Sheets, and protected with wooden batten 1" × ¾" spaced 3" apart on the top to prevent direct contact of luggage and G.I. Sheet. The joints should be properly welded to prevent leaks. Bituminised or roofing sheets to be used in between the hard board and the metal cover as an additional safety against leak. Metal louvre should be fitted at cant rail height. Grab and assist rails with straps should be provided beneath the roof for the convenience of the passengers.

4. *Luggage Carrier.*—Should be of pressed or rolled metal sections and should be fitted preferably between the front and rear axles with ladder fitted to the rear for access to the same. Hooks and clamps should be provided for fastening tarpaulins and heavy luggages and luggage racks should be provided at the side, *i.e.*, to the left side for lowered luggages from roof.

5. *Destination Boxes*:—Should be provided at the front and rear and built in to the roof to take in the destination boards of sizes 30" long x 10" high.

6. *Illumination.*—Should have six interior lights located in convenient position operated by switches from driving compartment. Front and rear destination boxes should also be illuminated and operated by independent switches from the driving compartment.

7. *Seats.*—The layout of seats should be got approved before construction is taken up. The frame work should be either of angle iron or of tubular construction and bolted to the floor with adequate bearing surface at each leg. These should have Dunlop-pillo cushions and back rests and upholstered in I.C.I Vynide leather cloth V 5 quality green colour.

8. *Windscreen wiper.*—Good quality windscreen wipers should be provided if they are not received as standard equipment with the chassis.

9. *Guard rails.*—Should be fitted to the side windows at the prescribed heights outside the body and inside the body for the glazed windows at rear.

10. *Side windows.*—Fully glazed shutters for side windows so arranged that entire shutter can be pushed up affording full opening for adequate ventilation. They should also be provided with side clips for fixing them at two or three intermediate steps.

11. *Mounting.*—The body has to be mounted on the chassis without drilling holes in the chassis with rubberised or hard leather paddings between the cross bearers and the chassis.

12. *Painting.*—All metal work should be properly treated and protected with anti-corrosive paints. The interior and exterior of body and all metal work should be painted. The painting should be done with Dulux Synthetic enamel after filling and flatting. The colour scheme, and the quality of paint should be got approved before taking up the work.

13. *Additional fittings.*—Brass press type calling bell, good quality driving mirror, front and rear number plates, driver's seat partition, tool box near the driver's seat, provision for keeping first aid kit, provision for keeping spare

PUBLIC ADVERTISEMENTS

OFFICE OF THE PRINCIPAL INFORMATION OFFICER TO THE GOVERNMENT OF MYSORE. OLD PUBLIC OFFICES, BANGALORE.

Press Note.

Disposal of old stocks of foodgrains.

With a view to dispose of some old stocks of foodgrains lying with the Rajasthan Government, Government of India have permitted the export of the undermentioned quantities of foodgrains to other States through trade channels :—

Milo	...	...	60,000 maunds.
Jowar	...	...	50,000 do
Bejhar	...	...	45,000 do
Gojra	...	...	25,000 do

These exports will, however, be subject to the usual export and import permits to be obtained by the trade from the States concerned and the regulations regarding price and sale in force in the importing States. The Rajasthan Government will endorse copies of permits issued by them specifying price per maund, destination, etc., to the Governments of recipient States.

Such of the merchants of this State as intend to import the above stocks from Rajasthan may apply to the Director of Food Supplies in Mysore, Bangalore, for issue of import permits.

(P.N. No. 73—25-9-53).

Press Note.

Gram and Gram Products—Imports to Mysore.

The Government of East Punjab had, so far, restricted the issue of export permits to export gram from that State only to those foodgrains dealers of that State, who held licenses in gram and to growers of gram. Importers from Mysore had to arrange their requirements. through negotiations with the Punjab traders. The Government of India have now issued necessary instructions to the East Punjab Government to issue export permits to the importers of Mysore State, subject to other conditions of the Gram and Gram Products (Export Control) Order, 1953, being duly fulfilled. The intending importers of gram of Mysore State may avail of this opportunity to import gram from East Punjab.

(P.N. No. 74—25-9-53).

Press Note.

The Government of Mysore have directed that the salary and establishment bills for the month of September 1953, of all Government Offices, Government Indusrrial Concerns and establishments of Local Funds in the State, may be paid at all the treasuries and the Reserve Bank of India, Bangalore, on the 30th September 1953, as a special case.

(P.N. No. 75—28-9-53).

Press Note.

It is hereby notified for general information that payment orders issued by the Treasury Officer, State Huzur Treasury, on the Reserve Bank of India are current for only ten days and that payment will not be made by the Bank thereon if presented after the period of currency. As the revalidation of such pay orders by the Treasury Officer entails extra work to the treasury and delay to the payees, the departmental officers and the general public are requested to take delivery of and receive payment on bills or cheques passed by the Treasury Officer, State Huzur Treasury, promptly.

(P.N. No. 76—28-9-1953).

Press Note.

Under the existing arrangements the scheme of separation of the Judiciary from the Executive has been in force in the district of Bellary in pursuance of the orders issued in that behalf by the Government of Madras. In pursuance of that scheme, there is one District Magistrate (Judicial) for the Bellary District and the Collector, Bellary District, is the Additional District Magistrate of that District.

In connection with the impending transfer of the seven taluks of Bellary District to the State of Mysore with effect from 1st October 1953, the question as to whether the existing arrangements in respect of the appointments of District Magistrate (Judicial) and District Magistrate (Executive) should continue in Bellary District even after 1st October 1953 has been under the consideration of the Government of Mysore, and after a careful consideration of all the aspects of the case, it has been decided to appoint the Deputy Commissioner, Bellary District, as the District Magistrate of Bellary District with effect from 1st October 1953 without making any distinction between the District Magistrate (Judicial) and District Magistrate (Executive), in consonance with the prevailing practice in the State of Mysore.

A scheme for the separation of the Judiciary from the Executive in the State of Mysore has been formulated and is under the active consideration of the Government of Mysore and it will be introduced into all the districts in the State uniformally at the earliest possible date as soon as the proposals are finalised.

(P.N. No. 77—29-9-1953).

Press Note.

The Government of India have, in their letter No. Py. II-656 (2)—53, dated 12th September 1953, communicated their decision to allow import of self-raising flour, maize and barley on trade account from abroad during the current licensing period July-December 1953, and have stated that while self-raising flour is allowed to be imported by actual users only, the applications for the imports of maize and barley will be considered *ad-hoc* by the Chief Controller of Imports.

Since the quantities of self-raising flour so imported from abroad would not be large, they have decided that there should be no restrictions on its movement from one State to another nor should there be any limitations on its price, sale and distribution and that it may be allowed to be used in the manufacture of cakes, pastries and breads, the eatables prepared out of it not being restricted to any austerity regulations except those already provided for in the general rule regarding entertainments.

Maize and barley which may be imported from abroad, have been allowed to move also from one State to another subject to the condition that the exporter/importer will have to obtain export/import permits from the State Governments concerned. There are also no restrictions on the price, sale and distribution of imported maize and barley.

HASSAN FOREST DIVISION.

Detailed Notification dated 4th October 1953.

It is hereby notified for general information that the right of collecting grazing fees on cattle passing through Maranahalli and Bisle Toll-gate during 1953-54 (up to 31st March 1954) and also on cattle moving through Bisle and Kulagunda for the ensuing Subramanya Jatra through Kemphole and Bisale State Forest between October and December 1953, will be sold by public auction on 22nd October 1953 at 2 P.M. by the District Forest Officer, Hassan or any other officer deputed by him at the Travellers' Bungalow, Saklespur, subject to the following conditions :—

(1) Each bidder should deposit Rs. 50 (Rupees fifty) as earnest money with the sale conducting officer before he is permitted to bid which in the case of unsuccessful bidders, will be returned to them.

(2) The highest bidder should pay one-fourth of the sale purchase money at the close of the sale, less the initial deposit amount together with the Local, Special, Health and Education cesses and sales-tax at Re. 0-4-0 in all per rupee, on the entire sale amount, failing which the right will be resold forthwith at his risk forfeiting the amount already deposited.

(3) The balance of the sale amount should be paid within ten days from the date of sale, failing which the right will be re-sold at his risk but he shall not participate in any profit that may accrue. The deficit, if any, shall be recovered from him as a revenue demand.

(4) The District Forest Officer reserves to himself the power to accept or reject the highest or any other bid without assigning any reason for the same.

(5) The right-holders shall collect the grazing fees at the sanctioned rates as noted below for every head of cattle that passes out the Maranahalli and Bisle Toll-gates. Buffaloes—one anna per head, cows and bullocks—six pies per head, horses—one anna per head, sheep—three pies per head, calves—six months and under, are exempted from fee.

(6) The right-holder should make his own arrangements to get these tickets of one anna and six pies face value printed as per sample form noted below, and stock sufficient supply of these tickets ready at both the stations. He should further make his own arrangements for any temporary sheds that may be required for the use of his men.

(7) The right-holder shall, by himself or his agent, not levy, under any circumstances, rates other than those stipulated already. Any irregularity or complaint coming to notice shall render him liable to criminal prosecution besides forfeiting his contract forthwith.

(8) It will be the bounden duty of all cattle owners who move their cattle through the above toll-gates to obtain tickets before allowing their cattle to pass through, failing which they will be liable to criminal prosecution under the Forest Act or any other law in force.

N.B.—Government Officers moving on duty are exempted from this levy.

(9) The right-holder shall be bound to render satisfactory accounts to the Range Officer, Manjarabad, and to present his books and tickets for examination by any Government Officer whenever he is called upon to do so.

(10) The right-holder shall execute a bond on a duly stamped paper to abide by the foregoing conditions and deposit Rs. 50 in the Government Savings Bank as security.

(11) The District Forest Officer reserves the right of forfeiting the security amount either in whole or in parts for the breach of any of the foregoing conditions and his decisions will be final.

Notification dated 26th September 1953.

It is hereby notified that one Departmental Lorry in working condition bearing No. MY 8284 Z and certain other unserviceable accessories will be sold by public auction at 10 A.M. on Friday the 30th October 1953 at Government Woodyard, Mysore, by the District Forest Officer, Mysore Division, Mysore, or by any other officer deputed by him for the purpose.

2 The intending bidders should deposit a sum of Rs. 500 (Rupees five hundred only) in cash for the vehicle with the sale conducting officer and then offer his bid in the sale.

3 The highest bid in the sale will be considered for acceptance or otherwise and after the sale is concluded, the deposit of the highest bidder will be retained and adjusted towards the bid amount and the deposits of the remaining lower bidders will be refunded.

4 The highest bidder, as soon as the sale is concluded should pay the entire bid amount offered by him, *minus* his deposit amount of Rs. 500 in cash and obtain receipt thereof from the sale conducting officer. If he fails to pay the bid amount immediately after the sale is concluded as above, a resale will be held at his risk and collect from him the deficit, if any, in the resale as an arrear of land revenue besides forfeiting his deposit amount to Government.

5 The sale conducting officer has reserved the power of accepting or non-accepting of any bid offered in the sale without assigning the reason therefor.

6 After the confirmation of the sale, the delivery of the vehicle will be made to the successful bidder and he will have to make arrangements to shift the vehicle immediately from the spot. The sale confirmation officer has reserved the right of confirmation or non-confirmation of the sale without assigning the reasons therefor.

7 The sale confirmation officer is the Chief Conservator of Forests in Mysore, Bangalore.

8 The successful bidder should also pay sales-tax thereon on the full sale amount immediately after the conclusion of the sale at the rates in force.

9 The vehicle and the other accessories, etc., are available for inspection in the premises of the Government Woodyard and Sandal Koti, Mysore, during its working hours on all the working days.

1. The tenders will be opened in public at 2 P.M. on 2nd November 1953. The work should be completed and handed over to the Department in tidy condition within the period noted and the monthly progress should not be less than the amount specified against each work, failing which, penalty as per agreement or departmental rules in force at the time will be enforced.

2. The plan, detailed estimate and the conditions may be seen at the Offices of the Executive Engineer, Electrical Division, Bangalore, the Assistant Engineer, No. 2 Electrical Sub-Division, Chikballapur or the Offices of Power and Lighting of this Department for works in their sections on all working days during the office working hours.

3. Tenders are to be submitted in prescribed forms only which can be had from this office on payment of Re. 0-4-0 per set of form for each work. The forms can also be had from the Assistant Engineer, No. 2 Electrical Sub-Division, Chickballapur, or any Power and Lighting Office of this Department or through post direct to intending tenderer provided the cost of forms *plus* postal charges, in case forms to be sent by post, is paid in cash and requisition be given well in advance. This office will not be responsible for delay or non-delivery of tender forms sent by post.

4. Each tender must be accompanied by a deposit specified as earnest money. The earnest money has to be paid in cash at this office or any Power and Lighting Office of this Department and receipt enclosed to the tender. In case of tender deposit of over Rs. 500, Government Promissory Notes of the Government of Mysore or of Dominion of India at their face or present value or Savings Bank Deposits in Mysore Government Treasury duly pledged in favour of the Executive Engineer, Electrical Division, Bangalore, may be accepted by the Executive Engineer at his discretion.

5. No tender will be received without deposit and no adjustment can be made from the pending bills or the deposits of other works towards the tender deposit of this work.

6. The final acceptance of any tender will rest with the Chief Electrical Engineer to the Government of Mysore, who does not bind himself to accept the lowest or any tender or to assign any reasons whatever for the rejection of any tender, who also reserves the right to accept or reject any portion of the tender.

7. The name of the successful tenderer will be posted on the notice board of the Offices referred to in para 2 above in due course. No enquiries regarding the acceptance or rejection of tender will receive any reply.

8. Within 8 days of the award of the tender, the successful tenderer will be required to execute the usual contract bond, in default of which his tender will be considered cancelled and his earnest money forfeited. The work should be started within a week from the date of acceptance.

9. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned either in this Office or through the Assistant Engineer or any of the Power and Lighting Offices of this Department on the tenderer submitting refund bill surrendering the original receipt granted.

10. The contractor has to make his own arrangements at his cost for water required for construction, quarries, supply and transport of materials. This Department does not undertake to provide lorries or petrol coupons.

11. Specifications for Civil Engineering Works are those recognized by the Public Works Department of Mysore and Marryot's Specifications (P.W.D. Handbook, Bombay)

12. Only controlled articles like steel and cement, etc., will be supplied by the Department at the nearest departmental stores at controlled rates *plus* incidental charges at 15 per cent or other percentage as per departmental rules in force at the time of issue of the materials.

13. Contractor himself should pay royalties, tolls, sales-tax and any other tax that may be prescribed by Government from time to time.

14. As per Mysore Government Notification, the contractor should furnish Income-tax Clearance Certificate with the tender or before the execution of the agreement at the latest, failing which the tender or contract will be cancelled and the tender deposit forfeited.

15. The contractor should be bound by the conditions of the Schedule of Contract of the Electrical Department.

1 The work is to be completed within four months from the date of work order and monthly progress should not be less than Rs. 1,200.

2 Tenders should be presented in the prescribed form obtainable on payment of annas four per form from the Office of the Executive Engineer, Sagar Division, Sagar, in a sealed cover superscribing the name of the work tendered. The name of the contractor should also be superscribed on the top of the cover.

3 Tenders to be quoted on the rates for individual items of works instead of quoting on percentage basis.

4 Each tender must be accompanied by a duplicate chellan for having credited into the treasury the required deposit amount under the "Revenue Deposits" or "Mysore Government Bonds" duly endorsed at full value or market value whichever is less as earnest money. Tenders not accompanied by the treasury chellan for having credited the earnest money will be rejected.

5 For lumpsum provisions for non-tendered items, the rate will be paid as per current minimum schedule in the case of scheduled items and rate with ten per cent profit for items which do not find place in the schedule.

6 Plans and estimates and other particulars can be had for inspection in the Office of the Executive Engineer, Sagar Division, Sagar, on all working days between 2 P.M. and 5 P.M.

7 The successful contractor should bind himself to abide by the departmental rules in force and should execute the necessary "Mutchalika" within a fortnight from the date of receipt of intimation of acceptance of his tender, failing which his earnest money will be forfeited.

8 The final acceptance or recommendation for acceptance will rest with the Executive Engineer, Sagar Division, Sagar, who does not bind himself to accept the lowest or any other tender or to assign any reason whatsoever for the rejection of any.

9 No conditional clause will be accepted.

10 No sales-tax, octroi tax, or any other tax prevailing in the area will be admitted by the department.

11 No cheques will be accepted for earnest money and no request for the adjustment of the amount due by the Government can be entertained.

12 The rates quoted will hold good till the acceptance or otherwise by the competent authority.

13 The submission of a tender by a contractor implies that he has read the notice and the conditions of the contract and has made himself aware of the scope and specifications of the work to be done and of the schedule of rates, etc.

14 If the work is not completed and handed over within the specified time, a fine of Rs. 50 will be levied for every fortnight's delay.

15 Tendered contractor has to pay compensation to the disabled workmen under him for any injury caused during the execution of the work, failing which the earnest amount will be deducted from the bills and paid to the injured.

16 Sales-tax clearance certificate should be produced along with the tenders.

M. VIJAYADHWAJA RAO,
Executive Engineer.

13 Depressed Class candidates are exempted from payment of this fee.

4364

Notification dated 26th September 1953.

It has come to the notice of the undersigned that some of the candidates who were deputed by this department to several Veterinary Colleges in India for studies as State Stipendiaries have neither reported themselves to this office after successfully completing their studies nor have they submitted their applications for getting their names enlisted in the Office of the Public Service Commission in Mysore, Bangalore, for appointment in this department. It is also learnt that some of the State Stipendiaries have accepted appointments outside the State without the knowledge and permission of this department. This attitude on their part is highly objectionable and contrary to the terms of the agreement bonds executed by them which binds them to serve the department for a period of at least 5 years.

They are therefore hereby informed that they should report themselves to this office forthwith, intimate their correct present addresses and those of their sureties and submit their applications to the Secretary, Public Service Commission, Bangalore, in response to notification calling for applications for the posts of Veterinary Inspectors in this department published by him in the *Mysore Gazette* from time to time. They are further informed that failure on their part to abide by the above instructions will necessitate this office to taken such action as may be necessary for the recovery of amounts spent on their education, besides their losing their chances for being appointed in this department.

OFFICE OF THE PRINCIPAL, GOVERNMENT FLYING TRAINING SCHOOL, BANGALORE.

ANNEXURE.

Applications are invited from qualified young men for admission into the Flying Course at the Government Flying Training School, Jakkur Aerodrome, Bangalore.

Qualifications:—The trainees should have passed the S.S.L.C. or Matriculation Examination and must possess a good knowledge of English.

Age:—Students should be below 28 years of age. If the students are below 28 years of age they will be entitled to a concession in the flying fees. If they are more than 28 years of age, they will still be admitted but they will not be entitled to the concession in flying fee that is given by the Government of India to those who are below 28 years.

Medical Certificate and Physical fitness:—Students should possess good physique and eye sight and should produce a Medical certificate from an approved Doctor.

Initial deposit:—A sum of Rs. 600 should be deposited initially. This amount will be adjusted towards admission fee during the first month and towards his flying fees and membership fees subsequently. The membership fees is Rs. 5 a month. The flying fees are Rs. 25 per hour for Tiger Moth aircraft and Rs. 20 per hour for Aeronca Aircraft. Trainees can qualify themselves for the 'A' Licence standard, *i.e.*, (Preliminary) or the 'B' Licence standard (Advanced).

'A' Licence:—The 'A' Licence standard is taken up by most people as a hobby. But young men of the Colleges and members of National Cadet Corps have a definite advantage if they choose to join the Indian Air Force of the Indian Defence Services. They will be shown a concession in the age if they want to appear for the commissioned ranks in the I.A.F. It is therefore very advantageous to college students and candidates of the N.C.C.

For the 'A' Licence Course a trainee has to put in approximately 20 hours of Dual Instruction and 5 hours of Solo, and pass the flying tests as well as written examination conducted by the Director-General of Civil Aviation, New Delhi. This examination is held in Bangalore. The period required for obtaining the 'A' Licence is 3 months, depending upon the ability, capacity and aptitude of the trainee. This period could be even reduced to six weeks as there are instances in which trainees have finished their flying course and Test in six weeks. But the written examination is held once in 3 months—in December, March, June and September of each year. The students should pass the written examination in Indian Aircraft Act and Rules. It consists only of one paper and a candidate will be declared to have passed the examination if he obtains not less than 75 per cent. The cost of 'A' licence course will be about Rs. 600 for students residing in Bangalore, and a little more for those who come from outside, depending upon the aptitude of each trainee. It may be even less or more.

'B' Licence Course:—'B' Licence course can be taken up after obtaining 'A' Licence, by those who want to become professional pilots. For this at least 200 hours of Solo and 50 hours of Dual are required and have to pass the required examinations. The period required will be about 2 years. This will cost about Six Thousand Rupees, depending again upon the ability, capacity and aptitude of the pilot. The trainee will have to undergo Air Legislation and Other Technical examinations.

Hours of training:—Flying training is imparted both in the mornings and evenings, by well qualified, able and experienced pilots and under proper authority.

Jakkur Aerodrome is situated only at a distance of 4 miles from the Bangalore City limits. City Bus services run from Majestic Circle to Yelahanka *via* this Aerodrome, for every 45 minutes. So there is no difficulty about transport. Trainees will have to make use of this City Bus service or make their own transport arrangements.

No Boarding and Lodging facilities are available at the Aerodrome. Trainees will have to make their own arrangements from Bangalore City.

Applications for admission can be had free from the Principal, Government Flying Training School, Jakkur Aerodrome, Yelahanka Post, Bangalore, on request.

It is notified for the information of the public that the undermentioned riding horses and ponies of the Composite Livestock Farm will be sold by public auction on Monday, the 9th November 1953, at 2 P.M. at the Veterinary Hospital, Civil Station, Bangalore, by the Director of Animal Husbandry Services or by any other Officer deputed by him for the purpose.

2. The sale will be knocked down in favour of the highest bidder, provided the officer conducting the sale does not consider it too low. As soon as the sale is conducted, the purchaser will have to deposit 25 per cent of the sale amount and pay the balance amount of the sale together with the sales tax by the close of the auction and take delivery of the animal. If the animals sold in the auction are not taken delivery at the close of the auction on payment, they will be sold by re-auction at the risk of the purchaser and any loss that may accrue on such re-sale will be recovered from the original purchaser, but he shall not be entitled to participate in the event of any profit that may accrue by the re-auction and the amount deposited by the original purchaser will be forfeited to Government.

3. The animals may be inspected on any day before the auction at the Stud Farm, Hesserghatta (Composite Livestock Farm and Research Station) and at the Veterinary Hospital, Civil Station, Bangalore, a day previous to the sale.

4. Persons whose solvency is considered doubtful by the officer conducting the sale, such officer is empowered to demand a deposit of Rs. 50 from the bidders so as to ensure their *bona fides* at the time of bidding and this amount will be refunded after the completion of the transactions or will be adjusted as the case may be towards the amount due, while closing the accounts finally.

5. Withdrawal of bid or lodging complaints or protests of any kind will not be entertained when the bid is offered in the open auction.

6. The decision of the Director of Animal Husbandry Services in Mysore, Bangalore, is final in all matters of disputes and binding on all bidders.

For further particulars regarding the animals notified here for auction apply to the Superintendent, Composite Livestock Farm and Research Station, Hesserghatta.

Dated 6th October 1953.

To

M/s. Sri Swami Vivekananda Slate Works,
Chittoor (P.O. & Dt.)

Gentlemen,

Local Indent No. 13089.

Your quotation dated 24th June 1953 and subsequent letter dated 19th September 1953, for Slates required for Poor Boys in Primary Schools during 1953-54.

No. S.P.C. 35345. With reference to your above quotation, I write to request you to be so good as to enter order for the Slates described in the undermentioned schedule at the price specified therein and arrange to make supplies on indents from such of the Educational Officers as may require the material and in such quantities as may be required by them from time to time, all indents being complied with within a fortnight from the date of receipt.

The quantity given in the schedule is only approximate and not guaranteed and the quantity to be purchased may be more or less. The contract will be deemed to be limited to the quantities to be actually drawn by the Department.

This contract will be in force for a period of one year from this date and the materials will have to be supplied throughout the said period at the price accepted herein and no enhancement of the said price for whatsoever reasons can be granted.

The Slates should be carefully and securely packed to avoid breakages and damages in transit. The broken ones should be replaced by good ones.

Please note that the materials to be supplied should strictly conform to the samples submitted by you and accepted by us, and to the specifications given in the schedule, failing which they will be rejected. All rejected supplies should be replaced by correct materials within a week from the date of rejection. Failure to make supplies in time and in accordance with the quality ordered will entail cancellation of the contract and purchase being made from other sources debiting the extra cost, if any, incurred by Government, to you. In such an event, the Stores Purchase Committee also reserve the right to levy a penalty as and by way of liquidated damages of 3 per cent of the value of the order.

Twenty-four sample Slates exactly similar to the approved sample should be sent to us for being sealed and sent to the Indenting Officers for comparison while accepting supplies. Every consignment of Slates despatched to each Indenting Officer should contain a Slate, approved by this office.

The bills of cost should be sent in triplicate to the Indenting Officers who will arrange payment.

Please acknowledge receipt of this communication. The above Indent Number should be quoted in all correspondence relating to this order.

Schedule of order placed with M/s. Sri Swami Vivekananda Slate Works, Chittoor (P.O. & Dt.).

	Approximate quantity.
1 Slates suitable for school children, rectangular shape 8" x 10" with Silver Wood Clutch Frame, corners round and firmly nailed with letters D.P.I. engraved on the wooden frame. ...	Rs. 57-8-0 per gross. (Rupees fifty-seven and anna eight only) f.o.r. any Railway Station in the State. The above rate is inclusive of sales-tax.

(P. N. No. 82—9-10-53).

Press Note.

Certain people dissatisfied with the decision of Government to allow the Harijans also to participate in the wrestling before the Palace during the Dasara, resorted to hooliganism by forcing shopkeepers on Sayyaji Rao road to

close their shops at about midday yesterday. This incident culminated in the assault on Sri S. Channiah, President of the Mysore City Congress Committee and one or two others. Serious consequences were averted by prompt intervention of the police. Taking note of the tension that was prevailing, Government decided that there would be no wrestling in front of the Palace yesterday evening. The decision was communicated by the District Magistrate to the crowd which had gathered near the Northern Gate. Information was also sent simultaneously to be communicated to the crowd that assembled at other places. The position was also explained to the Yajamans of Kannegowdan Koppal who were mainly concerned about the issue. They understood the position and began to disperse peacefully. Information was just then received that a small group of Harijan wrestlers and others numbering about a hundred or so had come about a hundred yards away from the Southern Gate of the Palace. The District Magistrate and the other officers who were at the Northern gate rushed to the spot to prevent any situation developing. The decision of the Government was communicated to the crowd and the Harijan group at the Southern Gate also. The crowd did not disperse, but started demonstrating against the Harijans and began to encircle the Harijans with a view to attack them. As the number of people that assembled was quite large and Harijans were very few in number, the District Magistrate took steps to protect the Harijans by putting them into Police vans for protection. The crowd began to pelt stones and missiles both at the police and the van. More than fifteen persons comprising of officers and police received injuries. The Harijans that were not yet got into the van were also belaboured by the crowd. The warning administered to the crowd to disperse peacefully was of no avail. Lathi charge was ordered and it had no effect. The crowd violently attacked even the van in which Harijans were given protection and tried to prevent them from being extricated from the place. The vans however moved off and at that stage the crowd that was infuriated started rushing towards the Southern Gate of the Palace where the police had taken position. Repeated warnings given to them that firing will be resorted to were not of any avail. The authorities in charge of the situation were forced very reluctantly to order opening of fire. The firing was stopped when the crowd showed signs of dispersing. In all ten rounds were fired. Two persons died on the spot as result of firing. Five more were admitted to the Hospital for bullet injuries out of whom three were seriously wounded. Two out of them subsequently died in the Hospital. The situation came under control immediately. Precautionary measures were however continued throughout the night to prevent untoward incidents.

Early this morning a ragi stack belonging to a resident of Kannegowdan Koppal was set on fire. Necessary steps were taken to quench the fire. Armed police were immediately posted both at Kannegowdan Koppal and Harijan Colony and surrounding areas to avoid repetition of any trouble. Patrols were also arranged. The leaders of Kannegowdan Koppal and also Harijans were contacted by the Inspector-General of Police, District Magistrate and other senior officers. The leaders were duly warned and advised. Strong police pickets have been posted and reinforcements from Bangalore have also been obtained. An order by the District Magistrate under Section 144 has also been promulgated prohibiting assemblage of persons and holding of meetings in Kannegowdan Koppal and Adikarnatakapuram and surrounding areas. The situation is well under control. The Goverament have also decided that there shall be no wrestling before the Palace even to-day and are watching the situation.

PUBLIC ADVERTISEMENTS

OFFICE OF THE PRINCIPAL INFORMATION OFFICER TO THE GOVERNMENT OF MYSORE, OLD PUBLIC OFFICES, BANGALORE.

Press Note.

As a result of negotiations with the Government of India, it has now been possible to secure a supply of 20,000 tons of imported wheat at the concessional rate of Rs. 14 per maund subject to the following conditions :—

(1) This wheat should be sold in scarcity areas at Rs. 14 per maund retail.

(2) This concession should be restricted to poorer classes of population in affected areas.

(3) All incidental charges should be borne by the Mysore Government.

(4) This quantity of wheat cannot be utilised for conversion into flour.

The Director of Food Supplies is arranging for the issue of wheat to the extent of 20,000 tons in accordance with the conditions agreed to above, in the affected areas of the State.

At the reduced rate at which wheat will be supplied by the Government of India, subject to the conditions stipulated for issue, the retail issue price will work out to Re. 0—6—2 per seer or roughly 2½ seers per rupee.

It is hoped that the poorer classes of the population in the affected areas will take full advantage of the reduced prices and draw wheat to the maximum extent required.

HASSAN FOREST DIVISION.

Detailed Notification dated 4th October 1953.

It is hereby notified for general information that the right of collecting grazing fees on cattle passing through Maranahalli and Bisle Toll-gate during 1953-54 (up to 31st March 1954) and also on cattle moving through Bisle and Kulagunda for the ensuing Subramanya Jatra through Kemphole and Bisale State Forest between October and December 1953, will be sold by public auction on 22nd October 1953 at 2 P.M. by the District Forest Officer, Hassan or any other officer deputed by him at the Travellers' Bungalow, Saklespur, subject to the following conditions :—

(1) Each bidder should deposit Rs. 50 (Rupees fifty) as earnest money with the sale conducting officer before he is permitted to bid which in the case of unsuccessful bidders, will be returned to them.

(2) The highest bidder should pay one-fourth of the sale purchase money at the close of the sale, less the initial deposit amount together with the Local, Special, Health and Education cesses and sales-tax at Re. 0-4-0 in all per rupee, on the entire sale amount, failing which the right will be resold forthwith at his risk forfeiting the amount already deposited.

(3) The balance of the sale amount should be paid within ten days from the date of sale, failing which the right will be re-sold at his risk but he shall not participate in any profit that may accrue. The deficit, if any, shall be recovered from him as a revenue demand.

(4) The District Forest Officer reserves to himself the power to accept or reject the highest or any other bid without assigning any reason for the same.

(5) The right-holders shall collect the grazing fees at the sanctioned rates as noted below for every head of cattle that passes out the Maranahalli and Bisle Toll-gates. Buffaloes—one anna per head, cows and bullocks—six pies per head, horses—one anna per head, sheep—three pies per head, calves—six months and under, are exempted from fee.

(6) The right-holder should make his own arrangements to get these tickets of one anna and six pies face value printed as per sample form noted below, and stock sufficient supply of these tickets ready at both the stations. He should further make his own arrangements for any temporary sheds that may be required for the use of his men.

(7) The right-holder shall, by himself or his agent, not levy, under any circumstances, rates other than those stipulated already. Any irregularity or complaint coming to notice shall render him liable to criminal prosecution besides forfeiting his contract forthwith.

(8) It will be the bounden duty of all cattle owners who move their cattle through the above toll-gates to obtain tickets before allowing their cattle to pass through, failing which they will be liable to criminal prosecution under the Forest Act or any other law in force.

N.B.—Government Officers moving on duty are exempted from this levy.

(9) The right-holder shall be bound to render satisfactory accounts to the Range Officer, Manjarabad, and to present his books and tickets for examination by any Government Officer whenever he is called upon to do so.

(10) The right-holder shall execute a bond on a duly stamped paper to abide by the foregoing conditions and deposit Rs. 50 in the Government Savings Bank as security.

(11) The District Forest Officer reserves the right of forfeiting the security amount either in whole or in parts for the breach of any of the foregoing conditions and his decisions will be final.

2 The prescribed tender forms can be had at the Office of the Executive Engineer, Buildings Division, Mysore on payment of rupee one per form. Tenders submitted in forms other than the printed forms will be rejected.

3 Each tender must be accompanied by a duplicate treasury chellan for having credited the amount of Rs. 450 (rupees four hundred and fifty only) as earnest money under "Revenue Deposits" and Savings Bank Pass Books or any other adjustment of amount due by Government to the tenderer will not be considered and be superscribed as "Quotation for the construction of a building for running a canteen in the compound of "Silpi Nilaya" (Office of the Superintending Engineer, Cauvery Circle, Mysore).

4 Specific rates should be quoted for each individual item of work which should be inclusive of all taxes prevailing in the area, and the tendered rates should be in words also. Tenders offering percentage reduction or increase will be rejected.

5 For lumpsum provision for non-tendered items, the rates will be paid as per minimum current schedule or as per data with not more than 10 per cent for contractor's profit.

6 The final acceptance of the quotation will rest with the Superintending Engineer, Cauvery Circle, Mysore who does not bind himself to accept the lowest or any quotation or to assign any reason whatever for the rejection if any.

7 The successful tenderer should bind himself to abide by the departmental rules in force and execute necessary contract agreement within a fortnight from the date of communication of approval to his quotation, failing which the earnest money will be forfeited to Government.

8 The earnest money of the rejected tenders will be refunded on application only after the receipt of the approval to the successful tenderer is received.

9 All over-writing and corrections while submitting the tenders should be attested to by the tenderers.

10 The quantities given in the estimate are only approximate and drawings shown to the contractor are only tentative and are liable to alterations, omissions, deductions or any additions at the discretion of the Executive Engineer, Buildings Division, or any higher authority. The quotation rates will hold good for any quantity whether higher or lower than those given in the estimate.

11 The contract should not be sublet.

12 In case of any accident to the labour employed by the contractor during the course of construction, the contractor should pay the compensation to the injured as per rules of Government in force, failing which the amount will be deducted out of his claims and paid to the injured.

13 In case the work is not completed in time, penal clause of agreement for the short progress will be enforced.

14 Tenders received after the date and hour mentioned above will be rejected.

15 The name of the successful competitor, whose tender has been accepted will be pasted on the notice board in the Office of the Executive Engineer in due course. No enquiry regarding the acceptance or rejection of a quotation will receive any reply.

16 Rates once tendered will not be enhanced on any account.

17 In all matters not specifically provided and in all matters of dispute about rates, quantities, measurements, quality of work, etc., and in all disputes of any kind, the decision of the Executive Engineer will be final and legally binding.

18 The Income-tax clearance certificate to be enclosed along with the quotation, and quotations received without the certificate are liable to be rejected.

19 Detailed estimates, plans and specifications may be seen in person by the tendering contractors at the office of the undersigned between 11 A.M. and 5 P.M.

11 If the work is not completed and handed over within the specified time, any action suitable will be taken on the defaulting contractor in addition to levy of a fine of Rs. 50 per day after the specified date.

12 The contractor has to make his own arrangements for the transportation of materials and supply of water for construction.

13 All matters of disputes about rates, measurements, quality of work, etc., and in all other disputes of any kind, the decision of the Executive Engineer, Krishnarajasagara Division, Krishnarajasagara will be final.

14 The submission of a tender by a contractor implies that he has read this notice and the conditions of the contract and has made himself aware of the scope and specifications of the work.

15 The quantities noted in the abstract are approximate and are subject to variation during execution. The tendered rates will hold good for any quantity whether higher or lower than those given in the estimate. The rates quoted should hold good till the work is completed.

16 The income-tax clearance certificate is to be enclosed along with the tender or furnished before the execution of the agreement at the latest, failing which, the tender or contract will be cancelled and tender deposit forfeited to Government.

17 Tendered contractors should pay compensation to the disabled workmen working under them for any injury or death caused or occurred during the execution of this work failing which, this amount will be deducted from the bills and paid to the injured or to the legal heirs of the deceased.

18 There should be no erasures in the tenders in the rates of items and any corrections made in the rates should be attested to.

19 No conditional clause will be accepted.

20 No claim of damages for delays caused by officers of Department in the execution of works will be considered whatever may be the reasons for such delays.

21 The term "Specification" mentioned either in the schedule or in the estimate in the notified items would mean "Specific" items of work to be done according to the instructions of the Public Works Department with reference to design, calculations, etc., furnished during execution and no higher rates than the tendered ones will be paid on any account.

OFFICE OF THE DIRECTOR OF ANIMAL HUSBANDRY SERVICES IN MYSORE, BANGALORE.

Notification dated 26th September 1953.

It has come to the notice of the undersigned that some of the candidates who were deputed by this department to several Veterinary Colleges in India for studies as State Stipendiaries have neither reported themselves to this office after successfully completing their studies nor have they submitted their applications for getting their names enlisted in the Office of the Public Service Commission in Mysore, Bangalore, for appointment in this department. It is also learnt that some of the State Stipendiaries have accepted appointments outside the State without the knowledge and permission of this department. This attitude on their part is highly objectionable and contrary to the terms of the agreement bonds executed by them which binds them to serve the department for a period of at least 5 years.

They are therefore hereby informed that they should report themselves to this office forthwith, intimate their correct present addresses and those of their sureties and submit their applications to the Secretary, Public Service Commission, Bangalore, in response to notification calling for applications for the posts of Veterinary Inspectors in this department published by him in the *Mysore Gazette* from time to time. They are further informed that failure on their part to abide by the above instructions will necessitate this office to taken such action as may be necessary for the recovery of amounts spent on their education, besides their losing their chances for being appointed in this department.

OFFICE OF THE PRINCIPAL, GOVERNMENT FLYING TRAINING SCHOOL, BANGALORE.

ANNEXURE.

Applications are invited from qualified young men for admission into the Flying Course at the Government Flying Training School, Jakkur Aerodrome, Bangalore.

Qualifications :—The trainees should have passed the S.S.L.C. or Matriculation Examination and must possess a good knowledge of English.

Age :—Students should be below 28 years of age. If the students are below 28 years of age they will be entitled to a concession in the flying fees. If they are more than 28 years of age, they will still be admitted but they will not be entitled to the concession in flying fee that is given by the Government of India to those who are below 28 years.

Medical Certificate and Physical fitness :—Students should possess good physique and eye sight and should produce a Medical certificate from an approved Doctor.

Initial deposit :—A sum of Rs. 600 should be deposited initially. This amount will be adjusted towards admission fee during the first month and towards his flying fees and membership fees subsequently. The membership fees is Rs. 5 a month. The flying fees are Rs. 25 per hour for Tiger Moth aircraft and Rs. 20 per hour for Aeronca Aircraft. Trainees can qualify themselves for the 'A' Licence standard, *i.e.*, (Preliminary) or the 'B' Licence standard (Advanced).

'A' Licence :—The 'A' Licence standard is taken up by most people as a hobby. But young men of the Colleges and members of National Cadet Corps have a definite advantage if they choose to join the Indian Air Force of the Indian Defence Services. They will be shown a concession in the age if they want to appear for the commissioned ranks in the I.A.F. It is therefore very advantageous to college students and candidates of the N.C.C.

For the 'A' Licence Course a trainee has to put in approximately 20 hours of Dual Instruction and 5 hours of Solo, and pass the flying tests as well as written examination conducted by the Director-General of Civil Aviation, New Delhi. This examination is held in Bangalore. The period required for obtaining the 'A' Licence is 3 months, depending upon the ability, capacity and aptitude of the trainee. This period could be even reduced to six weeks as there are instances in which trainees have finished their flying course and Test in six weeks. But the written examination is held once in 3 months—in December, March, June and September of each year. The students should pass the written examination in Indian Aircraft Act and Rules. It consists only of one paper and a candidate will be declared to have passed the examination if he obtains not less than 75 per cent. The cost of 'A' licence course will be about Rs. 600 for students residing in Bangalore, and a little more for those who come from outside, depending upon the aptitude of each trainee. It may be even less or more.

'B' Licence Course :—'B' Licence course can be taken up after obtaining 'A' Licence, by those who want to become professional pilots. For this at least 200 hours of Solo and 50 hours of Dual are required and have to pass the required examinations. The period required will be about 2 years. This will cost about Six Thousand Rupees, depending again upon the ability, capacity and aptitude of the pilot. The trainee will have to undergo Air Legislation and Other Technical examinations.

Hours of training :—Flying training is imparted both in the mornings and evenings, by well qualified, able and experienced pilots and under proper authority.

Jakkur Aerodrome is situated only at a distance of 4 miles from the Bangalore City limits. City Bus services run from Majestic Circle to Yelahanka *via* this Aerodrome, for every 45 minutes. So there is no difficulty about transport. Trainees will have to make use of this City Bus service or make their own transport arrangements.

No Boarding and Lodging facilities are available at the Aerodrome. Trainees will have to make their own arrangements from Bangalore City.

Applications for admission can be had free from the Principal, Government Flying Training School, Jakkur Aerodrome, Yelahanka Post, Bangalore, on request.

K. N. SURYANARAYANA SASTRY,
Executive Engineer.

5132

MANDYA DIVISION.

Notification dated 26th September 1953.

Sealed tenders will be received in the Office of the Executive Engineer, Mandya Division, Mandya, up to 4 P.M. on 26th October 1953, for the following work :—

Subject	Estimate Rs.	Earnest money Rs.
Improvements to Water Supply, Mandya Town. Constructing an R.C.C. Tank 200,000 gls. capacity on 50' Staging.	77,000	3,750

Each tender must be accompanied with a duplicate chellan for having deposited the earnest money noted above into the Treasury to the credit of Revenue Deposits by Public Works Department in default of which the tenders will be rejected. Tenders must be submitted in the prescribed form obtainable in this office on payment of annas four per copy.

The quantities noted in the abstract are approximate subject to variation during execution and the detailed estimate, plan and detailed tender form can be seen in the office during working hours.

The tenderer should quote specific rates for each item of work both in words and figures. The rates quoted should hold good till the work is completed. It should be inclusive of all taxes such as the Sales-tax, etc., payable as per rules or other taxes that are leviable from time to time.

In case of any accident to the labour employed the accepted tenderer should pay compensation to the injured as per rules, failing which, the amount will be deducted out of his claims and paid to the injured.

For items of works not provided for in the estimate at the time of tender, minimum current schedule of rates will be paid for such items. For other items rates as per data got up based on the minimum current schedule will be allowed.

The work should be taken up within a week from the date of acceptance of tender duly executing the agreement and should be completed within one year with uniform progress every month. In case the work is not completed in time, penal clause of the agreement for the short progress will be enforced.

Final acceptance of the tender rests with the Superintending Engineer who will not bind himself to accept the lowest or to furnish any reasons thereto.

The income-tax clearance certificate is to be enclosed along with the tender and tenders received without the certificate are liable to be rejected.

4616 L. C. KESHAVA RAO, *Ex. Engr.*

DAVANGERE DIVISION, DAVANGERE.

Brief Notification dated 22nd September 1953.

Sealed tenders will be received at the Office of the Executive Engineer, Davangere Division, Davangere, up to 4 P.M. on 10th November 1953, for construction of a Primary School Building at Malebennur in Harihar Taluk.

Each tender must be accompanied by a treasury chellan for Rs. 700 (Rupees seven hundred only) credited to the Treasury under "Revenue Deposits" in cash as earnest money. The earnest money of the successful contractor will be retained as security for the fulfilment of the contract.

The work must be completed by the end of eight months after the acceptance of the tender and the monthly progress should not be less than Rs. 2,000. Whenever stipulated progress is not achieved or work is stopped without proper grounds, penalty at 2 1/2 per cent per month of the cost of the works remaining to be done will be levied on the contractor. In the event of failure to fulfil the contract fixing up a fresh agency by cancelling the defaulter is left to the discretion of the Executive Engineer, Davangere Division, Davangere. Intending contractors wishing to quote should obtain details as to the terms of the quotation, etc., from the Office of the Executive Engineer, Davangere Division, Davangere and copies of contract schedules and quantities may be seen at any time on all working days between 11 A.M. and 5 P.M. (on Saturdays from 8 A.M. to 12 NOON). Forms may be had on payment of annas four per form.

Specific rates should be given for each item in the Schedule accompanying the tender and the rates should be in rupees, annas and pies and expressed in words and figures. Tenders offering percentage reduction or excess on the estimated amount will be rejected.

The rates quoted, work conditions "Subject to fluctuations" will not be accepted. The agreement should be executed before starting the work after issue of the order. The final acceptance of the tender will rest with the Executive Engineer or the Government who does not bind to accept the lowest or any tender or to assign any reason whatsoever for the rejection if any. The income-tax clearance certificate issued by competent authority should be attached to the tenders.

Notification dated 6th October 1953.

Conditions of Tender for the supply of Hill Grass Hay for the period from November 1953 to March 1954.

No. ROC 1866—53. The tenders will be received by the undersigned for the supply of Hill Grass Hay as mentioned in the schedule annexed.

2. The tenders should be prepared in the prescribed forms obtained from the undersigned on payment of Rs. 5-1-3 per set of 2 forms. Only one of the forms should be filled in, in legible writing and presented in a sealed cover addressed to the undersigned and superscribed 'Tender for the supply of Hill Grass Hay for 1953-54 season' so as to reach the undersigned not later than 3 P.M. on 30th October 1953. The other form also should be filled in the same way and retained by the Tenderer for his own reference and also to prevent its fraudulent use by some other person. The tenders will be opened at the Office of the Superintendent, Combined Sheep and Cattle Farm, Kurikuppi, Tornagallu P.O. at 3-30 P.M. on 30th October 1953.

3. The rates tendered should be in whole rupees only and must be expressed both in figures and in words. The rates should be for delivery at the Stores of the Combined Sheep and Cattle Farm, Kurikuppi, Tornagullu P.O. The rates should be exclusive of the seigniorage charges due to the Forest Department, which will be borne by this Department. The hay to be supplied should be dry and of current crop containing only edible fodder grass, good smelling, free from dirt, sticks, stones, spears of any other foreign matter undamaged by rain, subject to the approval and acceptance of the undersigned or any other officer authorised on his behalf.

4. The hay should be extracted only from the Block No. 9 of the Sandur Reserve Forest assigned to Combined

Sheep and Cattle Farm, Kurikuppi, subject to the rules and regulations imposed by this Department and the Forest Department. Necessary permits obtained from the Forest Department will be issued to the successful contractor by the undersigned and all the extracted grass should be supplied only to the Combined Sheep and Cattle Farm. Kurikuppi. The permits should be accounted for by the Contractor in prescribed forms.

5. Each tenderer should remit into the Reserve Bank of India or Imperial Bank of India or Government Treasury an earnest money of Rs. 500 in favour of the undersigned and the Bank or Treasury Receipt or chalan enclosed with the tender. No cash or cheque will be received. The tenders should be also accompanied by a Solvency Certificate obtained from the Revenue Authorities not below the rank of a Tahsildar and an Income-tax Clearance Certificate from the authorities concerned. The tenderers who are exempted from the production of the Income-Tax Clearance certificate should produce evidence in support of the fact that they come under the category which are eligible for exemption. If the certificates required cannot by any reason be produced in original, the Tenderers should furnish complete copies of the same duly certified by a Gazetted Officer along with the tenders. The tenders received without the earnest money deposit receipt or found defective in any respect will be rejected. The earnest money will be returned to the unsuccessful tenderers in due course.

6. The tenderers or their duly authorised Agents with a power of attorney obtained from the tenderers to act on their behalf should be present at the time of opening of tenders. The rates quoted by each tenderer will be announced and an auction, if considered necessary in the opinion of the undersigned will be simultaneously held along with the tenderers or their Agents present and the successful bidder at the auction will be given the contract.

7. The successful tenderer or bidder will be required after allotment of the contract, to furnish a cash security equal to 1/10 of the total value of the quantities mentioned in the schedule calculated at the rates accepted and also to sign an agreement in the prescribed form, a draft of which may be seen at the Office of the Superintendent, Combined Sheep and Cattle Farm, Kurikuppi, Tornagallu P.O. Tenderers should clearly understand that no variation of the terms and conditions contained therein will be made under any circumstances and that the tender is an admission that they have read and understood the terms and conditions therein contained and that the tender is expressly made subject to same. The amount should be deposited by the Contractor in the Post Office Savings Bank as security deposit and the Savings Bank Pass Book pledged with the undersigned, within 7 days of the receipt of the allotment of the contract.

8. If any tenderer or bidder refused to take up the contract when called upon to do so within the period stipulated by the Superintendent, the earnest money deposit will be forfeited to the Government. It shall not be open for a tenderer to withdraw his tender at any stage.

9. The supply of the quantities specified in the schedule should be strictly adhered to.

10. The contract must not be sublet without previous permission of the undersigned.

11. The undersigned reserves to himself the right of rejecting any or all of the tenders without assigning any reasons therefor.

12. The contractor should abide by any rule or rules that are imposed on him from time to time during the period for effecting proper supplies to the Farm.

PUBLIC ADVERTISEMENTS

OFFICE OF THE PRINCIPAL INFORMATION OFFICER TO THE GOVERNMENT OF MYSORE, OLD PUBLIC OFFICES, BANGALORE.

PRESS NOTE.

It has been a long practice to hold wrestling bouts before the Palace during Dasara Festivities. In these bouts Harijans were not given opportunities to participate by reason of caste prejudices of a few people who were participating in the wrestling bouts. These few people developed a psychology that the wrestling bouts were their exclusive privilege. Attempts were being made from time to time, for the last several years to persuade these people not to claim exclusive privileges.

The life-long labours of Mahatma Gandhi in the cause of Harijans culminated in the special provisions being incorporated in the Constitution by which "untouchability is abolished and its practice in any form is forbidden. The enforcement of any disability arising out of untouchability shall be an offence punishable in accordance with law." The citizens of India who have accepted the moral leadership of Mahatma Gandhi as well as the legal duties under the Constitution are bound to accord equal rights to Harijans and do away with all semblance of untouchability. It must be noted that during and since the time of Sri Sri Krishnaraja Wadeyar Bahadur of revered memory it has been the practice to allow freely Harijans to the Palace along with all others and they have used this privilege to offer their Nazar and regards to the Throne and Person of the Maharaja of Mysore.

It is also gratifying to state that the Harijans in Mysore have been trained in their Akhadas by non-Harijan Pahlwans and the practice of participation of Harijans and non-Harijans in a common Akhada has been in vogue for some years in the Mysore Exhibition Grounds.

Last year, earnest and serious attempts were made to allow Harijans to participate in the wrestling bouts before the Palace on the principle of equal treatment being accorded to every citizen in the country. It was represented to Government that some more time might be given to wrestlers to adjust themselves to the new set up. Government was assured by some leading persons that by next year matters would be smoothened so as to make it possible for Harijans also to participate in the wrestling bouts on a footing of equality.

It was the responsibily of the Government to implement the constitutional provisions. Government could not longer postpone the claims of the Harijans. On the recommendations of the Rajasabha Committee, Government decided that this year at least wrestling bouts must be conducted on principles to which morally and constitutionally every one was committed.

Unfortnately, a few people who were participating in the wrestling bouts before the Palace claimed exclusive rights and did not agree to Harijans being allowed to participate in wrestling. On the first day of Dasara Festivities, *viz.*, 8th October 1953, some people resorted to acts of hooliganism and violence which ultimately resulted in fire being opened by the police. Further details of these incidents have been elucidated in the Press Note dated 9th October 1953. However, wrestling bouts before the Palace were suspended for the day.

Earnest attempts are since being made to bring about harmony and understanding between the contending parties. Considerable progress has been made but the principle contention of a common platform (*Akhada*) has remained unsolved.

His Highness the Rajapramukh of Mysore expressed that under the circumstances, it would be better to stop the wrestling bouts and the Vijaya Dasami Procession during the present festivities. The Chief Minister, after his return from Delhi, had discussions with His Highness as well as with the representative public men in the matter. Government, after a careful review of the entire situation, have decided to respect the wishes of His Highness and have accordingly agreed to the suspension of the wrestling bouts as well as the Vijaya Dasami Procession.

Government still hope that earnest attempts to bring about understanding and harmony among the contending parties will be pursued and earnestly appeal to the participants in the wrestling bouts not to press for exclusive rights but to accord equal and fraternal treatment to all.

Press Note.

Changes in the Treasury arrangements in Mysore City and Mandya and Shimoga Towns consequent on the appointment of the Bank of Mysore as the Agent of the Reserve Bank in Mysore State.

It is hereby notified for general information that, from 1st November 1953 the cash work of Treasuries functioning in Mysore City and Mandya and Shimoga Towns will be taken over by the local Branches of the Bank of Mysore as the agent of the Reserve Bank. The Treasury procedure to be followed in those places on and after 1st November 1953 will be as under:—

(*a*) Persons having to pay money on Government account to the District Treasury will hand over the chalan at the District Treasury in the usual way and obtain a direction of the District Treasury Officer thereon to the Bank to receive the money. They will then proceed to the Bank, pay the money and obtain the Bank's acknowledgment. The transaction is completed. Those having to draw money from the District Treasury will likewise obtain an authorisation of the District Treasury Officer on the bill or cheque and receive payment at the Bank.

(*b*) In a number of cases, however, the public having to pay or draw money need not obtain the authorisation of the District Treasury Officer, and may complete their transactions at the Bank direct. The following are the cases of the kind:—

Payments into the Bank.—Remittances of Sales-Tax, Forest, Revenue, Civil and Criminal Court Deposits, Income-tax, Union Excise Duties, amounts due to the Government Insurance Department, Vehicle Taxes and Fees payable under the Motor Vehicles Act, and other amounts on chalans scrutinised by the Departmental Officers or on special chalan forms prescribed for the purpose.

Drawals from the Bank.—All kinds of cheques drawn by the Government Officers and payable at those places, Refund Orders of the Income-tax Department, Refund Orders of the Union Excise Department and cheques of the Government Insurance Department.

Note.—1. Collections of Land and Excise Revenue, repayments of land improvement and Takavi loans, receipts and payments of Revenue Deposits, Muzrai Funds, Village Panchayet Funds, General Stamp refunds, etc., closely connected with the taluk accounts will be transacted at

the respective headquarters taluk treasury finally. The public need not go to the District Treasury or the Bank in such cases.

Note.—2. Savings Bank transactions, issue and re-payment of Treasury Savings Certificates and Fixed Deposits will be centralised and attended to at the District Treasury only from 1st November 1953. As such transactions will have to be registered at the treasury invariably arrangements have been made to receive or pay cash in these cases at the District Treasury itself. The public need not go to the Bank except at their option to finalise such transactions.

Note.—3. Motor Vehicle taxes and fees payable at the three places will be collected at the Bank itself from 1st November 1953. They will not be received either at the District or the Taluk Treasury. The amounts may be remitted to the Bank direct on challan forms in duplicate which will be supplied at the Bank. One copy of the challan duly receipted by the Bank for credit of the amounts should be presented along with the application forms and other relevant records to the authorities concerned for issue of licenses, etc.

Note.—4. On the first two days and the last day of each month pensions will be disbursed at the District Treasury itself. On other days payments must be received at the Bank on bills passed by the District Treasury Officer.

2. In the cases of transactions to be finalised at the Bank, whether previous authorisation of the District Treasury Officer is required or not, public do not have to wait at the District Treasury or the Bank longer than is absolutely necessary as the accounting work will be done afterwards and not before receipt or payment as at present. In case of documents which can be presented direct at the Bank, the transactions will be completed expeditiously as at any Bank.

3. Before payments are claimed at the Bank on Cheques, Refund Orders, etc., the payees should in order to avoid inconvenience to them at the Bank, get their signatures on the cheques, orders, etc., previously attested either by the cheque drawing officer or by any other Government Officer drawing bills or cheques on the District Treasury or the Bank. As the Bank has to satisfy itself as to the identity of the claimants before payment, strict adherence to the above instructions will save time and inconvenience to the payees.

4. Cheques drawn by the Government Officers on the Bank are negotiable.

Jola pests in Chitaldrug and Shimoga Districts. Timely action taken.

It was reported recently that the jola crop in Davangere, Harihar and Holalkere taluks in Chitaldrug District, and Channagiri and Honnali Taluks in Shimoga District was attacked by some pest causing serious damage. In this connection, the Joint Entomologist inspected the areas, intensively with local Assistant Directors and Range Inspectors, and found that the pest was the stem borer, which attacks both the young and older crops. In the younger crop—"Dodda-jola", the infected plants show a whitish tinge and holes on the blades at the top. In the older crop, the insect bores into the stalk of the earhead or the stem at different levels, resulting in reddish appearance on the sheaths covering the stem or the earhead. The insect is a borer and will not completely kill the grown-up plant.

In younger crops, the caterpillars are found in between the folded leaves and in the older crop, they are found inside the stem. The damage in the case of the younger crop will not be serious as only the blades are being holed. The insect can be controlled by dusting B.H.C. powder on the centre of the plants. The local agricultural staff has extensively toured in the areas, and arrangements have been made to supply B.H.C. Powder at a low cost of Re. 0-2-3 per lb. to the cultivators. Stocks of insecticides are maintained in interior places to make them readily available to the cultivators. Demonstrations are being conducted for educating the cultivators in dusting the powder.

In the older crop —"Kesari jola", the attack is seen on the stem and the earhead is slightly damaged on the side only, the rest of it being intact. Since the borer does not make a circular cut all round the stem, the sap is not completely cut off and so there is no fear of losing the earhead. The loss is only a fraction of the earhead. All the "Kesarijola" will soon be harvested.

As a slight attack by the webbing caterpiller—"Gudumaru" is observed in hardened earhead, the cultvators are advised to thresh the earheads very soon after harvest instead of allowing them in stacks, as otherwise this pest may multiply in the stacks and destroy the grains.

The crop is in general uniformly very good. The pest infection is only in the adjoining areas of the two Districts, and may be about five per cent, of which only a fraction of about 1 to 2 anna worth in a 16 anna earhead may be lost. The reduction in the total yield in the entire area may be about 1 to 2 per cent. The situation is not alarming. The Department has done everything possible under the circumstances and the position is well under control.

Notification dated 5th October 1953.

Regarding Kheddas 1953—Supply of Branch Fodder and Cheni to the Elephants.

It is notified for the information of the public that sealed and superscribed tenders for the supply of branch fodder and cheni for the use of the elephants—Kumkies, as well as the captives—during the time of Kheddas, 1953, will be received by the District Forest Officer, Mysore Division, Mysore or by any other officer authorised by him in his absence up to 3 P.M. on Monday, the 2nd November 1953 at the District Forest Office, Mysore Division, Mysore.

2 The earnest money deposit for the tender is Rs. 100 (one hundred) and should be accompanied by the tender in currency notes.

3 The tenderer should quote the rate for each item separately per ton delivery and Mastigudi in Kakankote Range of the Division.

4 In case the Departmental lorries are spared for transport of branch fodder and cheni, the rate at which cutting of branch fodder and cheni, loading into lorries at the spot and unloading at the elephant camp at Mastigudi has to be paid for per ton should also be specifically quoted.

5 The quantities of each kind to be supplied will be made known as and when required at the time of kheddas. The acceptance or otherwise of the rates so tendered rests with the Chief Conservator of Forests in Mysore, Bangalore who does not bind himself to give any reason whatsoever for his decision and his orders are indisputable.

6 The earnest money deposit of the unsuccessful tenderers will be returned after the receipt of final orders from the Chief Conservator of Forests in Mysore, Bangalore.

7 The successful tenderer should execute an agreement on a bond paper of proper value with a security deposit of Rs. 200 pledged in favour of the District Forest Officer, Mysore, before, he is allowed to work the bob.

8 If for any reasons, the contractor fails to supply the requisite quantity in time and at the place specified, the work will be got done departmentally, the loss sustained thereby will be made good by the tenderer and the same will be recovered as arrears of Land Revenue, besides forfeiting the security deposit furnished at the discretion of the District Forest Officer, Mysore.

9 For all disputes that may arise at the time of execution of the work, the decision of the Chief Conservator of Forests in Mysore, Bangalore, will be final and abiding.

10 The quantity of stuff to be supplied should be good and must be passed by the Veterinary Inspector in charge of the Departmental Elephants or any other officer deputed for the purpose and such of the quantities as are passed by him will be paid for at the rate sanctioned in his favour on bills presented by the successful tenderer and passed by the Veterinary Inspector or the other officer in charge of the said arrangement.

For other particulars, please contact the District Forest Officer, Mysore in person or by post enclosing necessary postal stamps to cover the postage.

4837

Notification.

Estimate Rs. 2,63,000
Earnest Money Rs. 5,000

Sealed tenders duly signed by the contractors will be received in the office of the Executive Engineer, Water Supply Division, Bangalore, up to 3 P.M. on 24th November 1953, for the following items of work :—

Extending Pump House at C. R. S.

1. The contractors having good experience in such works and large organisation shall quote for each individual items of work both in words and figures and the rates shall hold good till the works are completed. The rates quoted shall include provision for payments of Sales-tax, Royalty or any other tax due to Government. They should also include, lead, lift, scaffolding, rehandling, centering and uncentering, watering curing and tidying up. The department will arrange for supply of water near about the work spot at Government cost.

2. For lumpsum provisions or for non-tendered items, the rates will be as per current minimum schedule of rates prevailing in the Bangalore Division (Magadi Taluk), in the case of the schedule items. For other items the rates based on the data approved by the Department and arrived as per the above minimum current schedule of rates will be allowed.

3. No conditional clause will be accepted.

4. No cheques will be accepted for earnest money and no request for adjustment of amount due by the Government can be entertained.

5. Tenders should be accompanied by Treasury challan for having credited the earnest money of Rs. 5,000 under "*Revenue Deposits*" and the challan has to be got countersigned before being presented to the treasury for remittance. After entrusting the work to the successful tenderers the challan enclosed by the other tenderers will be returned to them duly endorsed for refund. Refunds can be had from the treasury where the amount was first deposited.

6. Plans can be seen in the office of the undersigned on all working days between 2 P.M. and 4 P.M.

7. Printed tender forms can be had in the office of the undersigned on payment of annas four per form. Tenders submitted in other than printed forms not issued by the office under the authority will be rejected.

8. The successful contractor shall bind himself to abide by the Departmental rules and specifications in force and shall execute the necessary agreements within seven days from the date of intimation of acceptance of his tender, failing which his tender will be cancelled unconditionally and his earnest money forfeited.

9. The final acceptance or disposal of the tender in full or in parts or in any manner, will vest with the Chief Engineer of Mysore, Public Works Department, Bangalore, who is not bound to accept the lowest or any tender or assign any reason thereof.

10. The cost of material supplied by the Department owing to non-availability in the market or for other reasons will be recovered from the Bills of the contractor at ledger or market rates, whichever is higher with usual centage.

11. Reserve and earnest money deposits will be repaid only at the settlement of final bill.

12. Tendered contractors will have to pay compensations as per Workmen's Compensation Act to the workmen under their employment injured, disabled or killed in or during the execution of work, failing which the amount will be deducted from their bills for payment to the injured or the legal heirs of the deceased.

13. The work should not be sublet to others.

14. Quantities given in the notification and schedule are approximate and are liable for alteration. No extra rate will be allowed for such alterations.

15. Tenders submitted on percentage basis will be rejected.

16. All stones required for the above work should be obtained from T. G. Hally quarries, of Gangappanahalli, Shanbhognahalli.

17. For all disputes in regard to this work either in respect of rate, quantities, design or execution process, etc., the decision of the Chief Engineer of Mysore, Bangalore, shall be legal and finally binding.

18. The contractor should bind himself for the good behaviour of his agents.

19. Plan and specification are subject to change and no extra claims, will be admitted on this account.

20. Income-tax clearance certificate granted by the Income-tax Department will have to accompany the tender.

21. All waste material and debris should be cleared immediately from the work spot at contractors cost and stacked at least 100 feet away from the outer edge and the work spot kept clean for further collection of material at contractors cost.

22. Monthly minimum progress of Rs. 30,000 will have to be guaranteed by each contractor. This amount of Rs. 30,000 is only the minimum and the actual quantity of the work done should be substantially more than Rs. 30,000 amount so that the entire construction of the Pump House is completed within one year from the date of acceptance of the tender.

23. Failure to fulfil the above condition would entail levy of penalty of Rs. 100 per day from the date of default. If the total of such fine exceeds Rs. 1,000 the contract will be cancelled and work executed by other agency the extra expenditure to the Department on this account being recovered from the defaulting contractor. The earnest money will also be forfeited.

24. If any defective work is executed not approved by the Department contract will be terminated immediately and the cost of rectification of the same will be recovered from the contractor.

25. Defective material collected by the contractor, pointed out by the Departmental officials should be cleared

at least 200 feet away from the work spot. Otherwise the same will be cleared by the Department and cost of doing so will be recovered from the contractor's bills.

KRISHNARAJASAGARA DIVISION.

Notification.

Sealed tenders will be received by the Executive Engineer, Krishnarajasagara Division, Krishnarajasagara up to 4 P.M. on 9th November 1953, for constructing a wing of three rooms to the Hydraulic Research Station, Krishnarajasagara.

The detailed estimate, plan and specification may be seen at the office of the Executive Engineer on all working days during working hours.

Name of work	Amount of estimate Rs.	Earnest money Rs.	Period for completion of work	Monthly progress Rs.
Construction of a wing of three rooms to the Hydraulic Research Station, Krishnarajasagara.	19,500	975	6 months	3,250

1 Each tender shall be accompanied by a challan for Rs. 975 as earnest money paid at any Government Treasury, Mysore, under "S" Remittances—Payments by P.W.D. Officers (Krishnarajasagara Division). No adjustment can be made from the pending bills or the deposits of other works towards the tender deposit of this work.

2 Tenders will not be accepted unless they are in the prescribed form which will be supplied on payment of Re. 0-4-0 each at the office of the Executive Engineer, Krishnarajasagara.

3 Only on acceptance of one of the tenders, the earnest money of the rejected tenders will be returned.

4 The tender need only mention the rates for each item of work of the abstract estimate both in words and in figures at which he is willing to undertake the work.

5 The sealed tenders received for the above work will be opened in the presence of such of those tenderers who will be present at that time.

6 The final acceptance of the tender will rest with the Government who are not bound to accept the lowest or any tender or to furnish any reason therefor.

7 The successful contractor should bind himself to abide by the departmental rules in force and execute the necessary mutchalika within a week of the receipt of intimation of the acceptance of his tender, failing which, his earnest money will be forfeited.

8 The rates quoted shall hold good if the tender is accepted within six months from the date of tender and shall be binding for the execution of the entire work.

9 The rates quoted shall include all taxes, royalties and tolls payable from time to time.

10 Items not provided for in the estimate will be paid for as per minimum schedule of rates or as per actual data worked out, with 10 per cent Contractor's profit if not provided for in the schedule of rates.

11 If the work is not completed and handed over within the specified time, any action suitable will be taken on the defaulting contractor in addition to levy of a fine of Rs. 50 per day after the specified date.

12 The contractor has to make his own arrangements for the transportation of materials and supply of water for construction.

13 All matters of disputes about rates, measurements, quality of work, etc., and in all other disputes of any kind, the decision of the Executive Engineer, Krishnarajasagara Division, Krishnarajasagara will be final.

14 The submission of a tender by a contractor implies that he has read this notice and the conditions of the contract and has made himself aware of the scope and specifications of the work.

15 The quantities noted in the abstract are approximate and are subject to variation during execution. The tendered rates will hold good for any quantity whether higher or lower than those given in the estimate. The rates quoted should hold good till the work is completed.

16 The income-tax clearance certificate is to be enclosed along with the tender or furnished before the execution of the agreement at the latest, failing which, the tender or contract will be cancelled and tender deposit forfeited to Government.

17 Tendered contractors should pay compensation to the disabled workmen working under them for any injury or death caused or occurred during the execution of this work failing which, this amount will be deducted from the bills and paid to the injured or to the legal heirs of the deceased.

18 There should be no erasures in the tenders in the rates of items and any corrections made in the rates should be attested to.

19 No conditional clause will be accepted.

20 No claim of damages for delays caused by officers of Department in the execution of works will be considered whatever may be the reasons for such delays.

21 The term "Specification" mentioned either in the schedule or in the estimate in the notified items would mean "Specific" items of work to be done according to the instructions of the Public Works Department with reference to design, calculations, etc., furnished during execution and no higher rates than the tendered ones will be paid on any account.

OFFICE OF THE EXECUTIVE ENGINEER, UPPER CAUVERY DIVISION, KRISHNARAJANAGAR.

Notification dated 14th October 1953.

The date of receipt of Tenders in this Office for constructing an R.C.C. Tank of 50,000 gallons capacity on 40 ft. staging in connection with the improvements to Water Supply to Holenarasipur Town, notified in 7th September 1953, *vide* page 1255 of Part VI of the *Mysore Gazette*, dated 24th September 1953, has been extended up to 4 P.M. on 13th November 1953.

5132

Notification dated 21st October 1953.

1 Sealed quotations duly signed by the contractors will be received in the Office of the Executive Engineer, Upper Cauvery Division, Krishnarajanagar, up to 4 P.M. on 23rd November 1953. (Estimate for the entire bridge sanctioned for Rs. 5·18 lakhs.)

2 For each item of work, individual rates may be quoted both in words and figures.

3 The quotations should be given separately for each pier and abutment. Pier numbers are received from the Mirle side, and as Pier No. 1, 2, etc. Abutment on Mirle side is left abutment and on the Chunchankatte side is the right abutment.

4 The piece worker may quote the rate for a single pier or any number of piers as he likes, but separately each pier and abutment.

5 Each quotation should accompany with the treasury chellan for having remitted the earnest money under Revenue Deposit at the rate of Rs. 300 for each pier and Rs. 900 for each abutment limited to a total of Rs. 5,000.

6 For lumpsum provision and for non-tendered items, the rates will be paid as per minimum current schedule in case of scheduled items. For other items rates based on the data got upon the minimum current schedule will be allowed.

7 Quotations may be given by the intending piece workers on blank paper.

8 The quotation without chellan for having remitted the required earnest money deposit will be rejected.

9 It should be clearly noted on the cover whether the chellan for having credited the earnest money deposit is enclosed, and number and date of the same also noted. If it is omitted, the cover will not be opened and rejected as it is.

10 The contractor should quote rates only for the units and nature of work specified in the form. If rates are quoted for alternative works instead of specified nature of work, such tender will be disqualified.

11 The final acceptance of the tenders rests with the Government which is not bound to accept the lowest or to furnish any reason therefor.

12 Estimates and plans will be available for reference in the office of the undersigned, and any other particulars required, on all the working days during office hours.

13 The successful tenderer should bind himself by the departmental rules in force and execute necessary agreement within a week of acceptance of the tender, failing which, the earnest money will be forfeited to Government.

OFFICE OF THE SECRETARY, STORES PURCHASE COMMITTEE, "UNITED INDIA" BUILDING, BANGALORE-2.

Dated 16th October 1953.

To

M/s. P. Orr & Sons, Ltd.,
Post Box No. 317, Madras-2.
Local Indent No. 13098.

Subject:—Your tender for the supply of Clocks and Time-pieces for the Mysore Government Departments during the period ending 31st October 1954.

Gentlemen,

No. S.P.C. 36402. I write to request you to be so good as to enter order for the materials described in the undermentioned schedule, at prices specified therein and arrange to make supplies on indents from such of the Departmental Officers as may require the materials and in such quantities as may be required by them, from time to time, all indents being complied with within a fortnight from the date of receipt.

This contract will be in force from 1st November 1953 to 31st October 1954 and the materials will have to be supplied throughout the said period at the prices accepted herein and no enhancement of the said prices for whatsoever reasons can be granted.

Please note that the materials to be supplied should strictly conform to the specifications given in the Schedule, failing which they will be rejected. All rejected supplies should be replaced by correct materials within a week from the date of rejection. Failure to make supplies in time and in accordance with the specifications will entail cancellation of the contract and purchases being made from other sources debiting the extra cost, if any, incurred by Government to you. In such an event, the Stores Purchase Committee also reserve the right to levy a penalty as and by way of liquidated damages of 3 per cent of the value of the order.

The bills of cost should be sent in duplicate to the Indenting Officers who will arrange payment.

The Clocks and Time-pieces to be supplied to the Director of Public Instruction in Mysore, should be inscribed with the letters "D.P.I.".

You are requested to execute an agreement on a ten-anna Mysore Government Stamp Paper binding yourself to execute the contract satisfactorily and also deposit Rs. 100 (Rupees One hundred only) as Security.

Monthly statements in the *pro forma* invoice, (specimen copy given below) for supplies made against the Indent, should be forwarded to this office in triplicate so as to reach this office latest by the 10th of every month.

Please acknowledge receipt of this order. The above Local Indent Number should be quoted in all correspondence relating to this order.

Yours faithfully,
I. P. MALLAPPA,

Sealed tenders from the contractors will be received at the Office of the Executive Engineer, Water Supply Division, Bangalore, upto 3 P.M. on 1st December 1953, for the work of Raising the existing dam at C. R. S. Water Works, Thippagondanahally. An earnest money of Rs. 5,000 should be paid into the Treasury under Revenue head and chellan should be enclosed thereto.

The Detailed estimate, plan, and calculations may be seen in the office between 11 A.M. and 5 P.M. on all working days.

5285

Notification.

Sealed tenders duly signed by the contractors will be received in the Office of the Executive Engineer, Water Supply Division, Bangalore up to 3 P.M. on 24th November 1953 for the following items of work.

1 The contractors having good experience in such works and large organisation shall quote for such individual items of work both in words and figures and the rates shall hold good till the works are completed. The rates quoted shall include provision for payments of sales-tax, royalty or any other tax due to Government. They should also include, lead, lift, scaffolding, rehandling, centering and uncentering, watering curing and tidying up. The department will arrange for supply of water near about the work spot at Government cost.

2 For lumpsum provisions or for non-tendered items, the rates will be as per current minimum schedule of rates prevailing in the Bangalore Division (Magadi Taluk), in the case of the schedule items. For other items the rates based on the date approved by the Department and arrived as per the above minimum current schedule of rates will be allowed.

3 No conditional clause will be accepted.

4 No cheques will be accepted for earnest money and no request for adjustment of amount due by the Government can be entertained.

5 Tenders should be accompanied by Treasury challan for having credited the earnest money of Rs. 5,000 under "*Revenue Deposits*" and the challan has to be got countersigned before being presented to the Treasury for remittance. After entrusting the work to the successful tenderers the challan enclosed by the other tenderers will be returned to them duly endorsed for refund. Refunds can be had from the treasury where the amount was first deposited.

6 Plans can be seen in the office of the undersigned on all working days between 2 P.M. and 4 P.M.

7 Printed tender forms can be had in the office of the undersigned on payment of annas four per form. Tenders submitted in other printed forms not issued by the office under the authority will be rejected.

8 The successful contractor shall bind himself to abide by the Departmental rules and specifications in force and shall execute the necessary agreements within seven days from the date of intimation of acceptance of his tender failing which his tender will be cancelled unconditionally and his earnest money forfeited.

9 The final acceptance or disposal of the tender in full or in parts or in any manner, will vest with the Chief Engineer of Mysore, Public Works Department, Bangalore, who is not bound to accept the lowest or any tender or assign any reason thereof.

10 The cost of material supplied by the Department owing to non-availability in the market or for other reasons will be recovered from the Bills of the contractor at ledger or market rates, whichever is higher with usual centage.

11 Reserve and earnest money deposits will be repaid only at the settlement of final bill.

12 Tendered contractors will have to pay compensations as per Workmen's Compensation Act to the workmen under their employment injured, disabled or killed in or

during the execution of work, failing which the amount will be deducted from their bills for payment to the injured or the legal heirs of the deceased.

13 The work should not be sublet to others.

14 Quantities given in the notification and schedule are approximate and are liable for alteration. No extra rate will be allowed for such alterations.

15 Tenders submitted on percentage basis will be rejected.

16 All stones required for the above work should be obtained from T. G. Hally Quarries of Gangappanahalli and Shanbhognahalli.

17 For all disputes in regard to this work either in respect of rate, quantities, design or execution process, etc., the decision of the Chief Engineer of Mysore, Bangalore, shall be legal and finally binding.

18 The contractor should bind himself for the good behaviour of his agents.

19 Plan and specification are subject to change and no extra claims will be admitted on this account.

20 Income-tax clearance certificate granted by the Income-tax Department will have to accompany the tender.

21 All waste material and debris should be cleared immediately from the work spot at contractors cost and stocked at least 100 feet away from the outer edge and the work spot kept clean for further collection of material at contractor's cost.

22 Monthly minimum progress of Rs. 30,000 will have to be guaranteed by each contractor. This amount of Rs. 30,000 is only the minimum and the actual quantity of the work done should be substantially more than Rs,30,000 amount so that the entire construction of the new fitter house is completed within one year from the date of acceptance of the tender.

23 Failure to fulfil the above condition would entail levy of penalty of Rs. 100 per day from the date of default. If the total of such fine exceeds Rs. 1,000 the contract will be cancelled and work executed by other agency, the extra expenditure to the Department on this account being recovered from the defaulting contractor. The earnest money will also be forfeited.

24 If any defective work is executed not approved by the Department, contract will be terminated immediately and the cost of rectification of the same will be recovered from the contractor.

25 Defective material collected by the contractor, pointed out by the Departmental officials should be cleared at least 200 feet away from the work spot. Otherwise the same will be cleared by the Department and cost of doing so will be recovered from the contractor's bills.

Chellan has to be got countersigned by the undersigned before being presented to the Treasury for remittance. After entrusting the work to the successful tenderer, the chellan enclosed by the other tenderers will be returned to them duly endorsed for refund. Refunds can be had from the Treasury where the amount was first deposited.

5. Only printed tender forms will be accepted (issued from the office of the Special Engineer, Vidhana Soudha Division under authority).

6. The successful contractor shall bind himself to abide by the departmental rules and specifications in force and shall execute the necessary agreement within seven days from the date of intimation of acceptance of his tender, failing which his tender will be cancelled unconditionally and his earnest money will be forfeited.

7. The final acceptance or disposal of the tenders in full or in part or in any manner they like, will vest with the Chief Engineer of Mysore, who is not bound to accept the lowest or any quotation or assign any reason thereof.

8. The contractors will have to make their own arrangements for transport of materials from quarries to work spot and repairs to quarry roads, etc.

9. Reserve and earnest money deposits will be repaid only at the settlement of final bill.

10. Tendered contractors will have to pay compensation as per Workmen's Compensation Act to workmen under their employment, injured, disabled or killed in or during the execution of work, failing which the amount will be deducted from the bills of payment to the injured or to the legal heirs of the deceased.

11. The work should not be sublet to others.

12. Quantities given in the notification and schedule are only approximate and are liable for alteration. No extra rate will be allowed for such alteration.

13. Tenders submitted on percentage basis will be rejected.

14. All stones and slabs should be collected from Mallasandra quarry or Hessarghatta quarry.

15. For all disputes in regard to this work either of rate, quantities, execution processes, etc., the decision of the Chief Engineer of Mysore, Bangalore, shall be legal and finally binding.

16. The contractor should bind himself for the good behaviour of his Agents.

17. Income-Tax clearance certificate granted by the Income-Tax Department will have to accompany the tender.

18. Measurements of materials and deductions for voids, etc, will be as per departmental rules in force.

19. Regarding stones and slabs, the specified measurements indicate actual sizes required for work, according to which measurements will be passed for purposes of preparing bills. The contractors should supply extra 1"—2" thick in all dimensions for dressing margin which will not be paid for.

20. Materials like casuarina poles, paddy grass, etc., will have to be got by the contractors at Government weighbridge and the weight slip will be the basis for preparation of Bills.

21. Materials measuring below minimum size in any direction will be rejected which the contractor should clear immediately at his cost.

22. Schedule of items and approximate quantities is noted below.

23. The rejected materials should be cleared by the contractor at his cost immediately, failing which the department will clear the same at the contractor's cost.

NATIONAL MALARIA CONTROL PROGRAMME IN MYSORE

It is well known that malaria is a disease of the tropica and sub-tropical countries of the world and it has been long recognised that among the many health problems that are needing solution in India, this is perhaps the biggest and the most important. In Mysore State too, the incidence of this disease has been very high. In six out of ten districts of Mysore, it has been found to be a problem needing intensive measures for its solution. The Government of Mysore have all along been anxious to do everything in their power to give the necessary relief to the suffering population living in these tracts. As early as 1911, they instituted an enquiry into the prevalence of this disease and were sanctioning grants for purposes of controlling this infection, but it was in 1929 that more modern measures were introduced, but even these were only partially successful and were unsuited for the rural areas. D.D.T. came into use during the last World War, but it became available in limited quantities for civilian use in 1948. The success obtained by a Pilot Scheme using this insecticide encouraged the Public Health Department to extend it on a large scale into the malnad and other malarial areas of the State.

Four out of the ten districts in the State are in the malnad areas and have a population of about three million and the other six are situated in the maidan areas and have a population of about seven million. It has been calculated that out of the three million people living in the malnad area prior to malaria control operations, about eight lakhs suffered annually from this disease. The maidan areas, however, were relatively free from this disease, but there are certain areas like the Visvesvaraya Canal area, the Vani Vilas Sagar area, etc., where, as a result of intensive irrigation, conditions have been artificially created for the spread of this dangerous disease. Indeed, the severity of the disease in these areas is, if anything, much greater than in the malnad where natural conditions have been responsible for its incidence. It has been estimated that in the pre-D.D.T. period in the maidan district about five lakhs of persons used to suffer annually from this disease.

The introduction of residual insecticides like D.D.T. and Gammaxene revolutionised the method of attack on malaria. A scheme of Health Units for the malnad was drawn up and this started working by the end of 1948 and very soon 1·2 million people were given protection. The results of the spraying were almost spectacular in nature; within a few weeks after the first spraying was over, there was a remarkable reduction in the incidence of malaria. The splenic indices which varied from 80 to 90 per cent have, during these four years, been brought down to 4 to 5 per cent. The maternal death rate which used to be as high as 50 to 60 per thousand births has now come down to 14 or 15 and is continuing to go down. D.D.T. spraying operations which were extended to the hyper-endemic malaria areas in the maidan district yielded equally spectacular results. But finance has stood in the way of extending the control operations to a number of pockets in the maidan in the semi-malnad areas where also this disease is a health hazard.

The National Malaria Control Programme launched by Government of India has now supplemented the efforts the Mysore Government in extending the Control programme to every place in the State where it is a hazard. This scheme is to be inaugurated all over the State on the 4th of November 1953. Meetings will be held in connection with the inauguration of the Scheme. The public are requested to co-operate and attend the meetings in large number.—Five National Malaria Control Units have been allotted for the Mysore State.

The target now is to spray about a million homes in the State once or twice every year according to the requirements and to protect five million people from the ravages of this disease as against 1·2 million that were till now receiving protection. Each Unit has a Medical Officer and adequate subordinate staff and vehicles for transporting men, material and equipment. The method of operation will be to spray each house with D.D.T. This spraying will be started and completed before the transmission of the disease commences. This means that the operation will have to be conducted according to specific time-table, and it is, therefore, necessary that the co-operation of every family is forthcoming in order to assist the spraying teams to keep to the schedule. It will be necessary, perhaps, that people in the affected areas may have to put up with slight inconveniences in order to see that their houses are kept open at the time of the visit of the Spraying Squads. The smell of the insecticides may also prove a little disagreeable for a few hours. Some small stains may be left on distempered walls and furniture, but all these are very minor and negligible discomforts when compared to the relief that the people will get from this dreadful disease, which has been responsible for so much of suffering and loss of life during all these years.

D.D.T. spraying, besides controlling malaria, incidentally removes another scourge, *viz.*, plague which has also been responsibe for the loss of millions of lives in this country during the last half a century. Malaria prevention involves no physical pain to the people and they should, therefore, extend their whole-hearted support to make the scheme a success. The National Malaria Control Scheme is only an expansion and a continuation of the policy that the State Government have already adopted and it is hoped that as a result of this organised effort the ultimate elimination of malaria and plague throughout the length and breadth of the country will soon be an accomplished fact.

SUPPLY OF CEMENT.

With effect from 1st July 1953, the licensed cement dealers of Bangalore City and Civil Station, including Bangalore North and South Taluks were instructed to sell 70 per cent of the stocks received by them against permits issued by the Controller of Civil Supplies and they were permitted to sell the remaining 30 per cent of the stocks to the *bona fide* consumers of the respective localities subject to the maximum limit of 20 bags per consumer per month, consequent on the then short supply of cement to the Mysore State. As the supply position of cement has since improved, the public are hereby informed that the dealers are permitted to sell 85 per cent of the stocks received by them without permits subject to the maximum limit of 100 bags to each *bona fide* consumer per month, until further orders.

FOREST DEPARTMENT

OFFICE OF THE CHIEF CONSERVATOR OF FORESTS IN MYSORE, BANGALORE.

Notification dated 30th October 1953.

Notice is hereby given that sealed tenders will be received at the Office of the Chief Conservator of Forests in Mysore, Bangalore, up to 2 P.M. on the 23rd November 1953, for the right of purchase of Mysore Sandalwood (except root classes) and of sale to the public for domestic and religious purposes (inclusive of sale of Basola Bukni and Milwa chilta for *bona fide* agarbathi manufacture) from the date of sanction up to the end of June 1955.

1 Separate tenders should be given for the following areas :—

(a) Mysore State.
(b) U. P., C.P., Delhi and Bengal.

(2) Each tender should be accompanied by a sum of Rs. 2,000 in currency notes as earnest money or the tender will be rejected. Covers containing the tender should be addressed to the Chief Conservator of Forests in Mysore, New Public Offices, Bangalore, and should be duly registered, insured and superscribed " Tenders for Sandalwood Agency." The earnest money will be returned to unsuccessful tenderers.

(3) The name and address of the tenderer should be ful and clear.

(4) Minimum commission desired on value of Sandalwood purchased should be noted.

(5) The final acceptance of the tender rests with the Chief Conservator of Forests or the Government, as the case may be.

(6) Nothing will prevent the Government from selling wood in the agency areas.

(7) Sandalwood will be supplied as and when stocks are available. No liability shall arise out of non-supply. Acceptance of Koti weights and payment of the full value of the Sandalwood before taking delivery are necessary conditions of purchase.

(8) The Agents shall keep accounts of the transactions which shall be subject to check by Departmental Officers.

(9) The successful tenderer shall execute an agreement (as per copy enclosed) on a stamped paper binding himself to the several conditions noted therein within 15 days from the date of intimation of the acceptance of tender. He shall deposit Rs. 2,000 (inclusive of the initial deposit paid with the tender) in Government Savings Bank for due fulfilment of the Agency terms.

(10) For breach of any of the conditions, the deposits are liable for forfeiture and the agency for cancellation, besides proceeding against the defaulter as per rules.

M. A. MUTHANNA,
Chief Conservator of Forests.

AGREEMENT.

Agreement made this.....between..... (hereinafter called the agent) which term shall, where the context so admits, include his heirs, executors, administrators, legal representatives and assigns of the one part and the Chief Conservator of Forests/District Forest Officer (which expression shall, where the context so admits, include his successors in office) on behalf of the Government of Mysore (hereinafter called the Government of the second part).

1 Whereas the Agent has been given the agency of the purchase of Sandalwood for sale in.....from the date of sanction up to the end of June 1955 as per..... on terms and conditions hereinafter set forth.

2 Now these presents witnesseth that for carrying the said agreement into execution, the Agent for himself, his heirs, executors, administrators, legal representatives and assignees and the Chief Conservator of Forests/District Forest Officer for himself, his successors in office and assignees do hereby mutually contract one with the other as follows :—

3 The Agent shall have the right during the period mentioned in clause 1 above to purchase and sell Sandalwood of kind specified in the schedule subject to the conditions and restrictions named below and at rates which will be fixed from time to time at the direction of the Forest Department.

4 The Agent will maintain office in the agency area to conduct business and guarantee to sell a minimum quantity of ten tons in twelve months commencing from the date of sanction of the agency and ending with 30th June 1955. Progress of sales will be reviewed once in six months and if it does not come up to 90 per cent of the minimum quantity to be sold during the period, the Agency will be terminated.

5 The Agent shall not sublet the contract without the previous permission from the Chief Conservator of Forests.

6 The Agent shall bind himself to see that Sandalwood is only sold in the territory he has got power to sell. It should not be sold in any other territory. The sales will be confined to religious and domestic purposes but sale of Milwa Chilta and Basola bukni (and no root classes) for Agarbathi manufacture is, however, permitted and the Agent undertakes to guarantee that the wood is not diverted or sold for purposes of oil extraction.

7 The Agent stocks wood in the Show-room at.....

8 The wood will be supplied to the extent the stock is available but the Department will not guarantee any quantity and no kind of liability will arise out of such a non-supply. It is, however, necessary that the Agent should intimate to the District Forest Officer his probable requirements well in advance usually not later than the first of the month in which delivery is required.

9 The Agent will maintain and render accounts in the form prescribed in this behalf once a month to the District Forest Officer along with copies of bills issued by him in this behalf. The bills should furnish the names of persons to whom Sandalwood has been sold, description of sandalwood and quantity sold, rate and amount.

The original sale and other concerned registers and bill book should always be open for inspection by the officers of the Forest Department. The prices of wood will be fixed from time to time at the discretion of the Forest Department.

10 The Agent shall accept the Koti weights and shall make payments of the full value of the wood (before taking delivery) at the rate fixed at the time of delivery by cheques on the Bank of Mysore, Ltd., or other Scheduled Banks or remittances to Government Treasury.

11 The Agent shall get a discount of .... per cent on the value of purchase made.

12 The delivery of wood will be ex-Koti.

13 The Agent shall abide by the rules prescribed for the transport and removal of sandalwood in Mysore and outside.

The Detailed estimate, plan, and calculations may be seen in the office between 11 A.M. and 5 P.M. on all working days.

5285

Notification.

Sealed tenders duly signed by the contractors will be received in the Office of the Executive Engineer, Water Supply Division, Bangalore up to 3 P.M. on 24th November 1953 for the following items of work.

1 The contractors having good experience in such works and large organisation shall quote for such individual items of work both in words and figures and the rates shall hold good till the works are completed. The rates quoted shall include provision for payments of sales-tax, royalty or any other tax due to Government. They should also include, lead, lift, scaffolding, rehandling, centering and uncentering, watering curing and tidying up. The department will arrange for supply of water near about the work spot at Government cost.

2 For lumpsum provisions or for non-tendered items, the rates will be as per current minimum schedule of rates prevailing in the Bangalore Division (Magadi Taluk), in the case of the schedule items. For other items the rates based on the date approved by the Department and arrived as per the above minimum current schedule of rates will be allowed.

3 No conditional clause will be accepted.

4 No cheques will be accepted for earnest money and no request for adjustment of amount due by the Government can be entertained.

5 Tenders should be accompanied by Treasury challan for having credited the earnest money of Rs. 5,000 under "*Revenue Deposits*" and the challan has to be got countersigned before being presented to the Treasury for remittance. After entrusting the work to the successful tenderers the

challan enclosed by the other tenderers will be returned to them duly endorsed for refund. Refunds can be had from the treasury where the amount was first deposited.

6 Plans can be seen in the office of the undersigned on all working days between 2 P.M. and 4 P.M.

7 Printed tender forms can be had in the office of the undersigned on payment of annas four per form. Tenders submitted in other printed forms not issued by the office under the authority will be rejected.

8 The successful contractor shall bind himself to abide by the Departmental rules and specifications in force and shall execute the necessary agreements within seven days from the date of intimation of acceptance of his tender failing which his tender will be cancelled unconditionally and his earnest money forfeited.

9 The final acceptance or disposal of the tender in full or in parts or in any manner, will vest with the Chief Engineer of Mysore, Public Works Department, Bangalore, who is not bound to accept the lowest or any tender or assign any reason thereof.

10 The cost of material supplied by the Department owing to non-availability in the market or for other reasons will be recovered from the Bills of the contractor at ledger or market rates, whichever is higher with usual centage.

11 Reserve and earnest money deposits will be repaid only at the settlement of final bill.

12 Tendered contractors will have to pay compensations as per Workmen's Compensation Act to the workmen under their employment injured, disabled or killed in or during the execution of work, failing which the amount will be deducted from their bills for payment to the injured or the legal heirs of the deceased.

13 The work should not be sublet to others.

14 Quantities given in the notification and schedule are approximate and are liable for alteration. No extra rate will be allowed for such alterations.

15 Tenders submitted on percentage basis will be rejected.

16 All stones required for the above work should be obtained from T. G. Hally Quarries of Gangappanahalli and Shanbhognahalli.

17 For all disputes in regard to this work either in respect of rate, quantities, design or execution process, etc., the decision of the Chief Engineer of Mysore, Bangalore, shall be legal and finally binding.

18 The contrac or should bind himself for the good behaviour of his agents.

19 Plan and specification are subject to change and no extra claims will be admitted on this account.

20 Income-tax clearance certificate granted by the Income-tax Department will have to accompany the tender.

21 All waste material and debris should be cleared immediately from the work spot at contractors cost and stocked at least 100 feet away from the outer edge and the work spot kept clean for further collection of material at contractor's cost.

22 Monthly minimum progress of Rs. 30,000 will have to be guaranteed by each contractor. This amount of Rs. 30,000 is only the minimum and the actual quantity of the work done should be substantially more than Rs,30,000 amount so that the entire construction of the new fitter house is completed within one year from the date of acceptance of the tender.

23 Failure to fulfil the above condition would entail levy of penalty of Rs. 100 per day from the date of default. If the total of such fine exceeds Rs. 1,000 the contract will be cancelled and work executed by other agency, the extra expenditure to the Department on this account being recovered from the defaulting contractor. The earnest money will also be forfeited.

24 If any defective work is executed not approved by the Department, contract will be terminated immediately and the cost of rectification of the same will be recovered from the contractor.

25 Defective material collected by the contractor, pointed out by the Departmental officials should be cleared at least 200 feet away from the work spot. Otherwise the same will be cleared by the Department and cost of doing so will be recovered from the contractor's bills.

UPPER CAUVERY DIVISION,
KRISHNARAJANAGAR.

Notification dated 14th October 1953.

The date of receipt of Tenders in this Office for constructing an R.C.C. Tank of 50,000 gallons capacity on 40 ft. staging in connection with the improvements to Water Supply to Holenarasipur Town, notified in 7th September 1953, *vide* page 1255 of Part VI of the *Mysore Gazette*, dated 24th September 1953, has been extended up to 4 P.M. on 13th November 1953.

5132

Notification dated 21st October 1953.

1 Sealed quotations duly signed by the contractors will be received in the Office of the Executive Engineer, Upper Cauvery Division, Krishnarajanagar, up to 4 P.M. on 23rd November 1953. (Estimate for the entire bridge sanctioned for Rs. 5·18 lakhs.)

2 For each item of work, individual rates may be quoted both in words and figures.

3 The quotations should be given separately for each pier and abutment. Pier numbers are received from the Mirle side, and as Pier No. 1, 2, etc. Abutment on Mirle side is left abutment and on the Chunchankatte side is the right abutment.

4 The piece worker may quote the rate for a single pier or any number of piers as he likes, but separately each pier and abutment.

5 Each quotation should accompany with the treasury chellan for having remitted the earnest money under Revenue Deposit at the rate of Rs. 300 for each pier and Rs. 900 for each abutment limited to a total of Rs. 5,000.

6 For lumpsum provision and for non-tendered items, the rates will be paid as per minimum current schedule in case of scheduled items. For other items rates based on the data got upon the minimum current schedule will be allowed.

7 Quotations may be given by the intending piece workers on blank paper.

8 The quotation without chellan for having remitted the required earnest money deposit will be rejected.

9 It should be clearly noted on the cover whether the chellan for having credited the earnest money deposit is enclosed, and number and date of the same also noted. If it is omitted, the cover will not be opened and rejected as it is.

10 The contractor should quote rates only for the units and nature of work specified in the form. If rates are quoted for alternative works instead of specified nature of work, such tender will be disqualified.

11 The final acceptance of the tenders rests with the Government which is not bound to accept the lowest or to furnish any reason therefor.

12 Estimates and plans will be available for reference in the office of the undersigned, and any other particulars required, on all the working days during office hours.

13 The successful tenderer should bind himself by the departmental rules in force and execute necessary agreement within a week of acceptance of the tender, failing which, the earnest money will be forfeited to Government.

14 Quantities noted in the abstract estimates are only approximate and may be less or more.

15 The rates quoted by the tenderer should hold good till completion of the work irrespective of the fluctuation in rates.

16 The rates quoted should be inclusive of all existing and new taxes payable as per Government Rules.

17 In case of any accident to the labour employed by the accepted tenderer, he should pay compensation to the injured as per rules, failing which the amount will be deducted out of bills and other claims and paid to the injured.

18 Reserve and earnest money deposit will be repaid only at the time of settlement of final bill.

19 The term "specification" mentioned either in the schedule or in the estimate in the notified item would mean specific item of work to be done according to the instructions of the Public Works Department with reference to design, calculation, etc., furnished during execution and no higher rates than tendered ones will be paid.

20 The department does not undertake any responsibility to supply lorries to the contractors.

21 The work should not be sublet.

22 The contractor will have to make his own arrangement for water required for the works, scaffolding materials, conveying material approach road to quarries. No extra amount will be paid for any of the above items.

g.	Further protective works to ½ to 1 hill slope behind the Generating Station between pipe branches 7 and 8.	3,930	195

2. Tenders should be addressed to the Executive Engineer, Honnemaradu Survey Division, Jog, and superscribed over the cover as "Further protective works to ½ to 1 hill slope."

3 Tender forms with abstract quantities are obtainable from the Office of the Executive Engineer, Honnemaradu Survey Division, Jog, on payment of annas four (0-4-0) per form.

4 Each tenderer must deposit the earnest money noted against the above respective works in cash and enclosure the receipt along with the tender.

5 The earnest money in cash should be remitted at the Office of the Executive Engineer, Honnemaradu Survey Division, Jog. The earnest money so paid will not carry any interest. No cheques will be accepted. On acceptance of tender, a further deposit of 5 per cent on work bills will be reserved and refunded to the contractor when the work is completed and conditions of agreement are fulfilled.

6 Only labour charges for each item as per unit fixed should be quoted. Such rate should include quarrying stones, conveying to site, dressing the stones and scaffolding etc. Other materials such as cement and sand will be supplied by the department without recovery of cost.

7 Plans and estimates for the works will be available in the Division Office for information on all working days between 11 A.M. and 5 P.M.

8 Final acceptance or rejection of the tender will rest with the Chief Electrical Engineer to Government, Electrical Department. The successful contractor should bind himself to the departmental rules and execute necessary agreement before starting the work.

9 The work should be completed in all respects to the complete satisfaction of the departmental officer by the end of March 1954.

10 The name of successful contractor will be intimated immediately on receipt of communication from the Chief Electrical Engineer in Mysore.

11 The successful contractor should make his own arrangements to convey materials such as sand, cement and jelly to the workspot. Materials such as cement and sand will be made available either at the Generating Station or at the place that may be fixed by the departmental officers during execution of work.

12 Water supply arrangements will be made by the department and watering masonry or concrete will be done by the departmental agency.

13 Adequate arrangements for proper scaffolding in the steep slope on the lines of instructions of the supervising officers should be made by the contractor *at his own cost.* No scaffolding materials will be supplied by the department. The scaffolding will have to be dismantled and the site cleared when the work is completed,

14 Damages caused to pipe lines or to any other property either during the time of conveyance of materials, construction of masonry, etc., will have to be made good by the contractor.

15 Quantities of each item of work are only approximate and subject to alterations during execution. The rates quoted by the contractor should hold good for any quantity. Besides, change of specifications due to exigencies, will not, under any circumstance, entitle the contractor to claim rates higher than those already tendered and accepted. In the case of non-tendered items, the contractor will be paid at the current schedule of rates or at the rates fixed on the basis of data and approved by the competent authority.

16 No claim shall be established for the delay caused by the department due to unforeseen causes during execution of work. However, extension of contract period will be considered on the merits of each case.

17 No conditional clause while tendering the rates will be accepted by the department.

18 Sales-tax will have to be paid by the contractor as per rules.

19 Royalty, etc., will be recovered from the work bills of the contractor.

20 Accidents caused to the labourer on work will entail the contractor to pay necessary compensation as may be fixed by the departmental officers or any other competent court.

21 Sales-tax clearance certificate will have to be produced along with the quotations.

CHIKMAGALUR DIVISION.

Notification dated 23rd October 1953.

Sealed tenders duly signed by the contractors will be received in the Office of the Executive Engineer, Chikmagalur Division, Chikmagalur, up to 4 P.M. on 23rd November 1953, for the following work:—

Name of work	Amount of estimate	Earnest money	Work to be completed by the end of	Monthly progress not less than
	Rs.	Rs.		Rs.
Estimate for constructing additional accommodation to N.T.M. School at Cheeranahalli, Tarikere Taluk.	8,500	417	April 1954.	2,000

1 The contractor shall quote for each individual item of work both in words and figures in the estimates and the rates quoted shall hold good till the works are completed. The rates quoted should include provision for payments of sales-tax, royalty or any tax due to Government.

2 The tender will hold good till the acceptance or otherwise by the competent authorities.

3 For lumpsum provision or for non-tendered items the rates will be paid as per current minimum schedule in the case of scheduled items and rate with (ten) 10 per cent profit for items which do not find place in the schedule.

4 No conditional clauses will be accepted.

5 No cheques will be accepted for earnest money and no request for the adjustment of amount due by the Government can be entertained.

6 Tenders will not be considered unless they are in the prescribed form which will be supplied on payment of Re. 0-4-0 at the Office of the Executive Engineer, Chikmagalur Division, Chikmagalur.

7 The successful contractor shall bind himself to abide by the departmental rules and specifications in force and shall execute the necessary "Mutchalika" within seven days from the date of intimation of acceptance of his tender, failing which, his tender will be cancelled unconditionally and his earnest money will be forfeited.

8 Each tender should be accompanied by a treasury chellan noted above as earnest money paid to the Treasury to the credit of "Revenue Deposits".

9 The final acceptance of the tender will rest with the Superintending Engineer, Shimoga Circle, Shimoga. The estimate and plan will be available for perusal of intending tenderers and any further particulars required will be had at the Office of the Executive Engineer, Chikmagalur Division, Chikmagalur, on all working days during office hours.

10 The Department is not bound to accept the lowest or any tender or to assign any reason whatsoever for the rejection of any.

11 The cost as per current rate of cement and steel or value at the controlled rates at the time of execution will be recovered from the bills in case they are supplied departmentally. The materials can be had from the nearest departmental stores. An additional 10 per cent on cost of the materials supplied from the Department will be charged as centage.

12 Reserve and earnest money deposits will be repaid only at the time of settlement of final bill.

13 Tendered contractors have to pay compensation to the disabled workmen working under them for any injury or death caused or occurred during the execution of this work, failing which, the amount will be deducted from the bills and paid to the injured or to the legal heirs of the deceased.

14 The term "Specification" mentioned either in the schedule or in the estimate in the notified items would mean "Specific" items of work to be done according to the instructions of the Public Works Department with reference to design, calculations, etc., furnished during execution and no higher rates than tendered ones will be paid.

15 The Department does not undertake the responsibility to supply lorries to the contractor.

16 Quantities given in the notification and schedule are approximate and are liable to alterations. No extra rates will be allowed for such alterations.

17 The works should not be sublet.

18 The contractor will have to make his own arrangements for water required for the works, scaffolding materials, conveying of materials, approach road to quarries, sand bags and necessary precautions from flood damages. No extra amount will be paid for any of the above items.

19 The tenderer should furnish an income-tax clearance certificate along with the tender as per rules.

Tenders in one prescribed form obtainable from the Office of the Executive Engineer, Chitaldrug Division, should be addressed to the Executive Engineer, Chitaldrug Division, in a sealed cover and superscribed as "Tender for ('Mention name of work')". The name of the tender should also be noted on the top of the cover.

Each tender must be accompanied by a treasury chellan for having deposited the required amount as noted against the work, as earnest money under "Revenue Deposits". No cheques will be accepted for earnest money. Requisitions for adjustments of any dues from the Government to the Contractor for earnest money will not be entertained.

The final acceptance of the will rests with the Executive Engineer, Superintending Engineer or Chief Engineer, as the case may be, who does not bind himself to accept the lowest or any tender or to assigh any reason whatever for the rejection of any..

The successful tender should execute a contract agreement within a fortnight from the date of communication of approval to him.

The earnest money of the rejected tenders will be refunded on application, only after any of the tender is received approved or two months after the receipt of tenders if the

tender of the successful Contractor has not been received approved.

Copies of estimates and plan can be seen in the Office of the Executive Engineer, Chitaldrug Division, on all working days between 11 A.M. and 5 P.M.

Specific rates should be quoted both in figures and in words for each individual items of work. Tenders offering percentage reduction or increase will be rejected.

For all lumpsum items, only minimum Schedule of Rates or data *plus* 10 per cent will be given if the rates do not appear in the Schedule of Rates. All over writings and corrections while submitting the tenders should be attested by the tenderer.

The quantities given in the estimate are only approximate and the drawings shown to the Contractor are only tentative and are liable to alterations, omissions, deductions, or additions, at the discretion of the Executive Engineer or his representative. The tender rates will hold good for any quantity, whether higher or lower than those given in the estimate.

The Contract should not be sublet.

The Contractor should make his own arrangements for transportation of materials.

The Contractor is responsible for all accidents to workmen, etc., on the work and he must take precautions against all risks of accidents and if necessary provide for the same by insurance at the proper time. The Contractor should arrange for the payment of royalty, toll, taxes etc.

5353 C. SHAMANNA, *General Manager.*

OFFICE OF THE GENERAL MANAGER, GOVERNMENT ELECTRIC FACTORY, POST BOX No. 79, MYSORE ROAD, BANGALORE-2.

Tender Notification dated 28th October 1953.

Subject.—Supply of Milk to the Canteen.

Sealed tenders are invited for the supply of good quality of Buffalo Milk to the Departmental Canteen at the Government Electric Factory, Mysore Road, Bangalore-2, subject to the following conditions :—

1. Tenders should be superscribed as "Tender for the supply of Milk" and addressed to the General Manager, Government Electric Factory, so as to reach him before 3 P.M. on 17th November 1953 (17-11-1953). The rates offered should be clearly specified both in figures and words.

2. The General Manager, Government Electric Factory, does not bind himself to accept the lowest or any tender and reserves to himself the right to reject any tender without assigning reasons therefor.

3. Each tender should be accompanied by an earnest money of Rs. 50 which may be paid at the factory in cash or sent by Money Order. Cheques, drafts and Postal orders will not be accepted. The official receipt or money order receipt should be sent along with the tender in token of the payment of earnest money.

4. The tenderer whose tender is accepted should be prepared to make delivery of the quantities of milk required for the canteen daily at the hours specified at the canteen premises from the day specified by the General Manager.

5 The successful tenderer should deposit a sum of Rs. 200 with the factory which will not carry any interest. He should also get an acknowledgment of the quantity of milk delivered to the canteen from the Supervisor of the canteen and prefer bills once a fortnight for the quantities supplied.

6. The period of currency of this contract will be limited to a period of six months calculated from the date of commencement of supply of milk but may be extended under mutual agreement. The milk should be of best quality free from any adulteration and should pass the tests as may be prescribed by the General Manager. In case the milk supplied is found to be of inferior quality after necessary tests, the supply is liable to be rejected, the contract is liable to be cancelled immediately and arrangements made for the purchase of the required quantity of milk elsewhere at the contractor's risk and cost.

The earnest money of the successful tenderer will be retained and those of other tenderers will be returned after obtaining the approval of the Director of Industries and Commerce. The successful tenderer should be willing to execute an agreement on stamped paper assuring that he would carry out the terms of the contract as laid down here.

7 The security deposit is liable to be forfeited if the conditions of the contract are not complied with. It will be returned after the period of contract if there is no default on the part of the contractor.

8. In case of any dispute, the decision of the Director of Industries and Commerce will be final.

The tender should be open for acceptance for a period of three weeks from the date of receipt in the factory.

OFFICE OF THE COMPILER, *MYSORE GAZETTE*, BANGALORE.

NOTICE.

1. The *Mysore Gazette* is published at Bangalore every Thursday. Matter for publication in the Gazette is often sent late to the Press. This involves considerable inconvenience to the Press and expense to Government. All matters intended for publication in Parts I, II, III, IV, V, VI and VII should therefore reach this office not later than *Monday Evening*, and that for Part II not later than *Tuesday Evening* for the following Thursday's issue of the Gazette. All matters received later than these days will be kept by for insertion in the following issue of the Gazette. (G. O. No. P. 988-1040—P. & S. 12-30-2, dated 26th July 1930.)

2. (i) Spare copies of notifications, etc., are often asked for long after their publication, when the matter has been broken up, necessitating its re-setting and thereby causing inconvenience to the Press and waste of money. When spare copies are wanted, a note to that effect stating the number of copies should be made at foot of such manuscript.

(ii) Indents for less than 100 spare copies should not be sent to the Press, subject to the exceptions contained in G. O. No. G. 14330-95—P. & S. 5-19-9, dated 23rd December 1919 in regard to notices calling for tenders for the purchase of stores or for the execution of works. When a few copies only are required, they may be made available by the use of carbon sheets simultaneously with the preparation of a copy for the Gazette, as laid down in the above Government Order. (Letter No. G. 10382—P. & S. 9-37-2, dated 30th June 1938, received from the Secretary to Government, Development Department.)

(iii) When indents for an unusually large number of spare copies are sent, such instances will be brought to the notice of Government, as per letter No. G. 10382—P. & S. 99-37-2, dated 30th June 1938, received from the Secretary to Government, Development Department.

3. Matter sent for insertion in the Gazette will be published *only once* and the abstract in two issues. (G. O. No. G. 2915-6—P. & S. 44-25-2, dated 13th September 1926).

4. Applications for the supply of the Gazette on *Public Service* should be made to the Chief Secretary to the Government of Mysore.

5. As per G. O. No. E. 1892-1902—P. & S. 12-23-13, dated 8th December 1923, and G. O. No. 5139-95—P. & S. 52-30-1, dated 12th November 1930, the English or the Kanarese portion of the *Mysore Gazette*, consisting only of the five Parts, *viz.*, I, II, III Section 1, III Section 3, IV and V taken together or an entire copy of the English or Kanarese Gazette containing all the parts will be supplied only to Patels, Nad-Patels, Shanbhogs and Sheikdars within the State at *half* rates on production of a certificate from the Amildar of the taluk to the effect that such applicant is *bona fide* on duty at the time or that he is on leave for a period not exceeding three years. Such subscribers will please note that the Gazette cannot be had *in separate parts* at concession rates under any other conditions and that they have to pay the full subscription for the part or parts required.

6. As Government Treasuries in Mysore are authorized to receive and credit Gazette subscriptions as well as publication charges remitted by Courts or private parties, all such money should be sent to Treasuries and only Treasury receipts forwarded to this office. No money orders or cash will be received by the undersigned except from parties outside the State.

7. Much inconvenience is caused to this office by subscribers omitting to give their full and correct addresses and writing illegibly on the money order coupons. They are requested to insert invariably the name of the Post Office to which their copy should be sent.

8. Communications on post cards or on paper less than quarter sheet of foolscap will not receive attention; and no communication should be sent on Government Service by private parties.

9. An efficient system of check and counter-check is maintained over the despatch of Gazette copies forwarded through post. Duplicates cannot be supplied in any case of non-delivery.

10. Complaints regarding non-receipt of the Gazette should be forwarded to the undersigned within a week after the date on which it is due.

11. (*a*) The rates of annual subscription to the Gazette *for subscribers within the Mysore State* which are payable in advance are as follows :—

The Detailed estimate, plan, and calculations may be seen in the office between 11 A.M. and 5 P.M. on all working days.

5285

Notification.

Sealed tenders duly signed by the contractors will be received in the Office of the Executive Engineer, Water Supply Division, Bangalore up to 3 P.M. on 24th November 1953 for the following items of work.

1 The contractors having good experience in such works and large organisation shall quote for such individual items of work both in words and figures and the rates shall hold good till the works are completed. The rates quoted shall include provision for payments of sales-tax, royalty or any other tax due to Government. They should also include, lead, lift, scaffolding, rehandling, centering and uncentering, watering curing and tidying up. The department will arrange for supply of water near about the work spot at Government cost.

2 For lumpsum provisions or for non-tendered items, the rates will be as per current minimum schedule of rates prevailing in the Bangalore Division (Magadi Taluk), in the case of the schedule items. For other items the rates based on the date approved by the Department and arrived as per the above minimum current schedule of rates will be allowed.

3 No conditional clause will be accepted.

4 No cheques will be accepted for earnest money and no request for adjustment of amount due by the Government can be entertained.

5 Tenders should be accompanied by Treasury challan for having credited the earnest money of Rs. 5,000 under "*Revenue Deposits*" and the challan has to be got countersigned before being presented to the Treasury for remittance. After entrusting the work to the successful tenderers the challan enclosed by the other tenderers will be returned to them duly endorsed for refund. Refunds can be had from the treasury where the amount was first deposited.

6 Plans can be seen in the office of the undersigned on all working days between 2 P.M. and 4 P.M.

7 Printed tender forms can be had in the office of the undersigned on payment of annas four per form. Tenders submitted in other printed forms not issued by the office under the authority will be rejected.

8 The successful contractor shall bind himself to abide by the Departmental rules and specifications in force and shall execute the necessary agreements within seven days from the date of intimation of acceptance of his tender failing which his tender will be cancelled unconditionally and his earnest money forfeited.

9 The final acceptance or disposal of the tender in full or in parts or in any manner, will vest with the Chief Engineer of Mysore, Public Works Department, Bangalore, who is not bound to accept the lowest or any tender or assign any reason thereof.

10 The cost of material supplied by the Department owing to non-availability in the market or for other reasons will be recovered from the Bills of the contractor at ledger or market rates, whichever is higher with usual centage.

11 Reserve and earnest money deposits will be repaid only at the settlement of final bill.

12 Tendered contractors will have to pay compensations as per Workmen's Compensation Act to the workmen under their employment injured, disabled or killed in or during the execution of work, failing which the amount will be deducted from their bills for payment to the injured or the legal heirs of the deceased.

13 The work should not be sublet to others.

14 Quantities given in the notification and schedule are approximate and are liable for alteration. No extra rate will be allowed for such alterations.

15 Tenders submitted on percentage basis will be rejected.

16 All stones required for the above work should be obtained from T. G. Hally Quarries of Gangapanahalli and Shanbhognahalli.

17 For all disputes in regard to this work either in respect of rate, quantities, design or execution process, etc., the decision of the Chief Engineer of Mysore, Bangalore, shall be legal and finally binding.

18 The contractor should bind himself for the good behaviour of his agents.

19 Plan and specification are subject to change and no extra claims will be admitted on this account.

20 Income-tax clearance certificate granted by the Income-tax Department will have to accompany the tender.

21 All waste material and debris should be cleared immediately from the work spot at contractors cost and stocked at least 100 feet away from the outer edge and the work spot kept clean for further collection of material at contractor's cost.

22 Monthly minimum progress of Rs. 30,000 will have to be guaranteed by each contractor. This amount of Rs. 30,000 is only the minimum and the actual quantity of the work done should be substantially more than Rs.30,000 amount so that the entire construction of the new filter house is completed within one year from the date of acceptance of the tender.

23 Failure to fulfil the above condition would entail levy of penalty of Rs. 100 per day from the date of default. If the total of such fine exceeds Rs. 1,000 the contract will be cancelled and work executed by other agency, the extra expenditure to the Department on this account being recovered from the defaulting contractor. The earnest money will also be forfeited.

24 If any defective work is executed not approved by the Department, contract will be terminated immediatel

and the cost of rectification of the same will be recovered from the contractor.

25. Defective material collected by the contractor, pointed out by the Departmental officials should be cleared at least 200 feet away from the work spot. Otherwise the same will be cleared by the Department and cost of doing so will be recovered from the contractor's bills.

TUMKUR DIVISION.

Tender Notification.

Sealed tenders will be received in the Office of the Executive Engineer, Tumkur Division, Tumkur, up to 4 P.M. on 23rd November 1953, for the undermentioned work.

Name of work	Amount of estimate	Earnest money	Last date for receiving tenders.
	Rs.	Rs.	
Restoring breached Hosahally Obaladevarakere, Pavagada Taluk.	25,200	1,260	23rd November 1953.

1. Tenders in the prescribed form, obtainable from the Office of the Executive Engineer, Tumkur Division, on payment of four annas (Re. 0-4-0) should be addressed to the Executive Engineer, Tumkur Division, in a sealed cover. The name of the work, and the full address of the contractor should be written on the cover.

2. Each tender should be accompanied by a treasury chellan for having credited the earnest money under Revenue Deposits. If any tenders are received without treasury chellan, it will be rejected. After tenders are disposed off, the treasury chellan accompanying the tenders of unsuccessful tenderers, will be returned to him by the Public Works Department with an endorsement signed by the Divisional Officer to the effect that the tender is rejected and the amount of the chellan may be repaid to the party concerned. No dues from the draft of cheques will be accepted.

3. Individual rate should be quoted to each item of work. Tenders on percentage basis will not be valid.

4. For items not provided in the estimate schedule of rates will be paid, or as per data worked out during the execution of the work.

5. The estimate and plan can be seen by the contractors, during the working days between 11 A.M. and 5 P.M.

6. Rates quoted will hold good till the work is completed. The rates quoted by the contractor will be considered as inclusive of sales-tax. No separate claims for sales-tax will be considered. The contractor should furnish In come-tax certificate with the tender or before the execution of agreement at the least, failing which the tender will be cancelled and deposit forfeited.

7. No conditional clauses will be accepted.

8. The tenders will be opened by the Executive Engineer in the presence of such tenderers who wish to be present on 23rd November 1953 at the Executive Engineer's Office at Tumkur. The final acceptance of the tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender, or to assign any reason whatever for the rejection of any. If any petitions are received after the tenders are opened, such petitions will not be considered.

9. The name of the successful tenderer will be posted on the Notice Board in the Executive Engineer's Office after the tenders are settled. Within eight days of the acceptance of the tender, the successful tenderer will be required to execute an agreement in the Departmental schedule contract form. Failure to comply with these conditions the earnest money of this contractor will be forfeited and the tender will be disposed off otherwise.

OFFICE OF THE EXECUTIVE ENGINEER, UPPER CAUVERY DIVISION, KRISHNARAJANAGAR.

Notification dated 21st October 1953.

1 Sealed quotations duly signed by the contractors will be received in the Office of the Executive Engineer, Upper Cauvery Division, Krishnarajanagar, up to 4 P.M. on 23rd November 1953. (Estimate for the entire bridge sanctioned for Rs. 5·18 lakhs.)

2 For each item of work, individual rates may be quoted both in words and figures.

3 The quotations should be given separately for each pier and abutment. Pier numbers are received from the Mirle side, and as Pier No. 1, 2, etc. Abutment on Mirle side is left abutment and on the Chunchankatte side is the right abutment.

4 The piece worker may quote the rate for a single pier or any number of piers as he likes, but separately each pier and abutment.

5 Each quotation should accompany with the treasury chellan for having remitted the earnest money under Revenue Deposit at the rate of Rs. 300 for each pier and Rs. 900 for each abutment limited to a total of Rs. 5,000.

6 For lumpsum provision and for non-tendered items, the rates will be paid as per minimum current schedule in case of scheduled items. For other items rates based on the data got upon the minimum current schedule will be allowed.

7 Quotations may be given by the intending piece workers on blank paper.

8 The quotation without chellan for having remitted the required earnest money deposit will be rejected.

9 It should be clearly noted on the cover whether the chellan for having credited the earnest money deposit is enclosed, and number and date of the same also noted. If it is omitted, the cover will not be opened and rejected as it is.

10 The contractor should quote rates only for the units and nature of work specified in the form. If rates are quoted for alternative works instead of specified nature of work, such tender will be disqualified.

11 The final acceptance of the tenders rests with the Government which is not bound to accept the lowest or to furnish any reason therefor.

12 Estimates and plans will be available for reference in the office of the undersigned, and any other particulars required, on all the working days during office hours.

13 The successful tenderer should bind himself by the departmental rules in force and execute necessary agreement within a week of acceptance of the tender, failing which, the earnest money will be forfeited to Government.

14 Quantities noted in the abstract estimates are only approximate and may be less or more.

15 The rates quoted by the tenderer should hold good till completion of the work irrespective of the fluctuation in rates.

16 The rates quoted should be inclusive of all existing and new taxes payable as per Government Rules.

17 In case of any accident to the labour employed by the accepted tenderer, he should pay compensation to the injured as per rules, failing which the amount will be deducted out of bills and other claims and paid to the injured.

18 Reserve and earnest money deposit will be repaid only at the time of settlement of final bill.

19 The term "specification" mentioned either in the schedule or in the estimate in the notified item would mean specific item of work to be done according to the instructions of the Public Works Department with reference to design, calculation, etc., furnished during execution and no higher rates than tendered ones will be paid.

20 The department does not undertake any responsibility to supply lorries to the contractors.

21 The work should not be sublet.

22 The contractor will have to make his own arrangement for water required for the works, scaffolding materials, conveying material, approach road to quarries. No extra amount will be paid for any of the above items.

Should the defaulter fail to make good the loss the same shall be recoverable as arrears of land revenue.

2 The auction is subject to confirmation by the Director of Animal Husbandry Services in Mysore, Bangalore, who reserves the right of accepting or rejecting any bid without assigning any reason, whatsoever.

3 Within a week from the date of intimating of the confirmation of the sale, the successful bidder shall pay the remaining sale amount in full and shall make his own arrangements for proper guarding of the trees. No complaints in this regard will be entertained and no compensation whatsoever will be considered. In default to pay the amount stipulated above, the amount already paid will be forfeited to Government and the right resold at the risk of the defaulter who should make good the loss that may result to Government and in the event of profit he shall not be entitled to the same. Should the defaulter fail to make good the loss, it shall be recovered as arrears of land revenue.

4 Each bidder should see the trees and satisfy himself before the auction sale and any complaint received thereafter will not be entertained.

5 Any damage done to the Government trees and other property on the farm should be made good by the successful bidders.

6 The right of sale should not be sublet or transferred.

7 Withdrawal of bid or lodging dispute of any kind will not be entertained, when once the bid is offered in the open auction.

8 The decision of the Director of Animal Husbandry Services in Mysore, Bangalore, shall be final and legally binding in all matters of dispute.

BUILDINGS DIVISION, BANGALORE.

Notification dated 6th November 1953.

It is notified for the information of the public that the Lahore Shed in the premises of the Vani Vilas Hospital, Bangalore, will be auctioned on 27th November 1953, at 9 A. M. at Vani Vilas Hospital premises, by the Executive Engineer, Buildings Division, or by any other officer deputed by him for the purpose, subject to the following conditions:

1. Bidders who desire to bid must deposit a sum of Rs. 250 as earnest money deposit before the auction commences. This amount will be refunded after the auction is over in the case of unsuccessful bidder or will be returned after the shed materials are removed satisfactorily in the case of highest bidder. The sale will be knocked down in favour of the highest bidder provided the officer conducting the sale does not consider it too low. The successful bidder should pay in cash the full amount on the spot inclusive of Re. 0-3-0 in a rupee being the cess charges. Failure to pay the amount will entail forfeiture of the deposit amount and re-auctioning. If during re-auction, the amount realised is less than the orginal bid amount the difference will be recovered from the defaulter as revenue demand.

2. The powers to accept or reject any bid or to postpone or cancel the auction sale, vests with the Executive Engineer, Buildings Division, Bangalore and his decision is final in the matter.

3. The shed may be inspected on any day before the auction at Vani Vilas Hospital premises.

4. The successful bidder should arrange to remove all the materials within a week from the date of acceptance of the bid and should keep the premises clean, failing which the earnest money will be forfeited and the work got done through other agency.

Press Note.

SALE OF NEW TRACTORS TO RAIYATS ON HIRE PURCHASE BASIS.

In response to proposals for financial assistance for the sale of new tractors to raiyats on Hire Purchase basis, Government of India have been pleased to sanction a sum of Rs. 2,50,000 for Mysore during the current year. The main features of the scheme are as follows :—

(1) One tractor and one plough, the cost of which does not exceed Rs. 12,000 in the aggregate will be issued to each raiyat subject to the rules and conditions prescribed in this behalf.

(2) The purchaser is free to select a tractor and a plough from any of the firms dealing in them.

(3) He has to deposit an amount equal to one-eighth of the value of the tractor and plough, and bind himself to pay the balance in seven, equal, annual instalments with interest at 5 per cent per annum.

(4) The security for the unpaid balance will be in the shape of immovable properties owned by the purchaser which should be free from all encumbrances, and the value of which shall be not less than double the value of the tractor and plough.

(5) The purchaser has, besides, to furnish two personal sureties binding themselves to the payment of the amounts due on behalf of the purchaser in case of default.

(6) Detailed rules governing this scheme and the forms of application, agreement, etc., will be published in due course.

Press Note.

RAGI CROP IN KOLAR TALUK.

Reports have appeared in a section of the local press that the ragi crop growing on about 5,000 acres in Kolar Taluk would be a total failure due to the defective seeds supplied by the Government Agricultural Depots. It is stated that the crop grew to a height of 6″ in the first instance and thereafter showed signs of withering and did not grow as well as expected and this retarded growth is ascribed to diseased seeds. Realising the gravity of this allegation, the officials of the Agricultural Department inspected the crop with a view to report on any incidence of disease.

It is now ascertained that the crop grew well in the early stages with profuse tillering but that it began to retard in growth for want of rains in the month of August. Immediately thereafter, seasonal conditions changed and there were heavy showers in the month of September. This heavy rainfall, after a period almost amounting to drought, has resulted in the unsatisfactory growth of the plants. That the retard in growth is not due to seeds is shown from enquiries made from the local raiyats, some of whom had obtained seedlings raised out of the same seeds sown under dry conditions. These seedlings were later transplanted in their fields. The transplanted seedlings have grown well and the crop is reported to be good. There are no signs of any infection by fungus. If there had been any defect in the original seed supplied from the Depot, the transplanted crop should also have suffered, but this is not so.

As regards the acreage where the crop has suffered, it is not more than about 300 acres and not 5,000 acres as mentioned in the Press Report.

Regarding the source from which the seeds have been supplied, it has been ascertained that they are not seeds produced on the departmental farms or procured from certified seed growers. Due to continued failure of the ragi crop during the past few years and subsequent decontrol, seed ragi was hard to get. With the early showers, there was heavy rush for the seeds and since seeds were not readily available either in the Government Farms or with certified growers recognised by the Agricultural Department, procurement of seeds from private individuals with guarantee of purity and soundness was practically impossible. Efforts were, therefore, made to test for germination the stock of seeds available in the Reserve godowns under the control of the Food Department before distribution to raiyats, as an emergent measure to tide over the situation. Seeds were only tested for germination. That the seeds were not attacked by any disease and germinated well as per tests conducted is borne out by the fact that the crop grew well in the early stages. It is only due to unfavourable seasonal conditions that the crop suffered in the later period.

Out of this jelly about 2/3rd quantity of jelly should be of size $1\frac{1}{4}''$ and 1/3rd quantity should be of $\frac{1}{2}''$ to $\frac{3}{4}''$. 70 cu. yds. of jelly is also required per furlong for widening and reconditioning.

These two qualities of jelly should be stacked alternately in separate heaps on the prepared berms of the roads at such measured spacings as specified by the Executive Engineer.

2 For the section from Thalaguppa Railway Station to Sri Ganapathy Temple the granite jelly should be conveyed from the developed quarries to be got approved in Thalaguppa-Hirebhasgar road section. For miles 229 to 235 on Bangalore-Jog road, and for the 1st $2\frac{1}{2}$ miles of Jog-Bhatkal road the jelly should be collected from the developed quarry to be approved in Jog Ferry road.

3 Rates for each item of work to be quoted separately for the following mileage sections of the road :—

1st Section	... Thalaguppa to Ganapathy Temple.	226, 227, 228 and 229
2nd Section	... Ganapathy Temple to 233 mile stone above Kargal toll gate.	230, 231, 232 and 233
3rd Section	... From the mile stone above Kargal toll gate to Jog T.B.	234, 235 and 1st 2½ miles of Jog-Bhatkal road.

4 The work is to be completed within 3 months from the date of work order and monthly progress should not be less than Rs. 30,000.

5 Tenders in the prescribed form obtainable on payment of annas four per form from the Office of the Executive Engineer, Sagar Division, Sagar, should be addressed to the Executive Engineer, Sagar Division, Sagar, in a sealed cover and superscribed as tenders for "collecting and stacking jelly and sand for cement concreting Thalaguppa-Jog road". The name of the contractor should also be superscribed on the top of the cover.

Tenders to be quoted on rates per Cyd. for the above three sections individually.

6 Each tender must be accompanied by a duplicate chellan for having credited into the treasury the deposit amount of Rs. 2,500 under Revenue Deposits or Mysore Government Bonds duly endorsed at full value or market value whichever is less as earnest money.

7 The successful contractor should bind himself to abide by the departmental rules in force and should execute the necessary "Mutchalika" within a fortnight from the date of intimation of acceptance of his tender failing which the earnest money will be forfeited.

8 The final acceptance of recommendations for acceptance will rest with the Executive Engineer, Sagar Division, Sagar who does not bind himself to accept the lowest or any other tender or to assign any reason whatsover for the rejection of any.

9 No conditional clause will be accepted.

10 No sales-tax will be admitted by the department.

11 No cheques will be accepted for earnest money and no request for adjustment of amount due by the Government can be entertained.

12 The rates quoted shall hold good till the acceptance of the tender or otherwise and shall thereafter be binding for the execution of the work.

13 The submission of a tender by a contractor implies that he has read this notice and conditions of the contract and has made himself aware of the scope and specifications of the work to be done and of the schedule of rates, etc.

14 If the work is not completed within the specified period the fine of Rs. 50 will be levied for every fortnight's delay.

15 Tendered contractor has to pay compensation to disabled workman working under him for any injury caused during the execution of the work failing which the amount will be deducted from the bills and paid to the injured.

1 The contractor shall quote for each individual item of work both in words and figures in the estimates and the rates quoted shall hold good till the works are completed. The rates quoted should include provision for payments of sales-tax, royalty or any tax due to Government.

2 The tender will hold good till the acceptance or otherwise by the competent authorities.

3 For lumpsum provision or for non-tendered items the rates will be paid as per current minimum schedule in the case of scheduled items and rate with (ten) 10 per cent profit for items which do not find place in the schedule.

4 No conditional clauses will be accepted.

5 No cheques will be accepted for earnest money and no request for the adjustment of amount due by the Government can be entertained.

6 Tenders will not be considered unless they are in the prescribed form which will be supplied on payment of Re. 0-4-0 at the Office of the Executive Engineer, Chikmagalur Division, Chikmagalur.

7 The successful contractor shall bind himself to abide by the departmental rules and specifications in force and shall execute the necessary "Mutchalika" within seven days from the date of intimation of acceptance of his tender, failing which, his tender will be cancelled unconditionally and his earnest money will be forfeited.

8 Each tender should be accompanied by a treasury chellan noted above as earnest money paid to the Treasury to the credit of "Revenue Deposits".

9 The final acceptance of the tender will rest with the Superintending Engineer, Shimoga Circle, Shimoga. The estimate and plan will be available for perusal of intending tenderers and any further particulars required will be had at the Office of the Executive Engineer, Chikmagalur Division, Chikmagalur, on all working days during office hours.

10 The Department is not bound to accept the lowest or any tender or to assign any reason whatsoever for the rejection of any.

11 The cost as per current rate of cement and steel or value at the controlled rates at the time of execution will be recovered from the bills in case they are supplied departmentally. The materials can be had from the nearest departmental stores. An additional 10 per cent on cost of the materials supplied from the Department will be charged as centage.

12 Reserve and earnest money deposits will be repaid only at the time of settlement of final bill.

13 Tendered contractors have to pay compensation to the disabled workmen working under them for any injury or death caused or occurred during the execution of this work, failing which, the amount will be deducted from the bills and paid to the injured or to the legal heirs of the deceased.

14 The term "Specification" mentioned either in the schedule or in the estimate in the notified items would mean "Specific" items of work to be done according to the instructions of the Public Works Department with reference to design, calculations, etc., furnished during execution and no higher rates than tendered ones will be paid.

15 The Department does not undertake the responsibility to supply lorries to the contractor.

16 Quantities given in the notification and schedule are approximate and are liable to alterations. No extra rates will be allowed for such alterations.

17 The works should not be sublet.

18 The contractor will have to make his own arrangements for water required for the works, scaffolding materials, conveying of materials, approach road to quarries, sand bags and necessary precautions from flood damages. No extra amount will be paid for any of the above items.

19 The tenderer should furnish an income-tax clearance certificate along with the tender as per rules.

The earnest money required along with the tender is Rs. 512 and a further sum equal to five per cent of the estimated amount will have to be deposited by the successful tenderer on acceptance of the tender. The above-mentioned amounts to be deposited in cash.

Specific rate should be given for each item in the Schedules and the rates should be noted both in words and figures.

The tendered rate should be for works to be done as per standard specifications approved by the Department and for using the best quality for materials. If new items of work not provided for in the estimate are to be carried out while executing the work, the rate to be paid for such items should be as per departmental schedule rate calculated on the basis of material and labour cost.

The tenderers shall not make any request to treat the arrears of amount due to them by Government as earnest money.

The work should be completed in all respects within one month from the date of acceptance of tender.

The quantities as estimated are only approximate and are liable to alterations, omissions, deductions or additions at the discretion of the undersigned. The tendered notice will hold good for any quantity whether higher or lower than those estimated for.

The right of rejection of any or all the tender without assigning reason therefor rests with the undersigned.

Within eight days of the acceptance of the tender, the successful tenderer will be required to execute the agreement on the Departmental Schedule Contract Form for the due fulfilment of the contract.

OFFICE OF THE SUPERINTENDENT, GOVERNMENT STUD FARM, KUNIGAL.

Notification dated 23rd October 1953.

It is hereby notified for the information of the public that the exclusive right of collecting Minor Forest Produce *i.e.*, tamarind yields of the trees of the Government Stud Farm, Kunigal, for the year 1953-54 will be sold by public auction at the Farm premises on 5th December 1953 at 3 P.M. by the Superintendent of the Farm subject to the following conditions :—

1 Each bidder, before he is permitted to bid in the public auction should deposit with the sale conducting officer a sum of Rs. 50 in cash as earnest money. The earnest money deposits of the unsuccessful bidders will be returned after the close of the sale. The successful bidder shall immediately after the close of the sale pay one-fourth of the sale amount, less earnest money deposit, together with the local and other cesses and sales-tax on the full sale amount. In default, the deposit will be forfeited and the right resold at the risk of the defaulter who should make good the loss that may result to Government thereby, but he shall not be entitled to any claim, in the event of profit. Should the defaulter fail to make good the loss the same shall be recoverable as arrears of land revenue.

2 The auction is subject to confirmation by the Director of Animal Husbandry Services in Mysore, Bangalore, who reserves the right of accepting or rejecting any bid without assigning any reason, whatsoever.

3 Within a week from the date of intimating of the confirmation of the sale, the successful bidder shall pay the remaining sale amount in full and shall make his own arrangements for proper guarding of the trees. No complaints in this regard will be entertained and no compensation whatsoever will be considered. In default to pay the amount stipulated above, the amount already paid will be forfeited to Government and the right resold at the risk of the defaulter who should make good the loss that may result to Government and in the event of profit he shall not be entitled to the same. Should the defaulter fail to make good the loss, it shall be recovered as arrears of land revenue.

4 Each bidder should see the trees and satisfy himself before the auction sale and any complaint received thereafter will not be entertained.

5 Any damage done to the Government trees and other property on the farm should be made good by the successful bidders.

6 The right of sale should not be sublet or transferred.

7 Withdrawal of bid or lodging dispute of any kind will not be entertained, when once the bid is offered in the open auction.

8 The decision of the Director of Animal Husbandry Services in Mysore, Bangalore, shall be final and legally binding in all matters of dispute.

Your quotation in response to our enquiry No. 11840 for supply of Iron Safes required during 1953-54.

Gentlemen,

No. S.P.C. 39465-56. The Stores Purchase Committee have been pleased to accept your quotation for the supply of Iron Safes described in the undermentioned schedule at the prices specified therein and arrange to supply them on indent received from the Officers of Mysore Government Departments in such numbers as may be required by them from time to time, all indents being complied with, within a fortnight from the date of their receipt.

The contract shall be deemed to be limited to the number of Iron Safes to be actually drawn by the Departments.

The contract will be in force for a period of one year from 1st November 1953 and the safes will have to be supplied throughout the period at the prices accepted herein. The iron safes to be supplied should be strictly according to the specifications. They will be subject to inspection by an officer of Industries and Commerce Department to be deputed for the purpose both during manufacture and after completion and such of the safes as may be found defective, during such inspection, either due to bad workmanship or due to use of bad materials will be rejected and all rejected supplies should be replaced by correct ones within two weeks from the date of rejection.

Failure to make supplies within the specified time or in accordance with the specification will entail cancellation of the contract and purchases being made from other sources debiting the extra cost, if any, incurred by Government to you. In such an event, the Stores Purchase Committee also reserve the right to levy a penalty as and by way of liquidated damages, of 3 per cent of the value of the order.

You should arrange to enter into an agreement and deposit a sum of Rs. 100 as security for the due performance of the contract within a week from the date of receipt of order, failing which the order will be cancelled. A draft agreement form is enclosed.

The bills of cost should be sent in triplicate to the respective indenting officers for arranging payment.

Monthly statements enclosed in the pro-forma for supplies made against the indent, should be forwarded to this office in triplicate so as to reach this office latest by the 10th of every month. Nil statement should also be submitted, if no supplies are made during a particular month.

Please acknowledge receipt of this order and quote the above indent number in all your correspondence relating to this contract.

Resale Notification dated 11th November 1953.

Re: Sale of the right of collecting Tupra leaves for 1953–56.

It is hereby notified for general information of the public that the exclusive right of collecting Tupra leaves on all Government unoccupied lands, Amrit Mahal Kavals, State Forests, Reserved lands and Plantations for 1953-56 will be sold talukwar at the place mentioned below, by the District Forest Officer, Tumkur District, (from 1st July 1953 to 30th June 1956.)

Taluk.	Place of sale.	Date of sale
1. Tumkur ...	District Forest Office ...	10th December 1953.
2. Gubbi ...		
3. Kunigal ...		
4. Chiknayakanahalli ...		
5. Sira ...		
6. Madhugiri ...		
7. Koratagere ...		

Remarks.—Excluding Kunigal Stud Farm lands.

N.B.—(*a*) Government have reserved their power of issuing individual licenses for *bona fide* local consumers free or otherwise.
(*b*) Excludes the produce of inam, jodi, khayamgutta, sarvamanya and other lands which are in the occupancy of private individuals as well as village forests.

1 The auction sale will commence at 2 P.M. and if it is not concluded on the same day, it will be continued on the following day.

2 Defaulters on account of previous leases will not be permitted to bid.

3 Intending bidders must be in possession of a certificate from the Amildar of the Taluk in which they reside, vouching for their solvency. No person will be allowed to bid in the absence of such a certificate.

4 No person will be allowed to bid unless he has deposited with the officer holding the sale, a sum of Rs. 200 which must be deposited in the form of currency notes. The deposits of the unsuccessful bidders will be returned immediately after the sale.

5 The exclusive right of collecting and removing the produce described above will be disposed of to the highest bidder, subject to the confirmation of the District Forest Officer or Conservator of Forests, Shimoga, as the case may be, who, at his discretion, may accept or reject the highest or any other bid without assigning any reason therefor.

6 The successful bidder shall, at the close of the sale, credit into any Government Treasury one-sixth sale amount including the deposit already made, together with cesses and sales-tax at Re. 0-3-6 per rupee on the full sale amount and the balance amount as follows:—

1. 1/6 (one-six) of the total sale amount to cover the remaining 50 per cent of the 1st instalment within fifteen days from the date of intimation of the confirmation of the sale.
2. The second instalment on or before the 1st April 1954.
3. The third instalment on or before the 1st April 1955.

(*G. O. No. A. F.* 3104-6—*Ft.* 65-46-2, *dated* 25*th November* 1946).

In default the deposit will be forfeited and the right resold. Such resale will be at the risk of the defaulting purchaser, who will be liable to make good any loss that may result to Government by it, but will not participate in any profit accruing therefrom.

N.B.—If the deficit be not paid, it will be recovered as revenue demand.

7 If the sale is not confirmed, the amount paid will be refunded.

8 The accepted bidder shall execute an agreement within fifteen days of the intimation of the confirmation of the sale binding himself to observe the conditions mentioned hereunder duly furnishing a security deposit equal to one-fourth of the sale amount or Rs. 500, whichever is less. In default the acceptance of the bid will be revoked, the money already paid forfeited and the right resold at his risk.

9 Further conditions to be entered in the agreement are:—

(*a*) The lessee shall hold himself responsible for the cutting or injuring of any other trees on the plea of collecting the produce. The lessee shall be held personally responsible for the acts of his agents or servants.

(*b*) The lessee shall furnish a list of sub-contractors, agents or servants who may be appointed by him for the collection of the produce.

(*c*) The lessee shall work out the lease himself and not transfer or sublet it to others without the previous sanction of the District Forest Officer or the Conservator of Forests.

(*d*) The coolies employed by the lessee must take permission from the Range Officer before they enter State Forests.

(*e*) The lessee shall keep and render accounts every month to the District Forest Officer, of the produce collected and removed by him or his agents during the month. His accounts will be liable for the inspection of Conservator of Forests, Shimoga, or the District Forest Officer or by any other officer deputed by either of them.

The lessee shall be considered a wholesale dealer for the collection and export of leaves and shall not interfere with licences issued by the Department for small quantities of leaves to *bona fide* local beedi manufacturers. (*Vide* G.O. No. I.C. 1059-68—Ft. 26-23-6, dated 31st August 1923 and G. O. No. 8079-89—Ft. 314-26-2, dated 21st March 1927, *Re*: free removal of headloads).

(*f*) The lessee, his agents or servants shall render all possible help in preventing the occurrence of fire in forests, in which he or they may be working and render prompt assistance in extinguishing such fire as may break out accidentally.

(*g*) The lessee shall remove out of the limits of the taluk all produce collected and sold under the terms of the lease, before the close of the period of contract.

(*h*) Neither the lessee nor his servants shall enter the State Forest, either before sunrise or after sunset.

10 In the event of the breach of any of the above conditions, the lease will be liable to be cancelled, deposit forfeited and the lessee fined to the extent of Rs. 100 which will be recovered as an arrear of Revenue demand.

11 Interest will be charged at 6¼ per cent per annum on all belated payments of revenue.

2 The prescribed tender forms can be had at the Office of the Executive Engineer, Mysore Division, on payment of annas four per form. Tenders submitted in forms other than the printed forms will be rejected.

3 Each tender must be accompanied by a duplicate treasury chellan for having credited the amount noted against each as earnest money under "Revenue Deposits" and S.B. Pass Books or any other adjustment of amount due by Government to the tenderer will not be considered. Each tender to be superscribed as "Demolition of the existing dilapidated Police Quarters and reconstructing of four units at Hunsur", without which the tender will be rejected.

4 Detailed estimates, plans and specifications may be seen in person by the tendering contractors in the office of the undersigned between 11 A.M. and 5 P.M. on all working days.

5 Specific rate should be quoted for each individual items of work which should be inclusive of all taxes prevailing in the area, and the tendered rates should be in words also. Tender offering percentage reduction or increase will not be considered.

6 No conditional clauses will be accepted.

7 For lumpsum provision for non-tendered items, the rates will be paid as per minimum current schedule or as per date with not more than 10 per cent for contractor's profit.

8 The final acceptance of the tender will rest with the Superintending Engineer, Cauvery Circle, Mysore, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection, if any.

9 The successful tenderer should bind himself to abide by the departmental rules in force and execute necessary contract agreement within a week from the date of communication of approval to his tender, failing which the earnest money will be forfeited to Government.

10 The earnest money of the rejected tenderers will be refunded on application, only after any of the tenders is approved or after two months from the date of receipt of tenders. The reserve and earnest money of the successful tenderer will be repaid only at the time of settlement of final claims.

11 All over-writings and corrections while submitting the tenders should be attested to by the tenders.

12 The quantities given in the estimate are only approximate and drawings shown to the contractors are only tentative and are liable to alterations, omissions, deductions or any additions at the discretion of the Executive Engineer, Mysore Division, or any higher authority. The tendered rates will hold good for any quantity, whether higher or lower than those given in the estimate.

13 In case of any accident to the labour employed by the contractor during the course of construction, the accepted tenderer should pay the compensation to the injured as per rules of Government in force, failing which the amount will be deducted out of his claims and paid to his injured.

14 The contract should not be sublet.

15 The name of the successful competitor, whose tender has been accepted will be posted on the notice board in the Office of the Executive Engineer in due course. No enquiry regarding the acceptance or rejection of a tender will receive any reply.

16 Rates once tendered will not be enhanced on any account.

17 In all matters not specifically provided for and in all matters of dispute about rates, quantities, measurements, quality of work, etc., and in all disputes of any kind, the decision of the Executive Engineer will be final and legally binding.

18 The Income-tax clearance Certificate should be enclosed along with the tender and tenders received without the certificate are liable to be rejected.

ENQUIRY INTO CORRUPTION ON INDIAN RAILWAYS.

General Questionnaire to Individuals and Organisations Interested in Railway Transport.

The following general questionnaire issued by the Railway Corruption Enquiry Committee, Ministry of Railways, Government of India, New Delhi. is published for general information. Individuals and organisations interested in railway transport are requested to prepare replies of concrete cases with facts, figures and date, time and place of occurrence, wherever possible, and send the same to the Secretary, Railway Corruption Enquiry Committee, Ministry of Railways, Government of India, New Delhi, direct, so as to reach him by 31st December 1953.

General Questionnaire.

1. What are the modes of corruption prevalent amongst the railway staff in respect of the following :—

(*a*) Booking of goods and parcels traffic with special reference to—

(i) registration,
(ii) allotment of wagons,
(iii) loading,
(iv) delays in transit specially to perishable and livestock,
(v) unloading, and
(vi) delivery.

(*b*) Booking of passengers and their luggage with special reference to—

(i) opening of booking windows,
(ii) charging fares for tickets,
(iii) charging excess fares for making tickets available for higher class or longer distances,
(iv) granting refunds on unused tickets,
(v) reservation of berths,
(vi) reservation of carriages and their movements, and
(vii) booking of luggage.

2. Is the information about allotment, restrictions, etc. exhibited on the notice boards at Stations and also intimated to the Chambers of Commerce, etc. ?

3. (*a*) Are there cases of empty wagons "placed" being shown as "non-placed" to avoid payment of demurrage and/or forfeiture of registration fee ?

(*b*) Is this done in the case of inward loaded wagons also to avoid payment of demurrage ?

4. Are there cases of deliberate under-weighment to avoid the payment of the full freight charges ? Are they numerous ?

5. Are there cases of deliberate over-weighment to put forward false claims ?

6. Are there cases of persons getting wagons of larger floor area in collusion with the railway staff ?

7. What is the extent of ticketless travelling and to what extent is it resorted to because of the connivance of the railway staff ?

8. What are the ways in which thefts and pilferages of goods and parcels occur—

(i) in railway stations,
(ii) in marshalling yards, and
(iii) on running trains ?

To what extent are the railway staff responsible for these thefts and pilferages ?

9. What is the *modus operandi* generally adopted in following such *malpractices* ?

10. Are you aware of any instances of empty wagons being unnecessarily detained on any railway at intermediate yards ?

11. Are there cases of pilgrims being harassed by the railway staff particularly during the melas, to extract illegal gratification ?

12. What measures do you suggest to eradicate these *malpractices* ?

13. In what way can the public co-operation be enlisted to eradicate these *malpractices* ?

14. Do you consider that periodical checks by a Committee of Railway Officers and non-officials at important sations will be useful in ensuring proper allotments and giving satisfaction to the public ?

OFFICE OF THE EXECUTIVE ENGINEER, HONNEMARADU SURVEY DIVISION, JOG.

Notification dated 14th November 1953.

Sealed tenders in duplicate will be received by the Executive Engineer, Honnemaradu Survey Division, Jog, up to 4 P.M. on 16th December 1953, for the following work:—

Sl. No.	Name of work	Amount of estimate Rs.	Earnest money Rs.
1.	Estimate for sinking a R.C.C. well at Anavatti of 5 ft. diameter internal.	3,000	150

1 Tenders in duplicate should be addressed to the Executive Engineer, Honnemaradu Survey Division, Jog, in a sealed cover. Prescribed tender forms are obtainable from the Executive Engineer, Honnemaradu Survey Division, Jog, or from the nearest Power and Light Office on payment of four (Re. 0-4-0) annas only per form with abstract of quantities.

2 Earnest money should be deposited in cash at the Division Office or in the nearest Power and Light Offices and the receipt for the amount remitted should be attached to the tender forms. Tenders without earnest money will not be accepted. No cheques will be accepted.

3 The drawings and estimates for the work will be made available in the Office of the Executive Engineer, Honnemaradu Survey Division, Jog, for information on any working days between 11 A.M. and 5 P.M.

4 Specific rates and units should be given for each item in the schedule accompanying each tender and the rates should be in rupees, annas and pies and expressed in words and figures. Tenders offering a precentage on the estimated amount will be rejected. No heed will be taken of any application for any higher rates during execution of the work. The rates tendered for by him on the basis of fluctuations in the market rates or due to any other prevailing conditions during the course of the work. The successful tenderer shall be bound by the conditions of schedule of contract of the Electrical Department.

5 Items not provided for in the estimate will be calculated as per minimum scheduled rate or data worked out during execution of the work for non-scheduled rates.

6 There should not be any alterations or erasures in the tenders in the rates of items and any corrections in the rates should be attested to and the number of corrections, if any, in each page noted at the foot of the same by the tenderer.

7 The final acceptance of the tender will rest with the Chief Electrical Engineer to the Government of Mysore, Bangalore. The successful contractor should bind himself to abide by the departmental rules in force, execute the agreement on receipt of intimation of acceptance of the tender.

8 The name of the successful tenderer will be pasted on the Notice Board in the Office of the Executive Engineer, Honnemaradu Survey Division, Jog, in due course within eight days of the acceptance of the tender. The successful tenderer will be required to execute an agreement in the departmental schedule contract form for the due fulfilment of the contract and for the execution of all items of the work in accordance with the specification.

9 Failure to comply with conditions or to agree to carry out the work in accordance with the specifications and agreements in force will entail forfeiture of the earnest money.

10 The earnest money of the rejected tenderers will be returned on submission of the receipt orginally granted along with an application to the Executive Engineer, Honnemaradu Survey Division, Jog.

11 When once the rates tendered have been accepted they will not be revised under any circumstances. In regard to item of work not tendered the rates for the same will be calculated by the Executive Engineer, on the basis of the current rates of materials and labour with a

contractor's profit of 10 per cent as may be approved by the Chief Electrical Engineer. This shall be final and legally binding on the tenderer.

12 The quantities given in the schedule are only approximate and the drawings shown to the contractors are only tentative and are liable to alterations, omissions, deductions or additions at the discretion of the Executive Engineer or his representatives. The tendered rates will hold good for any quantity whether higher or lower than those given in the enclosed schedule.

13. No claims of damages for delay caused by Officers of Department in the execution of the works will be considered whatever may be the reasons for such delay. The Contractor should bear this in mind when tendering for the work. Extension of time due to delay caused by the departmental officers will, however, be considered on the merit of each case.

14 No conditional clause will be accepted.

15 Sales-tax, royalty, etc., will have to be paid by the Contractor.

16 The centage charges will be 15 per cent for the materials to be supplied departmentally.

17 Such of the materials available in the stores should be purchased by the contractor in the Electrical Stores on payment of cash.

18 The Contractor should make his own arrangements for transport of materials, water supply, etc., No lorries will be supplied by the Department.

19 Sales tax clearance certificate will have to be produced along with the tender.

OFFICE OF THE DIRECTOR OF ANIMAL HUSBANDRY SERVICES IN MYSORE, BANGALORE.

Sale Notification dated 21st November 1953.

It is hereby notified for the information of the public that the annual sale of about 120 young surplus Amritmahal Cattle will be held in public auction, by the Director or any other officer that may be deputed by him at the following places at 2 P.M. on the dates noted against each :—

Sl. No.	Sale Centre	Date of Sale	Other particulars
1	Holalkere ...	16th December 1953 ...	Near Holalkere Railway Station.
2	Honnavalli Road.	18th December 1953 ...	Near Honnavalli Road Railway Station.

(1) The final bid at the open auction will only be accepted by the Director, Department of Animal Husbandry Services, or the sale conducting officer subject to the condition that the bid amount is deemed to be not below the price of the animal put up for auction. Immediately after the close of the sale the successful bidder should pay

up 25 per cent of the sale amount as deposit and offer suitable security for the payment of the balance. The balance of the sale amount should be paid within three days of the date of sale failing which the animal will be resold at the risk and responsibility of the original purchaser. If the amount realised in such resale should result in loss to Government, such loss will be recovered from the original purchaser as per rules applicable for recovery of arrears of land revenue. If in case, the resale should bring in a higher amount than in the original sale, the original purchaser will have absolutely no claims over excess amount. The animal put up for resale will be retained in charge of the Department till it is sold again at the risk and responsibility of the original defaulting highest bidder.

(2) If the sale conducting officer should have any doubt about the solvency of any of the bidders, they can be permitted to bid only after depositing a sum ranging from Rs. 10 to Rs. 25 as may be fixed by the sale conducting officer.

(3) When once a bid is offered neither any complaints can be entertained regarding the bid, nor the bidder can deny or reject the animal for which the bid is offered and as soon as the sale of the animal is closed, the highest bidder will attest his signature after entering the details of sale in the register of the sale of cattle. If the bidder holds out any takarar, a mere remark to that effect by the sale conducting officer will be enough. When the highest bidder has attested the concerned register, it is deemed that he has agreed to be bound by all the conditions of the sale.

(4) Sales-tax at three pies per rupee has to be paid on the final bid amount on the date of sale.

P. M. NARAYANASWAMY NAIDU,
Director.

PUBLIC ADVERTISEMENTS

OFFICE OF THE PRINCIPAL INFORMATION OFFICER TO THE GOVERNMENT OF MYSORE, OLD PUBLIC OFFICES, BANGALORE.

Press Note.

Instructions were issued by Government on 10th September 1953 that recovery of Sales-tax from non-resident dealers who have no agents or branches or distributors in the State be waived in respect of inter-State transactions during the period from 1st April 1951 to 31st March 1953, if, and to the extent, it has not been already collected.

Representations have since been made by Trade Associations and merchants that in respect of several inter-State transactions, non-resident principals will have acted either independently of their local agents, branches or distributors or that the latter will have canvassed orders for their principals but that the actual transfer of property will have taken place without their intervention, and that it would therefore be a hardship to their local agents or branches or the distributors, if the latter are liable to pay the tax, as they have not collected Sales-tax from customers.

On a consideration of the above representation, Government are pleased to order that recovery of Sales-tax from the non-resident dealers having branches/agents or distributors in the State be also waived in respect of the goods sold by them during the period from 1st April 1951 to 31st March 1953 direct to the dealers or consumers inside the State without the intervention of their local agents, branches or distributors, and on which transactions they have not collected tax from their customers. Where, however, the transfer of property has taken place through the intervention of the local agent/branch in the State, the tax will be assessed and recovered as the liability was present even before the Constitution by virtue of Section 19 of the Mysore Sales-tax Act.

TUMKUR DIVISION.

Tender Notification dated 20th November 1953.

1 Sealed tenders will be received up to 4 P.M. on 21st December 1953, at the Office of the Executive Engineer, Tumkur Division, Tumkur, for running a Hindu Restaurant in the District Office premises at Tumkur, for the period of lease of 2 years commencing from 1st January 1954 or from the date of acceptance of tender.

2 Tenders should be addressed to the Executive Engineer, Tumkur Division, Tumkur, in sealed cover and be superscribed as "Tenders for running a Hindu Restaurant in the District Office premises at Tumkur."

3 Each tender should be accompanied by a Treasury chellan for having credited the required earnest money of Rs. 300 under "Revenue Deposits". After tenders are disposed off the treasury chellan accompanying the tender of unsuccessful tenderer will be returned to him by the Public Works Department with an endorsement signed by the divisional officer to the effect that the tender is rejected and the amount of the chellan may be repaid to the party concerned. This earnest money will not carry any interest. No Cheques will be accepted. Tenders without earnest money will not be considered.

4 The monthly rate of rent of the building should be quoted both in words and figures and the same should be paid in advance before 15th of every month.

5 No delay in payment of rent will be countenanced. Default in payment of rent will involve cancellation of contract and forfeiture of the earnest money deposit. The tender will be opened on 21st December 1953 at Executive Engineer's Office in front of the contractors.

6 The acceptance of the tender will be with the Executive Engineer, Tumkur Division, Tumkur, who will have the power to reject or to accept any tender without assigning reasons. His order will be final and binding on all tenders.

7 The name of successful tenderer will be put on the Notice Board and the earnest money of the unsuccessful tenderers will be refunded on application.

8 The building should not be used for dwelling purpose and should not be altered according to the pleasure of the tenderer.

9 Tenderer will have to employ properly clothed and trained attendants. At least head server having experience in the restaurant on up-to-date lines to keep everything neat and tidy, will have to be employed. There should be no room to any complaint from any officials regarding bad preparation and serving, etc.

10. The successful tenderer will have to execute necessary agreement within a week from the date of acceptance of tender, failing which he will forfeit his earnest money and fresh tenders will be called for. Any petitions received after the tenders are opened cannot be considered

ENGINEERING DEPARTMENT

BUILDINGS DIVISION, BANGALORE.

Notification.

Tenders will be received in the Office of the Executive Engineer, Buildings Division, Bangalore, up to 3 P.M. on 23rd December 1953, for the following work :—

Name of work	Amount of estimate Rs.	Earnest money Rs.
Constructing Second Floor on the Asiatic Building, Kempegowda Road, Bangalore.	1,65,210	5,000

1. Each tender must be accompanied by a duplicate chellan for having deposited the earnest money noted against the work into the Reserve Bank of India, Bangalore, to the credit of "P. W. Deposits—2 Advances, Revenue Deposits" in default of which the tender will be rejected.

2. Only on acceptance of one of the tenders, the earnest money of the rejected tenders will be returned.

3. Copies of the contract documents, schedule and drawings may be seen at the Office of the Executive Engineer, Buildings Division, Bangalore, on all working days between 11 A.M. and 5 P.M.

4. The tenderer need only mention the rates for each item of work of the abstract estimate both in words and in figures, at which he is willing to undertake the work without which the tender will be rejected. The total cost of each item of work together with the grand total of each work should also be noted in the tender.

5. Tenders submitted in other than the prescribed form will be rejected, the prescribed form being available at the Division Office on payment of Re. 0-4-0 per copy.

6. The detailed clauses defining the conditions of the tender can be seen at the Office of the Executive Engineer, Buildings Division, Bangalore.

7. Items not provided for in the estimate will be paid for as per schedule of rates or as per data worked out, if not provided for in the schedule of rates during the time of execution.

8. The sealed tenders received for the above work will be opened in the presence of such of those tenderers who will be present at that time.

9. If the work is not completed and handed over within the specified period, a fine of Rs. 50 will be levied for every fortnight's delay.

10. The final acceptance or recommendation for acceptance will rest with the Chief Engineer, Bangalore. The successful contractor should bind himself to abide by the departmental rules in force and execute the necessary *mutchalika* on receipt of intimation of acceptance of his tender, failing which, his earnest money will be forfeited.

11. Under no circumstances will a father and his son or other close relations be allowed to tender for the same contract as separate competitors. A breach of this condition will render the tenders of both the parties liable for rejection.

12. The submission of a tender by a contractor implies that he has read this notice and the conditions of the contract and has made himself aware of the scope and specifications of the work to be done and of the schedule of rates, etc.

13. In all matters of disputes about rates, measurements, quantity and quality of work, etc., and in all other disputes of any kind, the decision of the Chief Engineer for Roads and Buildings in Mysore, Bangalore, will be final and legally binding.

14 The rates quoted shall hold good if the tender is accepted within six months from the date of tender and shall thereafter be binding for the execution of the entire work.

15. The contractors will please note that the conditions will in no case be relaxed.

16. Those who cannot abide by the conditions need not tender.

17. The work should be completed within *twelve months* from the date of issue of work order.

18. Tendered contractor has to pay compensation to the disabled workmen working under him for any injury caused during the execution of this work, failing which, the amount will be deducted from the bills and paid to the injured.

19. Sales-tax will be recovered at the prescribed rate on all works bills.

20. The tenderer should produce the Income-tax Clearance Certificate from the Income-tax Commissioner along with the tender without which the tender will not be considered.

21. Sales-tax Clearance Certificate should also be enclosed along with the tender in the prescribed form as per Government Order No. Fl. 4267-4416—S.T. 32-53-2, dated 20th August 1953, failing which, the tender will be rejected.

1473

OFFICE OF THE COMPILER, *MYSORE GAZETTE*, BANGALORE.

NOTICE.

1. The *Mysore Gazette* is published at Bangalore every Thursday. Matter for publication in the Gazette is often sent late to the Press. This involves considerable inconvenience to the Press and expense to Government. All matters intended for publication in Parts I, II, III, IV, V, VI and VII should therefore reach this office not later than *Monday Evening*, and that for Part II not later than *Tuesday Evening* for the following Thursday's issue of the Gazette. All matters received later than these days will be kept by for insertion in the following issue of the Gazette. (G. O. No. P. 988-1040—P & S. 12-30-2, dated 26th July 1930.)

2. ( ) Spare copies of notifications, etc., are often asked for long after their publication, when the matter has been broken up, necessitating its re-setting and thereby causing inconvenience to the Press and waste of money. When spare copies are wanted, a note to that effect stating the number of copies should be made at foot of such manuscript.

(ii) Indents for less than 100 spare copies should not be sent to the Press, subject to the exceptions contained in G. O. No. G. 14330-95—P. & S. 5-19-9, dated 23rd December 1919 in regard to notices calling for tenders for the purchase of stores or for the execution of works. When a few copies only are required, they may be made available by the use of carbon sheets simultaneously with the preparation of a copy for the Gazette, as laid down in the above Government Order. (Letter No. G. 10382—P. & S. 9-37-2, dated 30th June 1938, received from the Secretary to Government, Development Department.)

(iii) When indents for an unusually large number of spare copies are sent, such instances will be brought to the notice of Government, as per letter No. G. 10382—P. & S. 99-37-2, dated 30th June 1938, received from the Secretary to Government, Development Department.

3. Matter sent for insertion in the Gazette will be published *only once* and the abstract in two issues. (G. O. No. G. 2915-6—P. &. S. 44-25-2, dated 13th September 1926).

4. Applications for the supply of the Gazette on *Public Service* should be made to the Chief Secretary to the Government of Mysore.

5. As per G. O. No. E. 1892-1902—P. & S. 12-23-13, dated 8th December 1923, and G. O. No. 5139-95—P. & S. 52-30-1, dated 12th November 1930, the English or the Kanarese portion of the *Mysore Gazette*, consisting only of the five Parts, *viz.*, I, II, III Section 1, III Section 3, IV and V taken together or an entire copy of the English or Kanarese Gazette containing all the parts will be supplied only to Patels, Nad-Patels, Shanbhogs and Sheikdars within the State at *half* rates on production of a certificate from the Amildar of the taluk to the effect that such applicant is *bona fide* on duty at the time or that he is on leave for a period not exceeding three years. Such subscribers will please note that the Gazette cannot be had *in separate parts* at concession rates under any other conditions and that they have to pay the full subscription for the part or parts required.

6. As Government Treasuries in Mysore are authorized to receive and credit Gazette subscriptions as well as publication charges remitted by Courts or private parties, all such money should be sent to Treasuries and only Treasury receipts forwarded to this office. No money orders or cash will be received by the undersigned except from parties outside the State.

7. Much inconvenience is caused to this office by subscribers omitting to give their full and correct addresses and writing illegibly on the money order coupons. They are requested to insert invariably the name of the Post Office to which their copy should be sent.

8. Communications on post cards or on paper less than quarter sheet of foolscap will not receive attention; and no communication should be sent on Government Service by private parties.

9. An efficient system of check and counter-check is maintained over the despatch of Gazette copies forwarded through post. Duplicates cannot be supplied in any case of non-delivery.

10. Complaints regarding non-receipt of the Gazette should be forwarded to the undersigned within a week after the date on which it is due.

11. (*a*) The rates of annual subscription to the Gazette *for subscribers within the Mysore State* which are payable in advance are as follows :—

Press Note.

WORKING OF THE FIVE-YEAR PLAN.

The Inter-Departmental Committee which consists of the Chief Minister as Chairman and the Secretaries to Government and Heads of Departments as members met on 30th November 1953 in the Legislative Council Hall in the Old Public Offices to review the progress of the schemes under the States Five-Year Plan and the adjustments required thereunder and measures necessary for the acceleration of progress in certain directions, particularly in the scarcity-affected areas and for relief of unemployment among urban and educated classes. Sri K. Hanumanthaiah, Chief Minister, presided and the Ministers for Revenue, Agriculture and Local Self-Government were also present.

The Commissioner for Economic Development and Planning made a detailed review of the progress secured in the first half of the year 1953-54 in the implementation of the Plan in the several Departments and expressed the view that generally while the provision allowed by Government in the Budget for 1953-54 for the several Departments was somewhat below the amount envisaged in the Plan, the actual outlay in most of the Departments was disproportionately low in the first half of the year although in the second half of the year it would be very much larger in the normal course. He suggested that the Heads of Departments should keep a close watch on the actual execution of the various schemes and ensure that the targets for the year should not only be fully reached but exceeded to make up for the short-fall in the previous two years. He also indicated that the review of implementation of the schemes in each Department should be carefully assessed by the Heads of Departments with reference to three basic considerations which had not hitherto received adequate attention, namely,

(1) Publicity and propaganda under the Plan regarding the work in each Department and the programme itself;
(2) Enlistment of popular support, co-operation and association in the execution of the Plan;
(3) The break-up of the Plan into regional programmes with reference to the position in each Department.

The Heads of Departments made statements regarding the actual position of implementation of the Plan in their Departments. The Committee considered their suggestions and made suitable recommendations on various items.

In regard to accelerating the progress of work on the Bhadra and Nugu Projects for which a large amount of additional finance had now been given by the Central Government, the Chief Engineer, Public Works Department, stated that measures had been put in hand for utilising the full budget provision and accelerating the works. The Chief Electrical Engineer stated that a critical position had almost been reached regarding the power supply resources in the State and immediate sanction of Shimsha Hydro-Electric Extension Project which had been included in the Plan was necessary to give some interim relief in this respect.

The Commissioner of Development and Planning intimated that the Central Government had expressed their readiness to give financial assistance for the establishment of the State's Industrial Finance Corporation in accordance with a general policy which had been enunciated by them recently and that the structural details of the Corporation proposed to be set up in Mysore would be furnished shortly to them and the Corporation itself would commence operations within the next one or two months. He intimated that the Planning Commission's Deputy Secretary, Sri Tarlok Singh, would visit the State shortly to study the measures adopted in Mysore which had secured striking rural development in the State through the extension of rural electrification and and irrigation schemes as it was the desire of the Planning Commission that other States should be induced to adopt similar measures for achieving similar speedy progress. The Minister for Agriculture, Dr. Nagan Gowd, suggested that the Heads of Departments concerned should urgently take up proposals for the development of fishery in Thungabhadra and other big reservoirs in the State as considerable revenue could be realised and for expediting the Seed Control Legislation in respect of sericultural development work and proposals for the extension of irrigation through bore-wells in suitable areas of the State. The Inter-Departmental Committee appointed a Sub-Committee for considering the question of further decentralisation of powers to Heads of Departments and prescribing of efficient studies for departmental officials with a view to securing further speed in the despatch of official work in Government offices.

ISSUE PRICE OF WHEAT.

In Press Note dated 10th October 1953, it was announced that the retail issue price of wheat to the poorer classes of the population in the affected areas of the State only was reduced to Re. 0-6-2 per seer.

2. With a view to popularise wheat in the other areas of the State also, the Government of India was moved to supply wheat at the concession rate of Rs. 14 per maund. The Government of India have now agreed that the 20,000 tons of wheat already allotted to Mysore may be treated for the purpose of popularisation in the State instead, subject to the following conditions:—

(1) This quantity of wheat should not be utilised for conversion into "fines"; and
(2) This may be sold on "no profit no loss" basis, *i.e.*, at the price of Rs. 14 per maund *plus* the incidental charges.

3. The retail issue price of wheat has accordingly been revised and fixed at 2 3/8 seers per rupee or Re. 0-6-9 per seer uniformly throughout the State including scarcity-affected areas with effect from 5th December 1953.

Cultural and Social Uplift as part of the New Educational System in Mysore.

Co-ordination of effort among the several agencies in the State.

For some time now, Government have been feeling, especially in view of the impending introduction of the new system of education in the State, that there is an urgent need for co-ordinating the efforts made not only by the Education Department of the Government, but also of the Mysore State Adult Education Council, Bharath Seva Dal, Bharath Sevak Samaj and the Department of

Literary and Cultural Development. With the object of eliciting opinion on this matter, the Chief Minister had called for a meeting of the concerned authorities in his Chambers on Friday, the 4th December 1953. All the Ministers were also present at the meeting. In all, there were 31 persons present.

Addressing the meeting, the Chief Minister drew the attention of the gathering to the imperative need for co-ordinating the efforts of the several agencies now working in the State towards social, educational and cultural uplift. The new scheme of education which is to be introduced in the State very soon has, as its essence, the moral and manual training of students. The Chief Minister felt that this important aspect could well be attended to in a co-ordinated manner by not only the Education Department, but by the other agencies also. He made it clear that all these organisations now working in parallel directions could focus their scope of activities in consonance with the new outlook, policy and programme of the Government in respect of the education of children. While the Adult Education Council was doing very good work all these years, it has become increasingly clear that with the inadequacy of funds for the activities of the Council, it is desirable that the Council should spread its activities not only to making adults literates but also in educating our young boys and girls. It may be that in the olden days when the percentage of literacy was not high, that this adult literacy work was taken up in a missionary spirit, but now when the Government are not in a position even to provide ordinary educational facilities to all the rural areas of the State, it is desirable that the Adult Education Council should not only concentrate its energies in helping the Education Department, but also help the revival of the finer forms of art and dance. The modern mind needed something more than mere folk dances and other crude arts. The Council should so base its activities that it should come up to the expectation of present-day minds. Again, the Bharath Seva Dal which has been training boys and girls in a disciplined manner has also to extend its activities. The resources at the disposal of these agencies should be pooled in order to educate our students from the primary stages onwards in the matter of infusing not only moral education, but also manual work. Again, the Department of Samskriti Prachar has also got to co-ordinate its activities with the above agencies. A separate organisation for this work is not quite necessary when there are already well-established organisations like the Seva Dal, the Sevak Samaj and the Adult Education Council. The Chief Minister also said that if certain agreed conclusions could be arrived at on this question of co-ordination of activities, Government would be able to place at their disposal all the mobile vans which are now dispersed in the districts. Even rural development work, the Chief Minister felt, could also be co-ordinated with the efforts of these agencies.

The manual work that is now being contemplated in the new educational system cannot be fully implemented by the Education Department itself, which has all the teaching and administration work to attend to. The additional responsibility would be much too heavy a burden and has got to be shared by the Adult Education Council, the Seva Dal and the Sevak Samaj. The Chief Minister promised to sanction the necessary grants in the next year's budget for this purpose. But he also made it clear that in sanctioning the grants, the actual work that could be undertaken would be the determining factor. He also said that the utmost importance should be laid on the avoidance of duplication, of waste of energy and money.

After some discussion, it was decided that a Co-ordinating Committee consisting of the representatives of the Bharath Seva Dal, the Adult Education Council, Bharath Sevak Samaj and certain other interests should be constituted to recommend suitable measures for the systematic organisation of manual and social work, Samskriti Prachar work, Adult Literacy work and physical culture and social work. The Co-ordinating Committee will also have two representatives nominated by Government, *viz.*, Sri K. Subba Rao, Advocate, Ramanagaram, and Sri L. T. Karle, Hassan. The Chief Minister will be the Chairman of this Committee for a period of two months and the Secretary to Government, Education Department, would be its Secretary. The next meeting of this Committee, which is to be hereafter called "The Co-ordinating Committee for Social Service Organisations", was decided to be fixed for the 10th of December 1953 in the Chambers of the Chief Minister to chalk out the future programme.

Brief Notification dated 21st November 1953.

The attention of the public is drawn to the Notification to calling for tenders for constructing Second floor on the Asiatic Building, Kempegowda Road, Bangalore City, published in page 1543, Part VI of the *Mysore Gazette*, dated 3rd December 1953, the last date being 23rd December 1953.

6390

Notification.

Tenders will be received in the Office of the Executive Engineer, Buildings Division, Bangalore, up to 3 P.M. on 28th December 1953, for the following work :—

Name of work	Amount of estimate	Earnest money
	Rs.	Rs.
Constructing three additional rooms to M. A. R. P. School, Mysore Road, Bangalore.	15,010	750

1. Each tender must be accompanied by a duplicate chellan for having deposited the earnest money noted against the work into the Reserve Bank of India, Bangalore, to the credit of "P. W. Deposits—2 Advances, Revenue Deposits" in default of which the tender will be rejected.

2. Only on acceptance of one of the tenders, the earnest money of the rejected tenders will be returned.

3. Copies of the contract documents, schedule and drawings may be seen at the Office of the Executive Engineer, Buildings Division, Bangalore, on all working days between 11 A.M. and 5 P.M.

4. The tenderer need only mention the rates for each item of work of the abstract estimate both in words and in figures, at which he is willing to undertake the work without which the tender will be rejected. The total cost of each item of work together with the grand total of each work should also be noted in the tender.

5. Tenders submitted in other than the prescribed form will be rejected, the prescribed form being available at the Division Office on payment of Re. 0-4-0 per copy.

6. The detailed clauses defining the conditions of the tender can be seen at the Office of the Executive Engineer, Buildings Division, Bangalore.

7. Items not provided for in the estimate will be paid for as per schedule of rates or as per data worked out, if not provided for in the schedule of rates during the time of execution.

8. The sealed tenders received for the above work will be opened in the presence of such of those tenderers who will be present at that time.

9. If the work is not completed and handed over within the specified period, a fine of Rs. 50 will be levied for every fortnight's delay.

10. The final acceptance or recommendation for acceptance will rest with the Chief Engineer, Bangalore. The successful contractor should bind himself to abide by the departmental rules in force and execute the necessary *mutchalika* on receipt of intimation of acceptance of his tender, failing which, his earnest money will be forfeited.

11. Under no circumstances will a father and his son or other close relations be allowed to tender for the same contract as separate competitors. A breach of this condition will render the tenders of both the parties liable for rejection.

12. The submission of a tender by a contractor implies that he has read this notice and the conditions of the contract and has made himself aware of the scope and specifications of the work to be done and of the schedule of rates, etc.

13. In all matters of disputes about rates, measurements, quantity and quality of work, etc., and in all other disputes of any kind, the decision of the Chief Engineer for Roads and Buildings in Mysore, Bangalore, will be final and legally binding.

14. The rates quoted shall hold good if the tender is accepted within six months from the date of tender and shall thereafter be binding for the execution of the entire work.

15. The contractors will please note that the conditions will in no case be relaxed.

16. Those who cannot abide by the conditions need not tender.

17. The work should be completed within *two months* from the date of issue of work order.

18. Tendered contractor has to pay compensation to the disabled workmen working under him for any injury caused during the execution of this work, failing which, the amount will be deducted from the bills and paid to the injured.

19. Sales-tax will be recovered at the prescribed rate on all works bills.

20. The tenderer should produce the Income-tax Clearance Certificate from the Income-tax Commissioner along with the tender without which the tender will not be considered.

21. Sales-tax Clearance Certificate should also be enclosed along with the tender in the prescribed form as per Government Order No. Fl. 4267-4416—S.T. 32-53-2, dated 20th August 1953, failing which, the tender will be rejected.

TUMKUR DIVISION.

Tender Notification dated 20th November 1953.

1 Sealed tenders will be received up to 4 P.M. on 21st December 1953, at the Office of the Executive Engineer, Tumkur Division, Tumkur, for running a Hindu Restaurant in the District Office premises at Tumkur, for the period of lease of 2 years commencing from 1st January 1954 or from the date of acceptance of tender.

2 Tenders should be addressed to the Executive Engineer, Tumkur Division, Tumkur, in sealed cover and be superscribed as "Tenders for running a Hindu Restaurant in the District Office premises at Tumkur."

3 Each tender should be accompanied by a Treasury chellan for having credited the required earnest money of Rs. 300 under "Revenue Deposits". After tenders are disposed off the treasury chellan accompanying the tender of unsuccessful tenderer will be returned to him by the Public Works Department with an endorsement signed by the divisional officer to the effect that the tender is rejected and the amount of the chellan may be repaid to the party concerned. This earnest money will not carry any interest. No Cheques will be accepted. Tenders without earnest money will not be considered.

4 The monthly rate of rent of the building should be quoted both in words and figures and the same should be paid in advance before 15th of every month.

5 No delay in payment of rent will be countenanced. Default in payment of rent will involve cancellation of contract and forfeiture of the earnest money deposit. The tender will be opened on 21st December 1953 at Executive Engineer's Office in front of the contractors.

6 The acceptance of the tender will be with the Executive Engineer, Tumkur Division, Tumkur, who will have the power to reject or to accept any tender without assigning reasons. His order will be final and binding on all tenders.

7 The name of successful tenderer will be put on the Notice Board and the earnest money of the unsuccessful tenderers will be refunded on application.

8 The building should not be used for dwelling purpose and should not be altered according to the pleasure of the tenderer.

9 Tenderer will have to employ properly clothed and trained attendants. At least head server having experience in the restaurant on up-to-date lines to keep everything neat and tidy, will have to be employed. There should be no room to any complaint from any officials regarding bad preparation and serving, etc.

10. The successful tenderer will have to execute necessary agreement within a week from the date of acceptance of tender, failing which he will forfeit his earnest money and fresh tenders will be called for. Any petitions received after the tenders are opened cannot be considered.

1 The last day of receiving the tenders is 28th December 1953 by 3 P.M.

2 The tenders should be accompanied by a Treasury Chellan for having paid Rs. 200 towards earnest money for the tender which should be superscribed as " Tender for running a Canteen in the premises of the Labour Commissioner's Office Compound, Bangalore. The amount should be credited to "P. Advances & Deposits, Revenue Deposits," in the Treasury Accounts, without which the tenders will not be considered.

3 The monthly rate offered should be expressed in words as well as in figures distinctly and any corrections therein should be attested by full signature of the tenderer.

4 The name of successful tenderer will be notified on the notice board of the office on publication of which the unsuccessful tenderers may get back their earnest money.

5 Within three days from the notification of the successful tenderer's name, he should deposit *six months rent in advance and also execute* a Lease Deed on a ten-anna stamp paper, binding himself to abide by the

conditions of the contract, failing which, the earnest money will be forfeited to Government and the canteen disposed of on fresh tenders at risk.

6 The lessee should pay the monthly rent on the 5th of every month failing which a fine of Rs. *5 will be levied* for every week's delay or fraction thereof.

No delay in payment of rent will be countenanced and if the rent is not paid in any month, the contract will forthwith be cancelled and the earnest money and the advance of rent will be forfeited to Government.

7 The contractor should also give an undertaking to the effect that in the event of default, the arrers may be recovered from him as arrears of Land Revenue under Section 192 of Land Revenue Code.

8 The final acceptance of the tender will rest with the Government in the Public Works Department.

9 The right of running the canteen shall be for a period of two years from the date of acceptance. This right shall not be transferred or sublet to any other person.

10 No alterations shall be effected in the building without the written permission of the undersigned or other officers authorised by him. The lessee shall be responsible for all the electric and other fittings in the building and the club and surroundings will be kept clean by him.

11 He will provide his own stock of decent furniture and pay for light, water, sanitary cess bills and also the Municipal taxes of the premises.

12 The building shall not be used for dwelling purposes. Electric cooking ranges shall be arranged for by the tenderer. Needful provisions will however be made to draw the Electric power to the kitchen.

He should put up the neceessary platforms and lead the smoke to the chimney.

13 The proprietor shall employ properly clothed and trained attendants and should be bound to supply clean and wholesome preparations. The equipment of furniture shall be on the lines approved by the Government.

14 It is entirely the reponsibility of the proprietor to get the required License and Ration Cards for serving the Canteen and this office will not interfere in the matter.

15 In the event of the tenderer failing to execute the required lease deed, the above conditions are to be held legally binding and enforcible in court of law even in the absence of a regular lease deed.

16 The successful tenderer will have to pay six months' rent as deposit in addition to the earnest money deposit at the time of executing the Lease Deed, as additional guarantee for the fulfilment of the contract.

1 Tenders in the prescribed form obtainable from the office of the Executive Engineer, Tumkur Division, on payment of four annas (Re. 0–4–0) should be addressed to the Executive Engineer, Tumkur Division, in a sealed cover. The name of the work and the full address of the contractor should be written on the cover.

2 Each tender should be accompanied by a treasury chellan for having credited the earnest money under Revenue Deposits. If any tenders are received without treasury chellan, it will be rejected. After tenders are disposed off the treasury chellan accompanying the tenders of unsuccessful tenderers, will be returned to him by the Public Works Department with an endorsement signed by the Divisional Officer to the effect that the tender is rejected and the amount of the chellan may be repaid to the party concerned. No dues from the department or drafts or cheque will be accepted.

3 Individual rate should be quoted for each item of work. Tenders on percentage basis will not be valid.

4 For items not provided in the estimate, schedule of rates will be paid, or as per data worked out during the execution of the work.

5 The estimate and plan can be seen by the contractors, during the working days between 11 A.M. and 5 P.M.

6 Rates quoted will hold good till the work is completed. The rates quoted by the contractor will be considered as inclusive of Sales-tax. No separate claims for Sales-tax will be considered. The contractor should furnish Income-tax certificate with the tender or before the execution of agreement at the latest, failing which, the tender will be cancelled and deposit forfeited.

7 No conditional clauses will be accepted.

8 The tenders will be opened by the Executive Engineer, in the presence of such tenderers who wish to be present on 30th December 1953, at the Executive Engineer's Office at Tumkur. The final acceptance of the tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender, or to assign any reason whatever for the rejection of any. If any petitions are received after the tenders are opened, such petitions will not be considered.

9 The name of the successful tenderer will be posted on the notice board in the Executive Engineer's Office after the tenders are settled. Within eight days of the acceptance of the tender, the successful tenderer will be required to execute an agreement in the departmental schedule contract form. In case of failure to comply with this condition, the earnest money of this contractor will be forfeited and the tender will be disposed of otherwise.

3. Tender forms with abstract quantities are obtainable from the Office of the Executive Engineer, Honnemaradu Survey Division, Jog on payment of annas 0-4-0 per form.

4. Each tenderer must deposit the earnest money noted against the above respective works in cash and enclose the receipt along with the tender.

5. The earnest money in cash shall be remitted to the Office of the Executive Engineer, Honnemaradu Survey Division, Jog. The earnest money so paid will not carry any interest. No cheques will be accepted. On acceptance of tender, a further deposit of 5 per cent on work bills will be reserved and refunded to the contractor when the work is completed and conditions of agreement are fulfilled.

6. Only labour charges for each item as per unit fixed should be quoted. Such rate should include quarrying stones, conveying to site, dressing the stones and scaffolding etc. Other materials, such as cement and sand will be supplied by the department without recovery of cost.

7. Plans and estimates for the works will be available in the Division Office for information on all working days between 11 A.M. to 5 P.M.

8. Final acceptance or rejection of the tender will rest with the Chief Electrical Engineer to Government of Mysore, Bangalore. The successful contractor should bind himself to the departmental rules and execute necessary agreement before starting the work.

9. The work should be completed in all respects to the complete satisfaction of the departmental officers by the end of June 1954.

10. The name of successful contractor will be intimated immediately on receipt of communication from the Chief Electrical Engineer in Mysore, Bangalore.

11. The successful contractor should make his own arrangements to convey materials, such as, sand, cement and jelly to the workspot. Materials, such as, cement and sand will be made available either at the Generating Station or at the place that may be fixed by the departmental officers during execution of work.

12. The Chief Electrical Engineer reserves the right o giving the work to one or more of the tenderers and not necessarily to the lowest tenderer.

13. Water supply arrangements will be made by the department and watering masonry or concrete will be done by the departmental agency.

14. Adequate arrangements for proper scaffolding in the steep slope on the lines of instructions of the supervising officers should be made by the contractor *at his own cost*. No scaffolding materials will be supplied by the department. The scaffolding will have to be dismantled and the site cleared when the work is completed.

15. Damages caused to pipe lines or to any other property either during the time of conveyance of materials or construction of masonry, etc., will have to be made good by the contractor.

16. Quantities of each item of work are only approximate and subject to alterations during execution. The rates quoted by the contractor should hold good for any quantity Besides, change of specifications due to exigencies, will not, under any circumstance, entitle the contractor to claim rates higher than those already tendered and accepted. In the case of non-tendered items, the contractor will be paid at the current schedule of rates or at the rates fixed on the basis of data and approved by the competant authority.

17. No claim shall be established for the delay caused by the department due to unforeseen causes during execution of work. However, extension of contract period will be considered on the merits of each case.

18. No conditional clause while tendering the rates will be accepted by the department.

19. Sales-tax will have to be paid by the contractor as per rules.

20. Royalty, etc., will be recovered from the work bills of the contractor.

21. Accidents caused to the labourer on work will entail the contractor to pay necessary compensation as may be fixed by the departmental officers or any other competent court.

22. Sales-tax clearance certificate will have to be produced along with the tender.

1 The work is to be completed within six months from the date of work order and monthly progress should not be less than Rs. 3,500, 2,500 and 1,500 respectively.

2 Tenders should be presented in the prescribed form obtainable on payment of annas four per form from the Office of the Executive Engineer, Sagar Division, Sagar, in a sealed cover and superscribing the name of the work tendered. The name of the contractor should also be superscribed on the top of the cover.

3 Tenders to be quoted on the rates for individual items of works instead of quoting on percentage basis.

4 Each tender must be accompanied by a duplicate chellan for having credited into the treasury the required deposit amount under "Revenue Deposits" or Mysore Government Bonds duly endorsed at full value or market value whichever is less as earnest money. Tenders not accompanied by a treasury chellan for having credited the earnest money will be rejected.

5 For lumpsum provisions for non-tendered items, the rate will be paid as per current minimum schedule in the case of scheduled items and rate with ten per cent profit for items which to do not find place in the schedule.

6 Plans and estimates and other particlars can be had for inspection in the Office of the Executive Engineer, Sagar Division, Sagar, on all working days between 2 P.M. and 5 P.M.

7 The successful contractor should bind himself to abide by the departmental rules in force and should execute the necessary "Mutchalika" within a fortnight from the date of receipt of intimation of acceptance of his tender failing which his earnest money will be forfeited.

8 The final acceptance or recommendation for acceptance will rest with the Executive Engineer, Sagar Division, Sagar, who does not bind himself to accept the lowest or any other tender or to assign any reason whatsover for the rejection of any.

9 No conditional clause will be accepted.

10 No sales-tax, octroi tax, or any other tax prevailing in the area will be admitted by the Department.

11 No cheques will be accepted for earnest money and no request for adjustment of the amount due by the Government can be entertained.

12 The rates quoted will hold good till the acceptance or otherwise by the competent authority.

13 The submission of a tender by a contractor implies that he has read the notice and the conditions of the contract and has made himself aware of the scope and specifications of the work to be done and of the schedule of rates, etc.

14 If the work is not completed and handed over within the specified time, a fine of Rs. 50 will be levied for every fortnight's delay.

15 Tendered contractor has to pay compensation to the disabled workmen under him for any injury caused during the execution of the work, failing which the earnest amount will be deducted from the bills and paid to the injured.

16 Sales-tax clearance certificate should be produced along with the tenders.

M. VIJAYADHWAJA RAO,
Executive Engineer.

PUBLIC ADVERTISEMENTS

OFFICE OF THE PRINCIPAL INFORMATION OFFICER TO THE GOVERNMENT OF MYSORE, OLD PUBLIC OFFICES, BANGALORE.

Press Note.

INCLUSION OF NAMES IN THE ELECTORAL ROLL.

The instructions contained in the Election Commission's Press Note dated the 6th September 1952, regarding the procedure for applications under sub-rule (2) of rule 20 of the Representation of the People (Preparation of Electoral Rolls) Rules, 1950, for the inclusion of names in an electoral roll do not now hold good since that sub-rule has been radically altered, *vide* S.R.O. No. 2048, published in the *Gazette of India* (Extraordinary), Part II, Section 3, dated 2nd November 1953. The following revised instructions are, therefore, issued for the guidance of the public and the officers concerned :—

1 Under the amended sub-rule (2) of Rule 20 of the Representation of the People (Preparation of Electoral Rolls) Rules, 1950, an application for the inclusion of a name in the electoral roll of a constituency should be made to the Electoral Registration Officer of the Constituency. If, however, the application is made after the issue of the notification calling upon the constituency to elect a member or members and before the completion of that election, it should be made to the Chief Electoral Officer of the State; but a copy should simultaneously be sent to the Electoral Registration Officer of the constituency in order that the application might be examined without delay. The fact that a copy has been sent to the Electoral Registration Officer should be noted on the application sent to the Chief Electoral Officer.

2. The application should give full particulars regarding address, place of ordinary residence, age, father/husband's name, qualifications for registration as an elector in the constituency, etc. The application should clearly state the name of the Assembly constituency, and the corresponding Parliamentary constituency, in which enrolment is sought.

3 The application should contain a declaration by the applicant stating whether or not his name has already been included in the Electoral Roll of any Assembly or Parliamentary constituency in any State. If it has been so included, the particulars of the relevant entry in that electoral roll should be given.

4 The application should also contain a declaration that to the best of his knowledge and belief the applicant is not disqualified under any law, either for registration as an elector or for voting at an election.

5 A single application will suffice for enrolment in an Assembly constituency and in the corresponding Parliamentary Constituency.

6 The following fee is payable on applications under clause (e) of rule 20 (2) :—

(i) Re. 1 in the case of an application to an Electoral Registration Officer, and

(ii) Rs. 10 in the case of an application to a Chief Electoral Officer.

The fee should be paid by affixing one or more non-judicial stamps to the application.

7 Every application received in accordance with the above instructions should be promptly attended to by the Electoral Registration Officer and examined with reference to the electoral roll then in force. The qualifying period and the qualifying date for purposes of the application would be the period and the date applicable to the current electoral roll.

8 The Electoral Registration Officer should immediately put up on the notice board of his office a notice inviting objections, if any, to the inclusion of the applicant's name, within a period of seven days from the date of the notice. Simultaneously, the Electoral Registration Officer should make necessary inquiry in order to ascertain whether the applicant is entitled to enrolment in the constituency. The inquiry should be a summary character. If any objection is filed in the notice period, it should be duly considered at the inquiry.

9 In view of rule 18, the Electoral Registration Officer should ascertain whether any decision has been given by the competent Revising Authority in respect of the inclusion of the applicant's name in the electoral roll, and if so, that decision should be duly considered at the inquiry. If the application is made to the Chief Electoral Officer, a copy of that decision should be sent to him, along with the report.

10 At the conclusion of the inquiry, the Electoral Registration Officer should pass appropriate order on the application if it is addressed to him. In other cases, he should submit his report to the Chief Electoral Officer. Normally, it should not take more than ten days from the receipt of the application (or its copy), for the Electoral Registration Officer to complete the inquiry.

11 If the application is admitted by the Electoral Registration Officer, he should assign a serial number to the applicant in the electoral roll, which should be the number next in order to the last number on the roll of the area with reference to which the roll has been prepared. In cases in which enrolment is ordered by the Chief Electoral Officer, he should assign his own serial number starting from "C. E. O. 1" for each calendar year, *e.g.*, "C. E. O. 1 of 1953" and so on.

12 If the applicant is already registered in the electoral roll of any other constituency in the same State, the Chief Electoral Officer, or, as the case may be, the Electoral Registration Officer, should inform the Electoral Registration Officer of that constituency, of the order passed by him directing the applicant's name to be included in the electoral roll. On receipt of such information, action should be taken to strike off the applicant's name from the electoral roll in which it was included earlier.

13 Where an application for inclusion of name is rejected by the Electoral Registration Officer or the Chief Electoral Officer he should briefly record his reasons in an order. An appeal lies to the Election Commission within 15 days from the date of such rejection. Non-judicial stamps of the value of Rs. 10 should be affixed to the memorandum of appeal.

14 Applications reaching the Commission on or after the 2nd November 1953, will be sent to the Electoral Registration Officer or Chief Electoral Officer concerned for disposal. The fee of Rs. 50 if deposited, will be refunded to the applicant on receipt of an application addressed to the Secretary to the Election Commission, India, New Delhi. Applications made before the 2nd November 1953 and pending disposal in the Office of the Commission, will also be forwarded for disposal to the officer now empowered to pass orders thereon, but the fee already deposited will not be refunded in view of the provisions under which the deposit was made.

Press Note.

CULTURAL PROPAGATION DAY.

The Chief Minister desires that, as in the last year, Samskriti-Prasara Day (Cultural Propagation Day) should be observed all over the State on Geeta Jayanti which falls on the 16th December 1953. The programme on that day may include, among other things, *Gamaka* recitals from ancient Epics like the Ramayana and the Mahabharatha and popular works like the Harischandra Kavya, Nala Charitre, Jaimini Bharata and Prabhulinga Leela and recitals of the Krithis and Vachanas of Haridasas and Shivasaranas, respectively, and lectures by eminent scholars and men of letters on the significance of cultural development and the value and importance of the Indian heritage. Music recitals and Keertanas may also form part of the programme on that day, inclusive of other items of entertainment value.

It will be very much appreciated if the Samskriti-Prasara Day is observed by educational institutions and by literary and cultural institutions like the Kannada Sahitya Parishat, Karnataka Sanghas, Bharat Seva Dal, Samskruta Sanghas, Adult Education Council and Ladies' Associations whose co-operation in this behalf is earnestly solicited.

Press Note.

SALE OF NEW TRACTORS TO RAIYATS ON HIRE-PURCHASE SYSTEM.

In continuation of the Press Note dated 3rd November 1953 regarding the sale of new tractors to raiyats on the Hire-Purchase System, it is hereby notified for the information of the agriculturists of the State that Government have been pleased to sanction a scheme of supplying new tractors on Hire-Purchase basis under the following conditions :—

1 One tractor and implements, the cost of which does not exceed Rs. 20,000 in the aggregate will be issued to each raiyat, subject to the rules and conditions prescribed in this behalf.

2 The purchaser may select any tractor out of the following makes : —

(a) Ferguson tractors and implements
(b) Massey Harris and implements
(c) John Deere and implements
(d) International Harvestor Tractors and Implements
(e) Any other make of tractors for which spare parts and servicing arrangements are available in Bangalore.

3 The applicant has to apply in the prescribed form along with a solvency certificate, encumbrance certificate for 12 years and also Khate extract of the properties which he intends to offer as security for the tractor and implements. The value of the securities to be offered should not be less than 1½ times the value of the tractor and implements. The Hirer has, besides, to furnish two solvent sureties binding themselves to pay the amounts due by the Hirer in case of default.

4 On receipt of the Application together with the certificates specified in para 3, the Revenue Authorities will be asked to investigate and furnish their opinion as to the value of the properties offered as security, etc.

5 On receipt of the Revenue Officer's report, the Commissioner for Food Production will examine the same, and then direct the applicant to deposit one-sixth of the value of the tractor and implements to the treasury, to execute the Hire-Purchase Agreement on a stamped paper, duly registered in the Sub-Registry Office, and then the issue of the tractor from the concerned firm will be arranged. The applicant has to pay the balance of the value of the tractor and implements in five equal annual instalments *with interest at 5 per cent.*

6 The applications which may be had from the Office of the Commissioner for Food Production or the Assistant Directors of Agriculture of Districts may be sent by the applicants to the Office of the Commissioner for Food Production, United India Buildings, Bangalore, together with solvency certificates, khate extract, encumbrance certificate and the quotation of the firm where the tractor has been selected.

Applications should reach the Office of the Commissioner for Food Production on or before 31st December 1953.

(*G. O. No. A. F.* 3104-6—*Ft.* 65-46-2, *dated 25th November* 1946).

In default the deposit will be forfeited and the right resold. Such resale will be at the risk of the defaulting purchaser, who will be liable to make good any loss that may result to Government by it, but will not participate in any profit accruing therefrom.

N.B.—If the deficit be not paid, it will be recovered as revenue demand.

7 If the sale is not confirmed, the amount paid will be refunded.

8 The accepted bidder shall execute an agreement within fifteen days of the intimation of the confirmation of the sale binding himself to observe the conditions mentioned hereunder duly furnishing a security deposit equal to one-fourth of the sale amount or Rs. 500, whichever is less. In default the acceptance of the bid will be revoked, the money already paid forfeited and the right resold at his risk.

9 Further conditions to be entered in the agreement are :—

(*a*) The lessee shall hold himself responsible for the cutting or injuring of any other trees on the plea of collecting the produce. The lessee shall be held personally responsible for the acts of his agents or servants.

(*b*) The lessee shall furnish a list of sub-contractors, agents or servants who may be appointed by him for the collection of the produce.

(*c*) The lessee shall work out the lease himself and not transfer or sublet it to others without the previous sanction of the District Forest Officer or the Conservator of Forests.

(*d*) The coolies employed by the lessee must take permission from the Range Officer before they enter State Forests.

(*e*) The lessee shall keep and render accounts every month to the District Forest Officer, of the produce collected and removed by him or his agents during the month. His accounts will be liable for the inspection of Conservator of Forests, Shimoga, or the District Forest Officer or by any other officer deputed by either of them.

The lessee shall be considered a wholesale dealer for the collection and export of leaves and shall not interfere with licences issued by the Department for small quantities of leaves to *bona fide* local beedi manufacturers. (*Vide* G.O. No. I.C. 1059-68—Ft. 26-23-6, dated 31st August 1923 and G. O. No. 8079-89—Ft. 314-26-2, dated 21st March 1927, *Re* : free removal of headloads).

(*f*) The lessee, his agents or servants shall render all possible help in preventing the occurrence of fire in forests, in which he or they may be working and render prompt assistance in extinguishing such fire as may break out accidentally.

(*g*) The lessee shall remove out of the limits of the taluk all produce collected and sold under the terms of the lease, before the close of the period of contract.

(*h*) Neither the lessee nor his servants shall enter the State Forest, either before sunrise or after sunset.

10 In the event of the breach of any of the above conditions, the lease will be liable to be cancelled, deposit forfeited and the lessee fined to the extent of Rs. 100 which will be recovered as an arrear of Revenue demand.

11 Interest will be charged at 6¼ per cent per annum on all belated payments of revenue.

ENGINEERING DEPARTMENT

BUILDINGS DIVISION, BANGALORE.

Notification dated 12th December 1953.

"It is hereby notified for the information of the Public that the tender notification for running a Cycle Stand at District Offices, published in the *Mysore Gazette*, dated 10th the December 1953 is hereby cancelled as the original contract is still in force."

6591

Notification.

Tenders will be received in the Office of the Executive Engineer, Buildings Division, Bangalore, up to 3 P.M. on 5th January 1954, for the following work :—

Name of work	Amount of estimate	Earnest money
	Rs.	Rs.
Extending the Public Health Offices, Ananda Rao Circle, Bangalore.	26,861	1,345

1. Each tender must be accompanied by a duplicate chellan for having deposited the earnest money noted against the work into the Reserve Bank of India, Bangalore, to the credit of "P. W. Deposits—2 Advances, Revenue Deposits" in default of which the tender will be rejected.

2. Only on acceptance of one of the tenders, the earnest money of the rejected tenders will be returned.

3. Copies of the contract documents, schedule and drawings may be seen at the Office of the Executive Engineer, Buildings Division, Bangalore, on all working days between 11 A.M. and 5 P.M.

4. The tenderer need only mention the rates for each item of work of the abstract estimate both in words and in figures, at which he is willing to undertake the work, without which the tender will be rejected. The total cost of each item of work together with the grand total of each work should also be noted in the tender.

5. Tenders submitted in other than the prescribed form will be rejected, the prescribed form being available at the Division Office on payment of Re. 0-4-0 per copy.

6. The detailed clauses defining the conditions of the tender can be seen at the Office of the Executive Engineer, Buildings Division, Bangalore.

7. Items not provided for in the estimate will be paid for as per schedule of rates or as per data worked out, if not provided for in the schedule of rates during the time of execution.

8. The sealed tenders received for the above work will be opened in the presence of such of those tenderers who will be present at that time.

9. If the work is not completed and handed over within the specified period, a fine of Rs. 50 will be levied for every fortnight's delay.

10. The final acceptance or recommendation for acceptance will rest with the Chief Engineer, Bangalore. The successful contractor should bind himself to abide by the departmental rules in force and execute the necessary *mutchalika* on receipt of intimation of acceptance of his tender, failing which, his earnest money will be forfeited.

11. Under no circumstances will a father and his son or other close relations be allowed to tender for the same contract as separate competitors. A breach of this condition will render the tenders of both the parties liable for rejection.

12. The submission of a tender by a contractor implies that he has read this notice and the conditions of the contract and has made himself aware of the scope and specifications of the work to be done and of the schedule of rates, etc.

13. In all matters of disputes about rates, measurements, quantity and quality of work, etc., and in all other disputes of any kind, the decision of the Chief Engineer for Roads and Buildings in Mysore, Bangalore, will be final and legally binding.

14. The rates quoted shall hold good if the tender is accepted within six months from the date of tender and shall thereafter be binding for the execution of the entire work.

15. The contractors will please note that the conditions will in no case be relaxed.

16. Those who cannot abide by the conditions need not tender.

17. The work should be completed within *three months* from the date of issue of work order.

18. Tendered contractor has to pay compensation to the disabled workmen working under him for any injury caused during the execution of this work, failing which, the amount will be deducted from the bills and paid to the injured.

19. Sales-tax will be recovered at the prescribed rate on all works bills.

20. The tenderer should produce the Income-tax Clearance Certificate from the Income-tax Commissioner along with the tender, without which the tender will not be considered.

21. Sales-tax Clearance Certificate should also be enclosed along with the tender in the prescribed form as per Government Order No. Fl. 4267-4416—S.T. 32-53-2, dated 20th August 1953, failing which, the tender will be rejected.

Refund can be had from the Treasury or the Reserve Bank of India where the amount was first deposited.

5. The quotation forms can be had from the office of the undersigned on payment of annas four per form. Quotations submitted in other forms not issued from this office under the authority will be rejected.

6. The successful contractor shall bind himself to abide by the Departmental rules and specifications in force and shall execute necessary agreement within seven days from the date of intimation of acceptance of his tender, failing which his quotation will be cancelled unconditionally and his earnest money forfeited to Government.

7. The final acceptance of or disposal of the quotation in full or in part or in any manner rests with Chief Engineer of Mysore, Bangalore who is not bound to accept the lowest or any tender or assign any reason thereof.

8. The cost of materials supplied by the Department owing to non-availability in the market or for other reasons will be recovered from the Bill of the contractor at ledger or market rates, whichever is higher with usual centage.

9. Reserve of 5 per cent and the earnest money deposit will be repaid only at the settlement of final bill.

10. Accepted contractor will have to pay compensations as per Workmen's Compensation Act to the workmen under their employment injured, disabled or killed during the execution of work, failing which the amount will be deducted from the bill of the contractor for payment to the injured or his legal heirs of the deceased.

11. The work should not be sublet to others.

12. Quotations given in the notification schedule are approximate and are liable for alteration. No extra rate will be allowed for such alterations.

13. Quotations submitted on percentage basis will be rejected.

14. All stones required for the above work should be obtained from either Shanbhoganahally quarry or Gangappanahally quarry of from any other quarry after getting the approval as to the quality of stones or slabs in particular.

15. For all disposals with regard to this work either in respect of rates or quantities the decision of the Chief Engineer of Mysore, Bangalore, shall be legal and finally binding.

16. The contractor should bind himself for the good behaviour of the agents he appoints.

17. Income-tax clearance certificate granted by the Income-tax Department will have to accompany the tender.

18. A minimum monthly progress of Rs. 30,000 will have to be guaranteed by the contractor. But the actual cost of supplies made should be more than the minimum specified above, so that the entire construction of the Dam is completed, within one year from the date of acceptance of the quotation.

19. Failure to fulfil the above conditions would entail levy of penalty of Rs. 10 per day from the date of default. If the total of such fine exceeds Rs. 1,000 the contract will be cancelled and the work executed by other agency. The extra expenditure to the Department on this account being recovered from the defaulting contractor. The earnest money will also be forfeited.

20. Defective materials and materials not to the required specification pointed out by the Departmental official, should immediately be cleared from the work spot, at the contractor's cost, failing which, the same will be cleared by the Departmental labour and the cost thereof will be recovered from the contractor's bill.

BANGALORE DISTRICT.

(FOOD CONTROL SECTION).

Notification dated 10—14th December 1953.

No. P.D. 203—53-54. It is hereby notified for the information of the public that sealed tenders will be received in the Office of the Deputy Commissioner (Food Control Section), Bangalore District, up to 4 P.M. on Monday the 21st December 1953, from lorry-owners and transport contractors owning at least twelve lorries duly registered in their name for the transport of foodgrains, gunny bales and any other commodities as stated in the schedule by lorries from place to place within Bangalore District and from any place to the District Reserve Depot or its Godowns in Bangalore City and *vice-versa* and from Depots to Depots and Railway Goods shed and *vice-versa* in Bangalore City and from Civil Area Railway Goods-shed to the District Reserve Depot or its Godowns or any Depot in Bangalore City and *vice-versa*. The contract will be in force for a period of twelve months from 1st January 1954.

CONDITIONS.

1 Applications not presented in the prescribed form, applications not furnishing the required information or furnishing more or any other information not required under the notification and belated applications, shall receive no consideration.

2 In addition to transportation, the contractor should arrange for loading and unloading and stacking the goods into lots by his own agency and at his own cost.

3 Each tender must be accompanied by a treasury chellan for having credited a sum of Rs. 250 (Rupees two hundred and fifty only) in the Reserve Bank, Bangalore, to the Revenue Deposit Account, as an earnest money, which will be refunded after the tenders are decided. If, after submitting a tender, the tenderer wishes to withdraw it, he shall forfeit the deposit amount.

4 The tenders may be delivered in sealed covers marked as "Lorry Transport Tender" to the Deputy Commissioner, Bangalore District, or to the Food Assistant to the Deputy Commissioner, Bangalore District, or sent by registered post, giving particulars as noted in the schedule hereunder (schedule form may be copied from the Office notice board).

5 The contractor whose tender is accepted should give an agreement on a stamped paper of the prescribed value, binding himself to conform to the conditions stipulated by the undersigned before his contract is let in and should also furnish a cash security of Rs. 1,000 (Rupees One thousand only) to ensure due fulfilment of these terms and conditions of the contract.

6 If there should be any delay in giving effect to the fresh tender due to unforeseen or unavoidable circumstances, the present contractor if he also applies for the fresh tender and if his services are continued during the period of delay in giving effect to the fresh tender, or the future tender whose contract will be accepted as noted in Serial No. 7 will bind himself to receive any reasonable rate of hire charges that may be fixed by Government during such interim period.

7 The tenders will be disposed of under the usual rules applicable thereto, the lowest rate quoted being generally accepted. The Orders of the Deputy Commissioner in this behalf will be final. He does not bind himself to accept the lowest tender only. He reserves the right to accept or reject any tender without assigning any reasons therefor. Final acceptance of the tender is also subject to the approval of the Director of Food Supplies in Mysore, Bangalore.

8 Each tenderer should produce a solvency certificate issued by the Amildar of the Taluk to the extent of at least Rs. 25,000.

9 Further particulars may be had from the Office of the Deputy Commissioner, Bangalore District (Food Control Section), during the working hours.

10 The tenderers should produce Income-tax clearance and Sales-tax clearance certificates.

Local Indent No. 14076.

Your tender for the supply of M.S. Electrodes required for the Mysore Government Departments during 1953–54.
Enquiry No. 11861.

Gentlemen,

No. S.P.C. 43901-7. I write to request you to be so good as to enter order for the materials described in the undermentioned schedule in quantities and at prices specified therein and arrange to make supplies on indents from such of the Departmental Officers as may require the materials and in such quantities as may be required by them, from time to time, all indents being complied with within a fortnight from the date of receipt.

The quantities given in the schedule are only approximate and not guaranteed and the quantities to be purchased may be more or less. The contract will be deemed to be limited to the quantities to be actually drawn by the Department.

This contract will be in force for one year from this date and the materials will have to be supplied throughout the said period at the prices accepted herein and no enhancement of the said prices for whatsoever reasons can be granted, during the period of contract.

Please note that the materials to be supplied should strictly conform to the samples submitted by you and accepted by us, failing which they will be rejected. All rejected supplies should be replaced by correct materials within a week from the date of rejection. Failure to make supplies in time and in accordance with the approved quality, will entail cancellation of the contract and purchases being made from other sources debiting the extra cost, if any, incurred by Government to you. In such an event, the Stores Purchase Committee also reserve the right to levy a penalty as and by way of liquidated damages of 3 per cent of the value of the order. If necessary, the Indenting Departments will call for samples from you, before placing orders with you for the quantities required by them.

The bills of cost should be sent in duplicate to the Indenting Officers who will arrange payment.

You should now arrange to enter into an agreement and deposit Rs. 500 as security for the due fulfilment of the contract within two weeks from the date of receipt of this order, failing which the order will be cancelled. A draft form of agreement is enclosed. The agreement should be executed on Ten Annas Mysore Government Stamp Paper. The security deposit should be credited to Personal Deposit Account as per challan form enclosed and the triplicate copy of the challan should be sent to us for reference and return.

Please acknowledge receipt of this communication. The above Indent Number should be quoted in all correspondence relating to this order.

Subject:—Spare coils for 1,000 H.P. dual frequency motor installed at C.R.S.

Gentlemen,

No. S.P.C. 43570-600. Please be good enough to intimate your best prices and the earliest time of delivery for the materials described in the undermentioned schedule, in the form printed below.

It should be distinctly understood that the acceptance by us of your quotation will be subject to the following conditions:—

Withdrawal from the quotation after it is accepted or failure to make the supply within the specified time or according to specifications will entail cancellations of the order and purchases being made at your expense from other sources in addition to the levy of a penalty of 3 per cent of the value of the order as and by way of liquidated damages. The quotations should be superscribed "Quotations for Spare coils for 1,000 H.P. dual frequency motor installed at C.R.S." with the above enquiry number.

This enquiry will be closed on the 31st December 1953.

SCHEDULE.

F.O.R., Bangalore.

"Mather and Platt" Drip Proof, Fan Ventilated type double squirrel Cage High starting torque induction motor capable of developing continuously an output of 1,000 b.h.p. ambient air temperature, when running at full load and a speed corresponding to a synchronous speed of 1,500 r.p.m. approximately 1,475 r.p.m.

The motor is to be designed to operate off a 2,300 volts, 3 phase 25 cycles supply, or by alterations to connections of the stator windings off a 2,300 volts 3 phase 50 cycles supply, utilising terminals and links which will be provided for this purpose.

The motor will be arranged in such a manner that the ventilating air will be drawn in axially by means of a fan at either end of the machine and expelled through a short trunk at the top of the cast steel stator frame. End guards would be fitted to the stator frame to give proper protection to the windings.

The shaft of the machine would be carried in two white metal lined ring oil bearings.

The frame of the motor is to be of cast steel.

The insulation of the stator windings to consist of moulded micanite, while the insulation of the curved end portions of the windings would consist of varnished cambric.

The windings would be heavily impregnated to meet the most ardous work conditions in India and would be secured in the stator slots by means of carefully designed wedges.

The performance figures of the motor shall be as follows:—

Load.—	Full	¾	½	¼
On 25 cycles—				
Efficiency ...	94 per cent	93·5 per cent	92 per cent	86 per cent
Power factor	·93	·915	·87	·72
On 50 cycles—				
Efficiency ...	94 per cent	93·5 per cent	92 per cent	86 per cent
Power factor	·91	·89	·84	·68

These figures are such as we expect to obtain on test at our works, the efficiencies to be determined by the summation of Measurable Losses Method, and the efficiencies and power factors guaranteed subject to a tolerance of 2 per cent.

Temparature Rises.—

The motor will, as regards rating and temperature rise, be designed strictly to comply with the requirements of B.S.S. 168/36, except that the temperature rise of the stator windings determined on test at our Works by measurement of resistance method at maximum pump load conditions would not exceed 40°C.

The rotor windings are not insulated and the temperature rise is, therefore, not strictly limited. It will be such that there is no risk of injury to any insulating material on any adjustment parts of the machine.

Class B Insulated stator coils complete with slot insulation and Wedges for the 1,000 H.P. Dual frequency motor working at C.R.S. Water Works, Thippagondanahalli.

D.L. 17-1,000 H.P. Dual frequency Motor No. 127129-1500—1480 R.P.M.

2,300 volts, 25/50 cycles, 3 phase. One set of 72 coils.

N.B.—1. The quotations with firm prices will be preferred.
2. Sales-tax, if any, should be quoted separately.
3. The quotations will be opened at 2 P.M. on the next working day after the closing date.
